Board of Supervisors

ACADEMIC COMMITTEE

Board of Supervisors

Request from LSU A&M to Establish a Bachelor of Arts in Design Studies

Date: April 25, 2025

1. Bylaw Citation

Pursuant to Article VII, Section 1, Paragraph B of the Bylaws of the Louisiana State University Board of Supervisors, this matter is a significant board matter.

- B. The Board shall approve any new academic program resulting in the awarding of a degree, certificate, or credential, as well as any changes of degree designation or termination of degree programs. The Board shall approve any new institution, department, research center, or institute, or required reauthorization of such.

2. Summary of Matter

There is a critical absence of interdisciplinary workforce training in the allied fields of design and the built environment, both in Louisiana and nationally. LSU's excellent record of producing licensed professionals has created an environment in which alumni have difficulty staffing a trained workforce. The preferred job applicant for these positions has experience in an assortment of design and production-related tasks but has not received their licensure.

This need underscores the importance of the proposed Bachelor of Arts in Design Studies (BA in Design Studies) as it will serve as an interdisciplinary connector among the built environment and design fields of study (e.g. Schools of Architecture, Interior Design, and Landscape Architecture) in the College of Art & Design. Currently, these units only offer professional programs at the undergraduate levels: the Bachelor of Architecture (B.Arch), Bachelor of Interior Design (B.I.D.), and Bachelor of Landscape Architecture (B.L.A.). These professional programs are the traditional modes of training in fields that primarily prepare students to become licensed professionals in their respective fields. These programs are also studio-intensive, making them more exclusive than typical undergraduate programs at public, land-grant universities.

The proposed BA in Design Studies will provide a parallel, interdisciplinary, and flexible curriculum structure that works across the fields of architecture, interior design, and landscape architecture, in a hybridized approach to undergraduate design and built environment training. In doing so, this program increases the variety of students' core competencies, directly responding to the increasingly cross-disciplinary nature of the design and building environment workforce, which requires expertise and experience beyond traditional single-field training.

3. Review of Business Plan

The new program will be housed in the College of Art & Design and offered on-campus. Students in the BA in Design Studies will be advised by existing College of Art and Design Student Services staff parallel to the existing undergraduate Professional programs. The students will also be provided professional development and placement support from existing resources in the College of Art and Design.

4. Fiscal Impact

No new space is needed. Additional faculty resources are being made available for the program's foundation lab instruction (6-credit sequence). Beyond this core training, program core courses will be taught by current faculty members from the Schools of Architecture, Interior Design, and Landscape Architecture. Additionally, a new budget allocation has been granted for a full-time faculty member who will be the coordinator for the program.

Board of Supervisors

Request from LSU A&M to Establish a Master of Science in Architecture

Date: April 25, 2025

1. Bylaw Citation

Pursuant to Article VII, Section 1, Paragraph B of the Bylaws of the Louisiana State University Board of Supervisors, this matter is a significant board matter.

- B. The Board shall approve any new academic program resulting in the awarding of a degree, certificate, or credential, as well as any changes of degree designation or termination of degree programs. The Board shall approve any new institution, department, research center, or institute, or required reauthorization of such.

2. Summary of Matter

The School of Architecture proposes a two-year (36 credits) research-based Master of Science degree in Architecture (MSinArch). The degree, which culminates in a graduate thesis, will provide opportunities for students from Louisiana, the US and abroad to pursue advanced research on architecture in relation to contemporary coastal and deltaic cultural conditions, emerging architectural technologies, and advance solutions to societal and environmental challenges. The MSinArch program will create a bridge for current BArch and MArch students at LSU, and other institutions, to pursue the Doctor of Design (DDes) in Cultural Preservation in the College of Art and Design, and to develop their research skills to become more competitive in the academic and research market. Offering both a MS in Architecture and a Master of Architecture (currently offered at LSU A&M) is in line with peer institutions. Additionally, offering an MS in Architecture provides a research graduate degree that meets industry needs and provides a pathway for students who want to pursue the Doctor of Design program.

The MSinArch will significantly contribute to the research and teaching environment at the School of Architecture by increasing the engagement of architecture students with ongoing faculty research, as well as enhancing interdisciplinary collaborations across the College, University, and external institutions. Capitalizing on institutional research expertise and resources, the MSinArch extends the growing trend of schools of architecture to offer advanced, research-based training beyond the professionally oriented degrees. The MSinArch will combine graduate-level study in architectural topics with faculty-guided advanced studies in the following focus areas:

1. Sustainable Coastal and Deltaic Architecture and Urbanism
2. Innovative Material and Construction Technology
3. Spatial Justice and Caribbean Studies
4. Studies in Modernity and Tradition.

The MSinArch will foster investigation into architecture as a discipline in relation to contemporary societal and environmental challenges at a level of depth and breadth not otherwise possible within the professionally oriented programs (MArch). The development of architectural knowledge in the MSinArch will prepare future researchers, professionals,

educators, and policy makers to confront the multi-faceted societal and environmental challenges faced by cities and communities in Louisiana and the Gulf South.

3. Review of Business Plan

The new program will be housed in the College of Art & Design and offered on-campus. The program is intended to serve students and returning professionals with degrees in architecture - BA, BS, BArch or MArch - as well as in allied fields such as landscape architecture, interior design, engineering, urbanism, urban design and planning.

4. Fiscal Impact

No new space is needed. Existing faculty are already in place to support the program. The program will not incur additional indirect cost. The Graduate Coordinator, which is an existing position in the School of Architecture, will manage the admission process for the existing MArch program and the proposed MS in Arch program. The proposed core courses are already offered for MArch graduate students in the school. The new MSinArch students may increase class capacity but will remain within the acceptable graduate course capacity.

Research courses, including thesis, will be supervised and managed by the committee chair faculty, as part of their existing teaching/research load. All other services such as career services and library material are already existing within the institution.

Board of Supervisors

Request from LSU Eunice to Establish Four Certificate Programs

Date: April 25, 2025

1. Bylaw Citation

Pursuant to Article VII, Section 1, Paragraph B of the Bylaws of the Louisiana State University Board of Supervisors, this matter is a significant board matter.

- B. The Board shall approve any new academic program resulting in the awarding of a degree, certificate, or credential, as well as any changes of degree designation or termination of degree programs. The Board shall approve any new institution, department, research center, or institute, or required reauthorization of such.

2. Summary of Matter

LSU Eunice is seeking approval of four proposed certificate programs. The proposed certificates include:

Certificate of Technical Studies in Payroll Administration

The proposed program is designed to equip students with the knowledge necessary to effectively manage payroll operations within organizations of all sizes. The program aims to develop well-rounded payroll professionals who can accurately calculate wages, process payroll taxes, and ensure compliance with labor laws.

The Payroll Administrator CTS program aims to provide a strong foundation in business principles, particularly financial accounting and human resources management. It equips students with essential payroll software skills, such as QuickBooks and Excel, to effectively manage payroll operations. The program fosters analytical and problem-solving skills to address payroll challenges, ensuring accurate calculations of wages, salaries, and deductions. It emphasizes compliance with federal, state, and local tax laws and regulations, timely processing of payroll taxes and filing of tax returns, and maintenance of accurate payroll records. The program also develops strong communication and interpersonal skills for effective interaction with employees and management, while fostering a strong ethical foundation and commitment to confidentiality in handling employee information.

Certificate of Technical Studies in Business Entrepreneurship

The proposed program is designed to equip students with the foundational knowledge and practical skills necessary to successfully launch and manage their own businesses. This program aims to foster entrepreneurial thinking, critical problem-solving, and a comprehensive understanding of business operations.

The Business Entrepreneurship CTS program objectives instill a strong foundation in core business disciplines like economics, finance, marketing, and human resources. It prepares students with essential software skills, particularly in Microsoft Office Suite and Excel, to enhance their productivity and efficiency. Furthermore, the program fosters entrepreneurial mindset and innovation skills, empowering students to identify and evaluate promising business opportunities.

Certificate of Technical Studies in Basic Management

The proposed program concept for the Basic Management CTC program is designed to equip individuals with the fundamental knowledge and skills necessary to excel in management roles. This program will provide participants with a solid foundation in key management disciplines, including principles of management, human resources management, business law, and introduction to business. The primary purpose of this program is to develop well-rounded managers who can effectively lead and inspire their teams.

Certificate of Applied Science in Paraprofessional Education

The certification will target paraprofessionals in the educational setting without any previous college coursework and also serve as a stackable credential for incoming students entering into teaching professions. The certification may allow paraprofessionals to earn higher wages in their current positions and incoming teacher candidates to gain employment while working towards the associate degree at LSUE and a baccalaureate degree at the student's transfer institution.

Paraprofessionals often help stabilize the workforce particularly during times of teacher shortages. Thus, the certificate will also benefit the educational community by better preparing paraprofessionals for the workforce. Students who earn the Certificate of Applied Sciences in Paraprofessional Education will have knowledge and skills more desirable to potential employers.

3. Review of Business Plan

The three Certificates of Technical Studies will be offered a 100% online program, which meets the needs of potential students that are already in the workforce. The Certificate of Applied Science will be offered in a hybrid format.

All four certificate can be pursued as a standalone credential. Additionally, the three CTS certificates are stackable into the existing AAS in Management degree and the CAS certificate can serve as a stackable credential for incoming students entering teaching professions.

4. Fiscal Impact

No new space is needed, and the courses already exist at LSUE. Existing faculty are already in place to support the proposed certificates.

Board of Supervisors

Request from LSU A&M Establish the HSS Humanities Center

Date: April 25, 2025

1. Bylaw Citation

Pursuant to Article VII, Section 1, Paragraph B of the Bylaws of the Louisiana State University Board of Supervisors, this matter is a significant board matter.

- B. The Board shall approve any new academic program resulting in the awarding of a degree, certificate, or credential, as well as any changes of degree designation or termination of degree programs. The Board shall approve any new institution, department, research center, or institute, or required reauthorization of such.

2. Summary of Matter

LSU A&M's College of Humanities & Social Sciences (HSS) requests to establish the HSS Humanities Center (HSSHC). The primary mission of the proposed Center is two-fold: foster a scholarly culture of human-centered learning and discovery, and offer diverse suite of programming and resources to support researchers' professional development at every career stage.

The HSSHC emerged directly from conversations with HSS faculty, who across dozens of engaged listening sessions, spoke to the vital importance of the two-fold mission, and who shared how valuable a humanities center would be to their research and teaching. Many faculty reported coming to LSU having seen the ways humanities centers at other very-high-research-activity schools foster interdisciplinary conversations that empower humane, creative approaches to the world's most pressing challenges. At the same time, faculty also shared how they saw an acute need for intentional and faculty-developed initiatives that would help accelerate their publication of agenda-setting, thought-leading research in all formats, but especially in the form of the book.

The HSSHC is designed to fulfill both of these needs. While humanities centers at many peer institutions focus on addressing the first of these missions, what distinguishes the HSSHC is that it combines, on the one hand, that commitment to cultivating research partnerships to advance humanistic inquiry, with, on the other hand, an innovative array of programs and faculty support designed to launch early career scholars' research, sustain the research productivity of mid-career scholars, and elevate the scholarship of senior faculty. By meeting these two specific and targeted needs, the HSSHC supplies unique opportunities unavailable elsewhere at LSU.

3. Review of Business Plan

The HSSHC will be led by a Director and Advisory Board. The Advisory Board will consist of a group of six HSS faculty members who have developed, launched, led, and continued to innovate the HSSHC's initial and on-going programming. These faculty members, who represent early-, mid-, and senior-career professorial ranks, are appointed in five different academic departments

and programs in HSS, and they collectively bring extensive administrative experience leading units.

Additionally, the proposed center will operate primarily out of Hodges Hall, a flexible space located in the suite of rooms belonging to the Office of the Dean of the College of Humanities & Social Sciences.

4. Fiscal Impact

The creation of the HSSHC will not affect the basic administrative structure of the campus. Furthermore, at present, the facilities needs of the HSSHC are met, and no other special equipment is necessary.

Board of Supervisors

Request from LSU Shreveport to Approve a Revised Mission Statement

Date: April 25, 2025

1. Bylaw Citation

Pursuant to Article VII, Section 6 of the Bylaws of the Louisiana State University Board of Supervisors

Section 6. The Board will regularly review the mission of the University and the missions of all the institutions defined in Article I.

2. Summary of Matter

LSU Shreveport is requesting review and approval of their revised mission statement. The proposed revision better reflects the university's priorities and its emphasis on student development and success. The review of the mission statement also meets SACSCOC reaffirmation requirements.

Mission Statement:

- Educate a broad constituency of graduate and undergraduate students by promoting critical thought and student development through creative techniques and active learning.
- Engage in regional and global thought leadership through community collaboration and service.
- Innovate and foster opportunities to enhance the application of knowledge and intellectual discovery through faculty and student research and creative endeavors.

Board of Supervisors

Request from LSU A&M to Augment the Janice Harvey Pellar Endowed Chair

Date: April 25, 2025

1. Bylaw Citation

Pursuant to Article VII, Section 1. A. of the Bylaws of the Louisiana State University Board of Supervisors, this matter is a significant board matter.

- A. Any matter having a significant or long-term impact, directly or indirectly, on the finances or the academic, educational, research, and service missions of the University or any of its campuses

2. Summary of Matter

Significant donations have been made to the LSU Foundation to establish an endowed chair and qualify for Board of Regents Support Fund (BoRSF) matching funds. The Louisiana Board of Regents Endowed Chairs for Eminent Scholars Program matches non-State contributions of at least \$600,000 with \$400,000 increments from the BoRSF.

LSU A&M is requesting approval to Augment an Endowed Chair based on the following donation:

Janice Harvey Pellar Endowed Chair (Augmented) - \$1,200,000

The Board of Supervisors previously approved the establishment of the Janice Harvey Pellar Endowed Chair in the LSU School of Music based on donations totaling \$600,000. Formal establishment is now being sought for the augmented Janice Harvey Pellar Endowed Chair based on additional donations of \$600,000, for combined total donation of \$1,200,000.

3. Review of Business Plan

N/A

4. Fiscal Impact

An additional \$600,000 in private donations will be eligible to be considered for a \$400,000 match via a competitive process.

5. Description of Competitive Process

The Board of Regents facilitates an annual competitive process whereby proposals for endowed chairs are reviewed by a panel of out-of-state consultants; final recommendations for match are considered by the Regents.

6. Review of Legal Documents

The LSU Foundation will prepare required affidavits of deposit and notarized assurances of compliance with BORSF policy.

Board of Supervisors

Request from LSU A&M to Convert the Freeport-McMoran Endowed Chair of Economics to Endowed Professorships

Date: April 25, 2025

1. Bylaw Citation

Pursuant to Article VII, Section 1. A. of the Bylaws of the Louisiana State University Board of Supervisors, this matter is a significant board matter.

- A. Any matter having a significant or long-term impact, directly or indirectly, on the finances or the academic, educational, research, and service missions of the University or any of its campuses

2. Summary of Matter

The Freeport-McMoran Endowed Chair of Economics exists as the result of private donations from Freeport-McMoran, Inc. in the amount of \$600,000, which was matched by the Board of Regents Support Fund in 1994. The \$1 million endowed chair has been vacant since 2019.

LSU A&M requests approval to convert the endowed chair by reestablishing it as two endowed professorships:

Freeport-McMoran Endowed Professorship of Economics #1 with a corpus of \$500,000
Freeport-McMoran Endowed Professorship of Economics #2 with a corpus of \$500,000

3. Review of Business Plan

The E. J. Ourso College of Business has conducted two national searches for a senior economics scholar. Both searches to fill the endowed chair were unsuccessful, and the College has realigned its hiring strategy to bring in two more junior faculty as opposed to one senior faculty. Splitting the existing endowed chair into two professorships will allow each new faculty member to be supported by the professorships.

4. Fiscal Impact

Each professorship will have an endowed corpus of \$500,000.

5. Description of Competitive Process

Matching funds were received in 1994 through a competitive process. The Board of Regents allows existing matched chairs to be converted to professorships provided each of the new professorships maintains an endowed corpus of \$250,000.

6. Review of Legal Documents

An amended donor agreement was signed between Freeport-McMoran and the LSU Foundation in 2024.

Board of Supervisors

Request from LSU Health Sciences Center - Shreveport to Approve School and Program/Departmental Name Changes

Date: April 25, 2025

1. Bylaw Citation

Pursuant to Article VII, Section 1, Paragraph A of the Bylaws of the Louisiana State University Board of Supervisors, this matter is a significant board matter.

- A. Any matter having a significant or long-term impact, directly or indirectly, on the finances or the academic, educational, research, and service missions of the University or any of its campuses.

2. Summary of Matter

Over the last few decades, the LSU Health Shreveport (LSUHS) School of Allied Health Professions (SAHP) has matured and added new programs, therefore a functional name change and contemporary language is proposed to better describe the school and to reflect these additional programs. In 2006, the school began offering the Master of Public Health, a joint degree program offered by LSUHS and LSUS, and in 2020, the PhD in Rehabilitation Science program was established. The school also partnered with LSUHSC-New Orleans School of Nursing in 2022 to provide for an off campus instructional site for nursing education.

The word "Allied" has been removed from other similarly situated schools and from national organizations representing these professions. A variety of reasons precipitated this development including recognition of the autonomy and professionalism of these healthcare disciplines and evolution of the healthcare landscape to be more collaborative, while acknowledging the advanced education, skills, expertise and unique identities of these professions. Adding the word "Sciences" describes the established scientific underpinning of each clinical discipline and is a better descriptor for recently added degree programs, including the PhD in Rehabilitation Sciences and the sciences of public health, such as epidemiology and biostatistics.

As such, LSUHS requests the following name change:

- Renaming the "School of Allied Health Professions" to the "School of Health Professions and Sciences".

Additionally, a proposed change in nomenclature for the functional units within the SAHP from programs to departments is requested. The SAHP in Shreveport was originally founded in 1977 as an expansion of the SAHP in New Orleans with small faculties and small cohorts of students. As the programs grew in size and stature, on March 25, 2004, the Louisiana Board of Regents granted approval for LSU Health Shreveport to establish a SAHP separate and distinct from New Orleans. The original academic departmental organization included just two departments, Clinical Sciences for the MLS, CPS, and PA programs and Rehabilitation Sciences for the PT, OT, and Communication Disorders programs, because each of the discipline-specific programs were less developed at the time. Each program has since reached a level of maturity where the label "department" more accurately reflects their current standing in size, rank and seniority level of

faculty members, clinical scope, and research. This change aligns with similar programs in New Orleans and acknowledges each discipline's increasing importance within healthcare and the academic institution. There are no current Chairs for the vestiges of the Departments of "Clinical Science" or "Rehabilitation Science" and in most cases, the current Program Director will become the Department Chair without any significant functional changes or expenses.

As such, LSUHS requests the following changes in academic nomenclature/structure:

- Rename the Program in Cardiopulmonary Science (CPS) to the Department of Cardiopulmonary Science to house the Bachelor's Degree Program in CPS, Advanced Degree Program in CPS, Bachelor's Degree Program in Cardiovascular Technology, and the Bossier Parish Community College Consortium Program.
- Rename the Program in Medical Laboratory Science to the Department of Medical Laboratory Science (MLS) to house the Bachelor's Degree Program in MLS.
- Rename the Program in Physician Assistant Studies to the Department of Physician Assistant (PA) Studies to house the Masters's Degree Program in PA.
- Rename the Program in Public Health to the Department of Public Health to house the LSUHS portion of the Master's Degree Program in Public Health.
- Rename the Program in Communication Disorders to the Department of Communication Disorders to house the Master's Degree Program in Communication Disorders - Speech-Language Pathology.
- Rename the Program in Occupational Therapy to the Department of Occupational Therapy to house the Doctoral Degree Program in Occupational Therapy.
- Rename the Program in Physical Therapy to the Department of Physical Therapy to house the Doctoral Degree Program in Physical Therapy.
- Maintain the Department of Rehabilitation Sciences to now house the PhD Program in Rehabilitation Sciences.
- Eliminate the Department of Clinical Sciences.

3. Review of Business Plan

N/A

4. Fiscal Impact

No immediate, direct, material fiscal impact is expected. Name and logo changes will result in stationery and advertising materials to change; however, these changes are financially insignificant and will be gradual over time. Any cost resulting from the name changes will be covered directly from the respective school/department operating funds.

While the long-term impact cannot be calculated, these changes will ultimately produce positive results as resources are more aligned with strategic goals, as prospective students have a better understanding of where degree programs are housed, and as departments and the school continue to expand their offerings.

NOW, THEREFORE, BE IT RESOLVED that the Board of Supervisors of Louisiana State University and Agricultural and Mechanical College does hereby approve the request from LSU Health Shreveport to rename the following school and programs:

- a) Rename the "School of Allied Health Professions" to the "School of Health Professions and Sciences" and;
- b) Rename the Program in Cardiopulmonary Science to the Department of Cardiopulmonary Science, and;
- c) Rename the Program in Medical Laboratory Science to the Department of Medical Laboratory Science, and;
- d) Rename the Program in Physician Assistant Studies to the Department of Physician Assistant Studies, and;
- e) Rename the Program in Public Health to the Department of Public Health, and;
- f) Rename the Program in Communication Disorders to the Department of Communication Disorders, and;
- g) Rename the Program in Occupational Therapy to the Department of Occupational Therapy, and;
- h) Rename the Program in Physical Therapy to the Department of Physical Therapy, and;
- i) Eliminate the Department of Clinical Sciences

Board of Supervisors

Request from LSU A&M to Name a Room in the School of Music

Date: April 25, 2025

1. Bylaw Citation

Pursuant to Article VII, Section 1, Paragraph A of the Bylaws of the Louisiana State University Board of Supervisors, this matter is a significant board matter.

- A. Any matter having a significant or long-term impact, directly or indirectly, on the finances or the academic, educational, research, and service missions of the University or any of its campuses.

2. Summary of Matter

H. L. "Sonny" Hill, Jr. received his Bachelor of Music Education degree from LSU. Mr. Hill has had a lasting impact on generations of musicians, including many LSU alumni, and his mentorship was an inspiration that shaped the lives and careers of countless musicians. Mr Hill's influence extended beyond the trumpet, guiding talented students of all instruments to LSU and helping them thrive in music and beyond.

In recognition of the profound role Mr. Hill has played in shaping LSU's musical tradition, the LSU College of Music & Dramatic Arts requests the naming of the Sonny Hill Trumpet Studio in his honor. As a teacher, mentor, musician, and LSU alumnus, Mr. Hill instilled in his students not only technical excellence but also a passion for their craft and a deep love of learning. Naming this space in Mr. Hill's honor is a fitting tribute to a man whose legacy will continue to inspire future generations.

Board of Supervisors

Request from LSU A&M to Offer the Master of Science in Computer Science 100% Online

Date: April 25, 2025

1. Bylaw Citation

Pursuant to Article VII, Section 1, Paragraph A of the Bylaws of the Louisiana State University Board of Supervisors, this matter is a significant board matter.

- A. Any matter having a significant or long-term impact, directly or indirectly, on the finances or the academic, educational, research, and service missions of the University or any of its campuses.

2. Summary of Matter

LSU A&M requests to offer the Master of Science in Computer Science in an additional online modality. The degree provides students with strong foundational knowledge in computer science, while offering the opportunity to specialize their skills. The degree has multiple specializations that students can choose: AI, Cybersecurity, and Software Engineering. The offering of an online modality for the program represents a strategic opportunity for graduate degree access, enrollment growth, and revenue generation.

3. Review of Business Plan

Initial enrollment in Year 1 is estimated at 25 new students, with anticipated annual increases leading to a total enrollment of approximately 128 students by Year 5. Additionally, many courses in this online program will be taught by the on-campus, full time faculty, so online students will be learning from the same faculty as in-person students. The faculty for this program will work with LSU Online's course design and development team to ensure the online courses comply with the online course quality and accessibility standards.

4. Fiscal Impact

Financial projections indicate a sustainable model, contingent upon appropriate allocation of resources for faculty, technology infrastructure, and student support services to maintain program quality and competitiveness.

Board of Supervisors

Request from LSU Health Sciences Center in Shreveport to Approve the FY2026 Expenditure of Carroll W. Feist Legacy Funds for the Feist Weiller Cancer Center and to Make Determinations of Acceptable University Purposes

Date: April 25, 2025

1. Bylaw Citation

Pursuant to Article VII, Section 1L

I. Other Significant Matters

Such other matters that are not expressly delegated herein or hereafter by the Board to the President or a Chancellor and which reasonably should be considered to require Board approval as generally defined above, or which the Board hereafter determines to require Board approval.

2. Summary of Matter

The Feist-Weiller Cancer Center (FWCC) is an administrative component of the LSU Health Sciences Center - Shreveport (LSUHSC-S). LSUHSC-S requests approval by the LSU Board of Supervisors for expenditures of \$3,804,526 in Carroll W. Feist (CFeist) Legacy funds.

The Carroll W. Feist Legacy Account was established from the bequest of Carroll W. Feist to support cancer research at the Feist-Weiller Cancer Center at LSUHSC in Shreveport. As stipulated in the Second Addendum to the Affiliation Agreement between LSU Board of Supervisors and the LSU Health Sciences Foundation in Shreveport, a budget is required for the expenditure of Legacy Account funds with the budget to be approved by the Chancellor of LSUHSC in Shreveport and the President of the Louisiana State University. The matter is before the Board in accordance with the Second Addendum and related court order, which requires budget requests in excess of \$1,000,000 (one million dollars) to have Board of Supervisors review and approval.

The campus recommends that the requested funds provide support for programs in basic and translational research, clinical research, and cancer control and prevention. In particular, requests include funding for FWCC research infrastructure, enhanced support for clinical research needs, seed packages for faculty recruitment and expansion of space/equipment for patient related research efforts.

Pursuant to the Uniform Affiliation Agreement actions taken, particularly those involving transactions in the nature of capital expenditures must be found to have a university, rather than foundation, purpose.

3. Review of Business Plan

Re: Annual budget request from Carroll W. Feist Legacy funds for FY 2025 – 26

The Carroll W. Feist Legacy Account was established at the bequest of Carroll W. Feist to support cancer research at the Feist-Weiller Cancer Center (FWCC) at LSUHS in Shreveport. As stipulated in the Second Addendum to the Affiliation Agreement between the LSU Board of Supervisors and the LSU Health Sciences Foundation in Shreveport, a budget is required for the expenditure of Legacy Account funds with the budget to be approved by the Chancellor of LSUHS in Shreveport and the President of the Louisiana State University.

Feist-Weiller Cancer Center (FWCC) remains the only academic cancer center in North Louisiana. It cares for 50% of the geographic state, covering 1.6 million lives. FWCC has two major roles: the first is to advance cancer care and reduce the burden of cancer in North Louisiana, and the second is to develop research programs, faculty, and facilities that will lead to better and more innovative approaches to cancer prevention, diagnosis, and treatment. Over the last year, FWCC faculty have worked together to build a truly integrated cancer center to accomplish the directive needed for national recognition.

In Fiscal Year 2024-25, Feist-Weiller Cancer Center invested in infrastructure services that advanced cancer related research. Cancer Center programs like FWCC's Precision Medicine continued their sequencing efforts with the \$1.7 million grant from the Eli Lilly corporation obtained by Dr. Ellen Friday to fund the sequencing of any of our patients recently identified with newly diagnosed malignancy. This activity is ongoing, and the accrual rate is brisk. With the upcoming end of this contract, our CLIA approved Precision Medicine lab will be primarily commercialized with the updated insurance billing changes as well as strategic planning. We will be working with Dr. Zhai and the department of Pathology to take over some of their cases they send out to other institutions. In a collaborative research effort, the genomics lab is supplying data to Dr. Arrigo De Benedetti for his prostate cancer research project focusing on healthcare disparities. Additionally, the cancer center's tissue repository is now actively banking new tissues for cancer research. Dr. Omar Franco is creating cell lines from the new tissue. Of note, cell lines are for current and future cancer research.

Our community outreach program, Partners – in – Wellness (PIW) is a service and research-oriented organization bringing cancer screening to twenty-seven (27) parishes in North Louisiana. This year our new mobile van outfitted for cancer screenings pertaining to breast, cervical and colon has been busy. Our community outreach programs have grown substantially, with increased participation and engagement. We have successfully conducted numerous screening events, reaching a broader audience and raising awareness about cancer prevention and early detection. The mobile mammography service is contributing to a large national NIH sponsored research trial testing two different technologies in screening for early breast cancer. There are new research projects examining the barriers to cervical cancer screening in underserved populations of rural North Louisiana. Of note, the program was successful in securing new sources of income such as a grant from the Dak Prescott Foundation that initiated colon cancer screenings by using the Guardant Shield blood test to patients in the rural areas of northern Louisiana. This generous support will enable us to expand our colon cancer screening programs, reaching more individuals, and potentially saving countless lives through early detection. Another significant achievement is obtaining a grant from the American Cancer Society. This funding will enhance our cervical cancer screening initiatives, ensuring that more women have access to vital preventive

care. Dr. Jerry McLarty was awarded this grant from the American Cancer Society (ACS) to provide HPV testing and pap smears as needed to patients located in rural areas via the mobile van.

The FWCC Clinical Research group has been highly active participating in the national TMIST (Tomosynthesis Mammographic Imaging Screening Trial) in the detection of early breast cancer. Of note, our site is one of the top performing sites in the country as well as the top minority accrual site in the US. We are thrilled to announce the addition of Dr. Shashank Cingam as our new Director of Leukemia and Bone Marrow Transplant. Dr. Cingam brings a wealth of experience and expertise in cellular therapy research. Under his leadership, the cancer center will make groundbreaking advancements in this critical field. Dr. Cingam will be heading our innovative cellular therapy research initiatives which will undoubtedly propel our research efforts to new heights, offering hope and improved treatment options for patients with leukemia and other hematologic conditions. Our clinical research team has achieved remarkable success with the Sickle Cell GRNDaD Registry and has garnered national recognition, highlighting the exceptional work of our clinical research team. This accolade is a testament to the hard work, collaboration, and innovative spirit that defines our research efforts. This achievement reflects our commitment to excellence and our dedication to improving the lives of individuals with sickle cell disease. The FWCC continues to support participation of experts in cancer conferences, adding to the quality of patient care, as well as a visiting professorship for basic science cancer research that broadens the education of students, residents, fellows, and faculty. Additionally, we provide substantial support to two basic science researchers working on cancer research. Investing in their work gives them the support needed to be competitive when applying for federal grants.

The following FY26 budget request will provide support for continuing programs: Basic and Translational Research; Clinical Research; and Cancer Control and Prevention, including enhanced support for clinical research needs, seed packages for faculty recruitment and retention, and expansion of space/equipment for cancer related research efforts. In addition, we will support the core facilities needed to facilitate research.

A detailed explanation of the budget items follows the budget summary.

BUDGET REQUEST SUMMARY

1. Administrative Supplements		\$589,336
2. Seed Packages		\$422,662
i. Dr. Omar Franco	\$228,288	
iii. Dr. Tarek M. Mohamed	\$134,174	
iv. Dr. Ana Dragoi	\$60,200	
3. CORE / Infrastructure		\$646,000
i. Equipment related expenses	\$265,000	
ii. Tissue/Serum Repository Core	\$200,000	
iii. INLET	\$90,000	
iv. CMTV Genomic Core	\$80,000	
v. Flow Core	\$11,000	
5. Clinical Research Programs		\$1,023,300
i. Clinical Trials Office	\$923,300	
ii. Precision Medicine/Genomic Sequencing	\$100,000	
6. Basic/Translational Research Programs		\$20,000
i. Epigenetics in Cancer Focus – Dr. Gross	\$20,00	
7. Partners In Wellness Community Outreach		\$350,000
8. Visiting Scientist Program		\$60,000
9. Faculty, Staff /Trainee Research Support		\$60,000
10. Cancer Research Recruitment		\$633,228
Total Budget Requested:		\$3,804,526

Details of Budget Request

1. ADMINISTRATIVE SUPPLEMENTS– BUDGET REQUEST \$589,336

To provide core services at Feist-Weiller Cancer Center, the following faculty receive administrative supplemental pay for their various duties and services:

Dr. Richard Mansour – Interim Director FWCC
Dr. Gary Burton – Assoc. Dir. Clin Trials
Dr. Connie Arnold – Research & Development
Dr. Andrew Yurochko – Assoc Dir Basic Science Research
Dr. Ellen Friday – Genome/Biorepository
Department of Pathology – Med Dir. Genome Seq Lab
Dr. Ana Dragoi – INLET Director
Dr. Rona Scott – Scientific Director
Dr. Nayanatara Swamy – Breast Radiology
Dr. Tyler Plauche – Breast Radiology
Dr. Glenn Mills – Dir BMT & Genome Labs, PIW Med Dir
Dr. Guillermo Sangster – CT/MRI reads for tumor bd/studies
Dr. Deborah Smith – PIW grant writer/researcher
Dr. Shashank Cingam - Director of Stem Research in BMT Lab

2. SEED PACKAGES AND NEW FACULTY HIRES SUPPORT – BUDGET REQUEST \$422,662

To recruit top-notch faculty, we must offer seed packages to enable them to establish a research program/laboratory. Seed packages range from \$50,000 – \$400,000 a year depending on the seniority of the faculty and the prior success of their research program. Currently the renewal of NIH/NCI grants is extremely competitive and frequently results in faculty having a lapse of funding. Recent federal regulations have caused grant status' to be uncertain. Therefore, retention of faculty who have a proven record of grant funding during this interim period between grants is critical to retaining these established investigators. FWCC has committed to contributing to their seed funding. This includes seed packages for an Assistant Professors (MD, PhD) and NCI funded Associate professor (MD, PhD).

Dr. Omar Franco	\$228,288
Dr. Tarek Magdy	\$134,174
Dr. Ana Dragoi	\$60,200

3. FWCC INFRASTRUCTURE AND RESEARCH CORE – BUDGET REQUEST \$646,000

A Cancer Center's ability to be nationally recognized is elevated by the resources and cores. These core support advanced technologies help accelerate discoveries by our research community. To be competitive and accelerate new discoveries, the FWCC must invest in state-of-the-art technologies and equipment. These shared resources also allow us to attract and recruit top talent. Last year, FWCC made a substantial investment in state-of-the-art equipment to support its already established core and to open new FWCC research cores to support the research community.

Programs Supported by FWCC:

Feist Weiller Cancer Center supports several Research Cores performing critical cancer research. FWCC has purchased equipment, supplies, and provided financial support in the following core programs:

- **The Research Core Facility** at LSU Health Shreveport provides investigators, post-doctoral fellows, and graduate and undergraduate students with access to a wide variety of research services, educational and training opportunities, and state-of-the-art technologies. These technologies include cellular metabolism, flow cytometry, laser capture microdissection, mass spectrometry, microarray, fluorescence, confocal, and super resolution confocal microscopy, next generation sequencing, and real-time PCR.
- **The Genomics Core** at LSU Health Shreveport offers comprehensive services and support for state-of-the art 'omics' experiments.
- **The Mass Spectrometry (MS) Core** in the LSU Health-Shreveport Research Core Facility provides efficient and cost-effective proteomics and metabolomics-based services for research investigators. For protein analysis, our principal approach is bottom-up proteomic.
- **The Microscopy Imaging Core** is a shared user facility that provides access to advanced microscopes as well as the expertise of dedicated imaging specialists.
- **The Feist-Weiller Cancer Center Tissue and Serum Repository (TSR)** supports research by insuring investigators have access to quality tissue and body fluid specimens annotated with appropriate clinical, pathologic and outcome data to facilitate their research.
- **The FWCC Innovative North Louisiana Experimental Therapeutics Program (INLET)** is a high-throughput high-content screening (HTS) facility focused on the discovery and development of drugs targeting cancer and other diseases.
- **The Immunophenotyping Core** provides investigators with experienced personnel that can execute immunophenotyping experiments related to both flow-cytometry and microscopy to advance understanding of the contribution of immunology and inflammation to disease progression.
- **The Department of Cellular Biology and Anatomy Morphology Core Facility.** The facility has all the equipment necessary for the preparation, sectioning, and staining of electron microscopy.
- **The Small Animal Imaging Facility (SAIF)** provides access to multiple technologies and resources to support the research community including PET/ CT and IVIS CT for three-dimensional cross-sectional imaging of small animals.

We identified two top priority cores for expansion which are the foundation of all cancer research. These two cores are: 1) Annotated Tissue and Serum Repositories and 2) Bioinformatics and Data Science cores. This year's budget request will support present cores and to expand and support new cores identified by the scientific group as top priorities this year.

Equipment, Service contract, and replacement	\$265,000
FWCC Tissue and Serum Repository	\$200,000
INLET	\$ 90,000
Translational Genomic Core	\$ 80,000
FWCC Flow Core	\$ 11,000

TISSUE AND SERUM BIOREPOSITORY SUPPORT – BUDGET REQUEST \$200,000

Our Biorepository is continuing to grow. The budget will be used to support the acquisition of new equipment, supplies, the travel of key personnel to national meetings related to biorepositories, additional technician support salaries, renovations as needed and any other unforeseen expenses. The Feist – Weiller Cancer Center Biorepository serves to collect, process, store, and manage specimens collected under IRB approved protocols for future research. In addition, the biorepository offers core histology services (tissue processing, embedding, sectioning, and staining), nucleic acid isolation, whole slide scanning and specimen storage agreements. The biorepository will increase collections by the addition of specimens banked for future ctDNA isolation and services by offering cryosectioning and slide imaging for 10X genomics Visium platform. The added budget this year is to extend the tissue bank infrastructure to offer a searchable catalogue for researchers. The goal will also be to set up a system of universal consent so that all cancer related tissue collected is available for researchers.

In 2024 the biorepository consented fifty-eight (58) patients resulting in forty-five (45) specimen collections in collaboration with physician/surgeons from Department of Surgery, Department of Neurology and Department of Urology. Use of biorepository material, data and/or letters of support resulted in two (2) manuscripts, two (2) presentations and three (3) grant applications.

INNOVATIVE NORTH LOUISIANA EXPERIMENTAL THERAPEUTICS (INLET) PROGRAM AND CORE – BUDGET REQUEST \$90,000

The Feist-Weiller Cancer Center's (FWCC) **Innovative North Louisiana Experimental Therapeutics program (INLET)** is a high-throughput high-content screening (HTS) facility focused on the discovery and development of a wide range of drugs and genetic targets that affect human diseases including cancer, fungal, bacterial, and viral infection, neurological disorders, and cardiovascular disorders. INLET is affiliated with the Research Core Facility. This budget is required for the following: **personnel salary** (salary for one Research Associate to be paid partially from the INLET budget); **service contracts and maintenance** for Incucyte ZOOM, Incucyte S3 and Cellomics VTI; **computer software** for the Incucyte Systems as necessary and requested by the PIs; data storage **hardware**; **laboratory supplies** for projects support.

During FY 2024-2025, INLET assisted seventeen (17) laboratories in LSU Health-Shreveport. Of note, a total of 22,880 hours of live microscopy were acquired on both live-imaging Incucyte platforms. In addition, the plate readers in INLET were used for 323 experiments, including 2713 hours of kinetic reads. As reported by the PIs using the INLET facility, work performed in the INLET assisted in the submission of eight (8) grants (intramural and NIH) and contributed to eight (8) papers published/submitted by LSU Health-Shreveport faculty.

TRANSLATIONAL CMTV GENOMIC CORE – BUDGET REQUEST \$80,000

Technological advances that generate “big” data have heralded an ‘omics revolution. Genetic changes and interactions in response to any stimuli can be queried simultaneously for an entire genome/proteome rather than gene-by-gene or protein-by-protein. These technologies have been applied to understand diverse biological questions, including those in the field of cancer immunology. This budget is required for personnel salary, salary support and supplies.

FWCC FLOW CORE – BUDGET REQUEST \$11,000

This core provides instrumentation and expertise to LSU Health Shreveport investigators – and the surrounding biotech community – in a broad range of basic and medical science disciplines. Samples are prepared by individual investigators, who then deliver samples to the Core for flow cytometric analysis or cell sorting. This budget serves as a supplement for Dr. Omar Franco’s research initiative (translational studies on Prostate cancer research to better understand the molecular targetable mechanisms that drive carcinogenesis and cancer progression).

4. CLINICAL RESEARCH PROGRAMS – BUDGET REQUEST \$1,023,300

The Clinical Research Office provides support for clinical researchers participating in NCI sponsored clinical trials as well as investigator initiated and pharmaceutical trials. The role of cancer clinical research is to develop effective innovative therapies and to further disease understanding that will improve patient’s lives in addition to expanding scientific knowledge. For the Feist-Weiller Cancer Center to achieve its potential as a cancer research center, we will need to leverage the institution’s resources, attract talented investigators, promote a culture that nurtures and supports investigators, and provide the resources to promote participation in clinical research. The FWCC has one of the largest Clinical Research operations at LSUHSC-S. FWCC participates in consortiums that support the state of Louisiana. The Gulf South Minority Based NCORP is a consortium of cancer investigators at LSUHSC-NO Stanley Scott CC, Mary Bird Perkins CC, Ochsner Benson CC and the FWCC at LSUHSC-S. We are the most successful Minority Based NCORP in the Country, annually registering over 800 patients to national trials of the NCI/NCORP, more than any other cancer group in the country. We have worked to expand our NCI/NCOPR funded trials. FWCC is one of the top centers to accrue patients to the Gulf South Minority Based NCORP. This year the focus of our clinical trials is to expand our investigator initiated clinical trial (IIT) portfolio and our precision medicine platform.

Cancer care and research is entering a new era – one of **Personalized Oncology or Precision Medicine**. The cornerstone of precision medicine is the ability to sequence human tumors to be able to identify new targets when standard therapy is not enough. FWCC runs one of Louisiana’s only CLIA approved human sequencing cores allowed to identify new targets. This core can identify nearly 500 known targetable human mutations for innovative trials. Thus, we can rapidly predict what targeted or chemotherapy drug or combination of drugs may have benefit in fighting that patient’s cancer. This technology allows us to design clinical research protocols that will specifically target these mutations. We are combining our research results on these cancers with drug screenings in the INLET program (see below under cores) to find new agents to treat cancer. In 2024, the lab received and processed 301 orders for next generation sequencing (NGS). The lab is in the final year of the 2-year Lilly contract/grant: Analysis of the Effects of Next-Generation Sequencing on The Identification of Targetable Alterations and Patient Outcomes in a Traditionally Underserved Patient Population.

This year’s budget is strategically prepared to support the Associate Director of Clinical Research to oversee and expand our precision medicine clinical research activities with a focus on expanding our IIT portfolio. The requested amount will also support research associate salaries, equipment maintenance, travel related to meetings and training, supplies, computer software, networkable hard drives, new equipment, and other unforeseen expenses related to cancer genome research.

Clinical Trials Office	\$923,300
CLIA Cancer Genomics Lab	\$100,000

5. EPIGENETICS IN CANCER FOCUS GROUP – BUDGET REQUEST \$20,000

Dr. David Gross’ Focus Group researches the conviction that chromatin – with its dynamic regulation and virtually limitless epigenetic complexity – significantly impacts upon gene transcription and DNA repair in cancer cells, thereby promoting cellular proliferation, invasiveness and metastasis characteristic of the malignant

state. Specifically, they will support salaries, travel to meetings and training, supplies, computers, software, networkable hard drives, equipment maintenance/repair, new equipment, gasoline & other unforeseen expenses.

6. PARTNERS IN WELLNESS (PIW) SUPPORT – BUDGET REQUEST \$350,000

PIW is our cancer screening and prevention research program. This group has expanded their research focus to include cancer care and delivery. The program now offers two mobile vans that serve over forty (40) locations in North and Central Louisiana. Cancer screening services offered include breast cancer screening using digital tomographic mammography and ultrasound, cervical cancer, prostate cancer, colorectal, lung and Head & Neck screening. Screenings are offered to individuals regardless of their ability to pay with free screening for those residents of our state without resources or insurance. Last year, the State and LSU supported a new mobile unit. This new van will extend our mobile capabilities to include diagnostic imaging and remote biopsy. Specifically, we will support salaries (including a grant writer), travel to meetings and training, supplies, computers, software, networkable hard drives, equipment maintenance/repair, new equipment, gasoline & other unforeseen expenses.

The grant writer will research, identify, and apply for all private and public funded grants that will aid in the potential funding of Feist-Weiller Cancer Center programs and initiatives. With their expertise, a grant writer can craft compelling and persuasive grant proposals that align with the priorities of funding organizations.

In 2024, this program was awarded the LSUHSC-New Orleans/American Cancer Society Improving Cervical Cancer Prevention in Louisiana (PASD-Team-23-1076339-01-PASD) Subaward-\$468,961; Dak Prescott Faith Fight Finish Foundation \$125k to provide Guardant Shield Screenings.

7. VISITING SCIENTIST PROGRAM – BUDGET REQUEST \$60,000

The FWCC sponsors a visiting scientist program. Leading scientists in various fields of cancer research will be invited to visit our campus and deliver seminars in their area of expertise. They will also meet with the faculty on an individual basis to facilitate collaboration and growth in knowledge of cancer research processes and to develop collaborative research ideas. Funds will be used for an honorarium, travel expenses and faculty/guest dinner expenses. External advisors to the FWCC will also be funded with these dollars.

8. FWCC FACULTY, STAFF/TRAINEE RESEARCH SUPPORT – BUDGET REQUEST \$60,000

FWCC Faculty, Staff and Trainee Research Support to include travel to national meetings to present research results, visiting professorships other than those listed above, travel to obtain research training, or to be involved in development of new research projects, publication costs, new cancer related research equipment training needs and other unforeseen expenses related to cancer research.

9. RECRUITMENT FOR CANCER RESEARCH – BUDGET REQUEST \$633,228

Recruitment, salary plus benefits, and seed packages to establish laboratories for new cancer research scientists.

Request from LSU A&M Regarding the LETC Building

Date: April 25, 2025

1. Bylaw Citation

Pursuant to Article VII, Section 1

- D. Transfer of Title of Immovable Property
- E. Leases raising significant policy questions

2. Summary of Matter

The proposal is to briefly extend the Cooperative Endeavor Agreement (CEA) with the LSU Research Foundation (LSURF) regarding the Louisiana Emerging Technology Center building (LETC). The result will be that the CEA will terminate on October 31, 2025 instead of June 30, 2025. At the expiration of the revised term, LSURF will donate the LETC building to LSU as originally contemplated. This will allow LSU to construct the improvements necessary to allow the Military Science program to occupy the LETC.

History and Process

In August 2003, the Board and the LSU Research and Technology Foundation (later transformed to be LSURF) entered into a lease and agreement for the construction of the LETC building on LSU campus at the northwest intersection of South Stadium and Parker Drives (the “Original Lease”). Construction of the LETC, which is owned by the LSURF, was performed in phases, with the final phase completed in November 2009. The Original Lease was amended several times.

In October 2019, this Board approved the current CEA between LSU and LSURF which amended and restated the Original Lease in its entirety, reallocating various obligations between the parties. This CEA was dated as of January 10, 2020.

Article XVI of the CEA provides that it will terminate on June 30, 2025, though it may be extended for additional terms of five year each by mutual agreement of LSU and LSURF. Upon termination, title to the LETC building will revert to LSU¹.

Current Tenants

As anticipated by the Original Lease and the CEA, LSURF has leased portions of the LETC building to certain LSU offices and to private tenants. The LSU tenants are currently in the process of moving out of the LETC to other locations on campus and elsewhere. Four private tenants have expressed a desire to continue to occupy their spaces until October 31, 2025.

Occupancy and Title

¹ Section 9.02(e) provides that LSURF “will take prudent care of the LETC Property [the land and the building] and return same to LSU at the termination or expiration of this Agreement, with the improvements thereon...”

Construction of the Military Science improvements in the LETC are funded by a state capital outlay appropriation. Because of this, title to the LETC building must be with LSU prior to the beginning of construction. Currently, construction is slated to begin in late October or early November 2025.

All tenants in the LETC have been given notice that they will no longer be able to occupy their locations after October 31, 2025.

The CEA Termination Amendment will extend the CEA date from June 30, 2025 to October 31, 2025, leaving all other terms and conditions unchanged. Thus, title to the LETC building will transfer to LSU on November 1, 2025, upon the termination of the CEA as amended. To memorialize this transfer of title, LSURF will execute a formal act of donation of LETC in early October 2025.

3. Review of Business Plan

LSURF will continue to receive rent from the tenants until they vacate their spaces. No private tenants will remain after termination of the CEA on October 31. Thereafter, LETC will be treated by LSU as an ordinary academic building located on its campus.

4. Fiscal Impact

LSU will absorb the cost of maintaining the LETC as an ordinary academic building.

6. Review of Legal Documents

The CEA Termination Amendment was drafted by the Office of Real Estate, Public Partnerships, and Compliance and reviewed by the Office of General Counsel. The Act of Donation will be a standard form document routinely used by LSU for such purposes and will be prepared and reviewed by the Office of General Counsel prior to execution.

RESOLUTION

NOW, THEREFORE, BE IT RESOLVED that the Board of Supervisors of Louisiana State University and Agricultural and Mechanical College does hereby authorize the President of LSU, or designee, to execute a Termination Amendment to that certain Cooperative Endeavor Agreement between the Board and the LSU Research Foundation dated as of January 10, 2020, along with any acts of donation or other documents and agreements related thereto, with such Termination Amendment, acts of donation, and other documents and agreements to include such terms and conditions as the President, in consultation with the General Counsel, deems to be in the best interests of the Board of Supervisors

**TERMINATION AMENDMENT TO COOPERATIVE ENDEAVOR AGREEMENT
WITH LSU RESEARCH FOUNDATION**

THIS TERMINATION AMENDMENT TO COOPERATIVE ENDEAVOR AGREEMENT WITH LSU RESEARCH FOUNDATION (“Termination Amendment”) is entered into as of the _____ day of May 2025,

BOARD OF SUPERVISORS OF LOUISIANA STATE UNIVERSITY AND AGRICULTURAL AND MECHANICAL COLLEGE (the “Board” or “LSU”), a public constitutional corporation organized and existing under the Constitution and laws of the State of Louisiana, domiciled in the Parish of East Baton Rouge, said State, appearing herein through the President of LSU, duly authorized and empowered by resolution of the Board,

and

LSU Research Foundation (“LSURF”), a Louisiana non-profit corporation, domiciled in the Parish of East Baton Rouge, herein appearing through and represented by the undersigned, its President,

provides as follows:

WHEREAS, Board and LSURF have previously entered into a Cooperative Endeavor Agreement, dated as of January 10, 2020 (the “CEA”), which provided for, among other things, the lease of land from LSU to LSURF for the construction and operation of the Louisiana Emerging Technology Center (“LETC”) building;

WHEREAS, LSURF and LSU mutually desire to amend the CEA to briefly extend the Term beyond the currently contemplated termination date, from June 30, 2025 to October 31, 2025:

NOW, THEREFORE, in consideration of the mutual covenants, conditions and agreements which follow, the parties agree to amend the CEA as follows:

Article XVI shall be replaced in its entirety with the following:

ARTICLE XVI

This Agreement began on the Effective Date and shall terminate on October 31, 2025, unless terminated earlier in accordance with the terms hereof. The termination date may be extended by written mutual agreement of the parties for additional periods of one month each; provided, however, in no event shall the term of this Agreement extend beyond December 31, 2025, inclusive of all extensions. Upon termination of this Agreement pursuant to the provisions of this Article XVI, the Foundation shall execute an Act of Donation, in form and substance acceptable to LSU, to memorialize the transfer of title to the LETC building to LSU effective as of the termination date.

IN WITNESS WHEREOF, the parties hereto have executed this Termination Amendment to Cooperative Endeavor Agreement as of the date first written above.

Board of Supervisors

Request from LSU A&M to Approve a Lease Agreement with the LSU Real Estate and Facilities Foundation for Renovation of the Music Recital Hall

Date: April 25, 2025

1. Bylaw Citation

Pursuant to Article VII, Section 1.

G. Capital Improvements. Any contract or series of related contracts for the construction, renovation, or other capital improvement of buildings or other immovable property of the Board where either:

1. the construction cost is projected to be greater than \$1 million.

2. Summary of the Matter

LSU A&M requests consideration and approval to lease portions of the LSU School of Music to Recital Hall LLC, a subsidiary of the LSU Real Estate and Facilities Foundation, for the purposes of constructing, renovating, and equipping approximately 5,585 square feet of the existing building for improvements to the recital hall and supporting spaces. The recital hall renovations (the "Project") will provide acoustic flexibility for a wide variety of performances, improved audio-visual capabilities, improved seating (approximate capacity of 206), and new MEP systems to service the renovated spaces at Recital Hall LLC's sole cost and in strict accordance with plans and specifications approved by LSU and applicable LSU policies and procedures.

The proposed lease would be effective as of April 25, 2025, or the date upon which all of the following have occurred, whichever is later: (a) the lease is executed and delivered by both parties; (b) all necessary approvals of the facility lease agreement, as required by applicable laws, are obtained; and, (c) plans and specifications have been approved and a notice to proceed has been authorized and issued in accordance with the terms of the lease. Recital Hall LLC will use commercially reasonable best efforts to complete the Project on or before March 1, 2026, and the lease will terminate no later than June 30, 2026, unless extended upon written consent by the President of LSU.

3. Review of Business Plan

Recital Hall LLC has sufficient accumulated funds and private contributions that will be used for paying costs for design and construction of the Project.

4. Fiscal Impact

The cost of the Project is currently estimated at an amount not to exceed Four Million Four-Hundred Thousand and 00/100 Dollars (\$4,400,00.00) including design, construction and related expenses. The estimated cost of the Project may be increased only with the written consent of Recital Hall LLC and the President of LSU. All costs and expenses shall be paid by Recital Hall LLC from private funds. The Improvements will be donated to LSU upon completion.

5. Description of Competitive Process

A construction manager at risk (CMAR) was selected by Recital Hall LLC using a competitive selection process. A Guaranteed Maximum Price Amendment will be executed with the CMAR following the acceptance of the CMAR's Guaranteed Maximum Price Proposal.

6. Review of Legal Documents

Before execution by the President, all legal documents will be reviewed by LSU for legal sufficiency and compliance with LSU policies, procedures and practices. Pursuant to the terms of the attached draft lease, the Board will grant Recital Hall LLC and its contractors rights of access and use of LSU property for the sole purpose of permitting the Project. Lease provisions include requirements that: construction must be at Rectial Hall LLC's expense; contractors must be licensed in Louisiana and provide labor and materials payment bonds for the full amount of the construction contract naming Recital Hall LLC and the Board; unless waived by the LSU Representative, contractors must provide specific insurance in certain minimum amounts naming the Board and Recital Hall LLC as additional insureds; and, Plans and Specifications must be approved by the LSU Representative prior to commencement of construction.

THIS FACILITY LEASE AGREEMENT FOR CONSTRUCTION (School of Music Recital Hall) (herein "*Lease*") is entered into as of the Effective Date, by and between,

BOARD OF SUPERVISORS OF LOUISIANA STATE UNIVERSITY AND AGRICULTURAL AND MECHANICAL COLLEGE, a public constitutional corporation organized and existing under the Constitution and laws of the State of Louisiana (the "*State*"), domiciled in the Parish of East Baton Rouge, State of Louisiana, appearing herein through, William F. Tate IV, in his capacity as President of LSU, duly authorized and empowered by resolution of said Board of Supervisors (hereinafter referred to as "*Board*"),

and

RECITAL HALL LLC, a limited liability company organized and existing under the laws of the State of Louisiana, domiciled in the Parish of East Baton Rouge, State of Louisiana, herein appearing through and represented by Robert M. Stuart, Jr., its duly authorized Manager (hereinafter referred to as "*Company*"),

provides as follows:

WITNESSETH

WHEREAS, LSU Real Estate and Facilities Foundation (the "*Foundation*") (i) is an organization described in Section 501(c)(3) of the Internal Revenue Code of 1986, as amended, the tax exempt purpose of which is to support LSU, its programs, facilities, and research and educational activities, and to support the LSU Foundation, and (ii) is the sole member of the Company;

WHEREAS, the business of the Company shall at all times be carried out and operated exclusively for the tax-exempt purposes of the Foundation;

WHEREAS, L.S.A. R.S. 17:3361, et seq. (the "*University Leasing Act*"), expressly authorizes Board to lease property to a nonprofit organization such as Company for the purpose of constructing structures thereon;

WHEREAS, Board is the owner of the immovable property and improvements and movable property thereon constituting the Recital Hall located at 102 School of Music Building, Baton

Rouge, Louisiana (the "*Recital Hall*"), which is operated by the LSU School of Music (the "*LSU School of Music*");

WHEREAS, Company desires to lease a portion of the building described on **Exhibit A** hereto (the "Building") for the purposes of constructing, renovating, and equipping a total area of approximately 5,585 square feet, including 2,672 square feet of recital space (with approximate seating capacity of 206) to be known as the "School of Music Recital Hall" (the "*Project*"), all at Company's expense and in accordance with design standards established by the Board, and Board desires to grant Company such a lease and limited rights of use and access in order to facilitate construction of such improvements; and,

WHEREAS, the Improvements will be donated by Company to Board upon completion of construction and acceptance by Board in accordance with the terms of this Lease;

NOW THEREFORE, in consideration of the mutual covenants, conditions and agreements which follow, the parties hereby agree as follows:

CERTAIN TERMS DEFINED

"*Applicable Laws*" refers to all laws, statutes, rules, regulations, ordinances, building codes, resolutions and orders of any Governmental Authority, including but not limited to applicable rules, regulations and architectural standards of the Board, applicable to the parties and substantially affecting the ability of the parties to meet their obligations hereunder; provided, however, that this definition shall not be interpreted as waiving protections granted to any party against future laws impairing the obligations of contracts between the parties and/or any third parties.

"*Architect*" refers to any architect or other design professional, including their permitted successors and assigns, engaged by Company to perform architectural or design services with respect to any phase of the design and/or construction renovation of the Improvements or any substitute or successor architect or other design professional engaged by Company.

"*Board*" or "*LSU*" refers to the Board of Supervisors of Louisiana State University and Agricultural and Mechanical College, including the LSU School of Music, and its successors and assigns.

"*Business Day*" or "*business day*" means a calendar day excluding Saturday, Sunday, and any Holiday.

"*Company*" means Recital Hall LLC, a Louisiana limited liability company the sole member of which is the Foundation, and its successors and assigns.

"*Construction Contract*" refers to one or more agreements for the construction of the Improvements entered into by and between the Company and the Contractor, including all amendments, modifications, exhibits, schedules, supplements and change orders to all such agreements.

"*Contractor*" refers to the contractor or contractors selected by Company to construct the Improvements and their permitted successors and assigns.

"*Effective Date*" refers to May 1, 2025, or the date upon which all of the following have occurred, whichever is later: (a) the most recent date this Lease is executed and delivered by each party hereto as indicated by the dates on the signature pages hereto; (b) all necessary approvals of this Lease, as required by Applicable Laws, are obtained; and, (c) the final Plans and Specifications have been approved and a Notice to Proceed has been authorized and issued in accordance with the terms of this Lease, including but not limited to Section 4.1(b).

"*Final Completion*," "*Finally Complete*" or "*Finally Completed*" means (a) the Architect shall have certified that the punch list for the Improvements has been satisfactorily completed and (b) the Improvements shall have passed any required final inspection by any appropriate Governmental Authority.

"*Force Majeure*" refers to any (a) act of God, lightning, hurricane, tornado, and other extraordinarily adverse and inclement weather, fire, explosion, flood, act of a public enemy, war, insurrection, riot or civil disturbance; (b) labor dispute, strike, work slowdown or work stoppage; and (c) any other similar cause or similar event beyond the reasonable control of the Company.

"*Foundation*" means the LSU Real Estate and Facilities Foundation, a Louisiana nonprofit corporation and an organization described in Section 501(c)(3) of the Internal Revenue Code of 1986, as amended, and its successors and assigns.

"*Governmental Authorities*" refers to any and all jurisdictions, entities, courts, boards, agencies, commissions, offices, divisions, subdivisions, departments, bodies or authorities of any nature whatsoever of any governmental unit (federal, state, county, parish, district, municipality, city or otherwise) whether now or hereafter in existence.

"*Holiday*" means any day which shall be a legal holiday in the State of Louisiana or for the federal government, or a day on which banking institutions in the State of Louisiana are authorized or required by law to be closed, a day on which LSU is required by law to close, or a day on which LSU is authorized to close and is closed.

"*Improvements*" means the School of Music Recital Hall as constructed in accordance with the Plans and Specifications and the terms of this Lease.

"*Lease*" means this Facility Lease for Construction dated the Effective Date between the Board and the Company, as amended, modified or supplemented from time to time.

"*LSU Construction Monitor*" one or more persons designated and authorized from time to time by the LSU Associate Vice President for Facilities and Property Oversight to monitor Company's construction progress during the construction phase of the Improvements or any other Work who shall be either a licensed architect or a licensed engineer. The initial LSU Construction Monitor shall be LSU's Director of Planning, Design and Construction.

"*LSU Representative*" refers to any of the following: (1) the President of LSU; (2) the Executive Vice President for Finance and Administration and Chief Administrative Officer of LSU or successor official; (3) the Associate Vice President for Facility and Property Oversight; or (4) any other designee of the President. With respect to matters involving construction and design, including, without limitation, approvals of Plans and Specifications, Construction Contracts, Change Orders, Notices to Proceed, Punch Lists, and Substantial Completion, the term LSU Representative shall refer to the LSU Associate Vice President for Facility and Property Oversight.

"*LSU Rules and Regulations*" refers to all current and future rules, regulations, procedures and directives promulgated by or pursuant to authority granted to LSU.

"*OFPC*" means the Office of Facility Planning and Control of the Division of Administration of the State.

"*Payment and Performance Bonds*" refers to payment and performance bonds required in connection with performance of the Work and described in Section 4(D) hereof.

"*Plans and Specifications*" refers to one or more sets of final plans and specifications, including any amendments thereto, for design of the Improvements, materials selection and method of construction for the construction of the Improvements and for all Work related thereto, which have

been approved, in writing, by the LSU Representative.

"*Project*" means the construction and equipping of the Improvements.

"*Punch List*" refers to a list prepared by the Architect and approved by the LSU Construction Monitor and the LSU Representative, which sets forth those items of Work to be completed following Substantial Completion, prior to final acceptance.

"*Substantial Completion*" refers to the date or dates on which (a) the Architect or other official has certified to Company that the Work (or, if approved by the LSU Construction Monitor and the LSU Representative, any portion of the Work) has been completed substantially in accordance with the Plans and Specifications, subject to customary punch list items remaining to be completed, (b) the LSU Construction Monitor and the LSU Representative have given written approval of the Architect's certificate, which approval shall not be unreasonably delayed, withheld or conditioned, and (c) governmental certificates and approvals required to allow beneficial use and occupancy of the Improvements by the University have been obtained, including, but not limited to, a Certificate of Occupancy (whether temporary or final if applicable) and State Fire Marshal approval if required.

"*Work*" refers to all work and activities required to be undertaken by Company to design and construct the Improvements, including, without limitation, the transportation and storage of materials, the securing of work sites and staging areas, the design, planning and construction of the Improvements and all necessary utility placements, relocations, tie-ins and upgrades.

"*State*" means the State of Louisiana.

"*University Leasing Act*" means L.S.A. R.S. 17:3361, et seq., as amended.

"*Warranty Commencement Date*" has the meaning assigned thereto in Section 6.2 hereof.

ARTICLE 1 AGREEMENT TO LEASE

For and in consideration of the covenants made herein and other good and valuable consideration, Board hereby leases the Building to Company, and hereby grants to Company such rights of use and access as are necessary for Company to perform the Work. Unless otherwise agreed to in writing by Company and Board, this Lease, including all rights of use and access for construction

purposes, shall terminate upon the earlier of; (a) termination of this Lease in accordance with the provisions hereof; (b) donation of the Improvements to Board as provided for herein; or (c) June 30, 2026. The foregoing notwithstanding, the parties, with the prior written consent of the LSU Representative, may extend the term of this Lease from month to month as necessary to achieve Final Completion and final acceptance of the Improvements.

ARTICLE 2
AGREEMENT TO CONSTRUCT AND DONATE IMPROVEMENTS

Company agrees to construct the Improvements in accordance with the Plans and Specifications and to donate the Improvements to Board after Final Completion in accordance with Article 6 hereof. It is estimated that the total cost to design and construct the Improvements, will not exceed Four Million Four-Hundred Thousand and 00/100 Dollars (\$4,400,000.00), all of which shall be paid by Company from accumulated funds and private contributions. The amount estimated for costs and expense may be increased with the written consent of Company and the LSU Representative, subject to the requirements of Subsections 4.1(a) and 4.1(j) hereof.

ARTICLE 3.
USE OF PREMISES

Company may use the Building only for construction of the Improvements. Company shall not use the Building for the sale, distribution, storage, transportation or handling of petroleum or other similar synthetic products. Company shall not make any use of the Building in violation of any Applicable Laws and shall not permit any contamination or pollution on or about the Building or increase the fire or insurance hazard by any use thereof. Before beginning any construction on the Building, Company shall obtain any permits required by the State of Louisiana, the Parish of East Baton Rouge and the United States of America or any of their subdivisions or departments. Company shall not install or otherwise place storage tanks in or on the Building without the LSU Representative's prior written consent which, in addition to any other conditions required by the LSU Representative, shall be subject to the condition that any such tanks shall be located on a concrete slab and shall be surrounded by a retaining wall that will retain the products stored in the tanks in the event of any spill, discharge, leak, overflow, or other release.

ARTICLE 4.
CONSTRUCTION

Section 4.1. At its sole cost and expense, Company shall construct the Improvements in a good

and workmanlike manner, in accordance with the following provisions:

(a) **Plans and Specifications/Change Orders.** At least thirty (30) days prior to commencement of any construction, proposed final plans and specifications approved by the LSU Construction Monitor shall be delivered to the LSU Representative for his/her review. The LSU Representative shall approve or disapprove such proposed final plans and specifications in writing within thirty (30) days of receipt thereof. Any request for change orders to the Plans and Specifications or to the Construction Contract shall be made to the LSU Representative, who shall approve or disapprove such request in writing within ten (10) Business Days of having received such request from the Company. If the LSU Representative fails to respond within such ten (10) Business Day period, it shall be deemed that LSU approves such changes. Any change in work and materials relating to construction of the Improvements which either (i) materially alters the exterior appearance of the Improvements, or (ii) materially alters the quality of materials or the interior appearance of any buildings forming part of the Improvements and costs more than Fifty Thousand and 00/100 Dollars (\$50,000.00), is subject to the prior review and written approval of the LSU Representative, which approval shall not be unreasonably withheld, delayed or conditioned. Company shall notify the LSU Representative in writing of any such proposed changes in work or materials and provide to the LSU Representative copies of the proposed changes, and the LSU Representative shall either approve or disapprove any such changes within seven (7) Business Days after receipt of such notice from Company. If the LSU Representative fails to respond within such seven (7) Business Day period, it shall be deemed that LSU approves such changes. Notification to the LSU Representative shall include copies of proposed change orders approved by the Contractor, the Architect, the Company and the LSU Construction Monitor, and shall further include sufficient information for the LSU Representative to make a determination whether to approve or disapprove such changes in the Work or materials. Complete copies of all final change orders shall be provided to the LSU Representative no later than the commencement of the Work represented by the change order, even if LSU Representative approval is not required. Changes in work or materials relating to construction of the Improvements not required to be submitted to the LSU Representative by this subsection (a) shall be submitted in writing (unless written submission is waived by the LSU Construction Monitor) to and received by the LSU Construction Monitor who shall either approve or disapprove any such changes within two (2) Business Days after receipt of such request and copies of the proposed changes from Company. If the LSU Construction Monitor fails to respond within such two (2) Business Day period, it shall be deemed that LSU approves such changes.

No change order to the Construction Contract which materially and substantially deviates from the Construction Contract as originally approved shall be implemented without the prior written consent of the LSU Representative.

(b) **Commencement and Completion of Construction.** Unless delayed by Force Majeure, at its own expense, Company agrees to: (i) commence the construction on or before May 20, 2025, or within thirty (30) days after the LSU Representative has given written approval to the notice to proceed, whichever is later; and (ii) make best commercially reasonable efforts to achieve Substantial Completion of all Work on or before February 28, 2026, but in any event to achieve Substantial Completion of all Work on or before March 31, 2026. No work shall commence until the LSU Representative has given written consent to the notice to proceed and written approval to the final proposed plans and specifications. The commencement and completion dates set forth herein may be extended by a written request issued by the Company and approved in writing by the LSU Representative.

(c) **Construction Contract.** The Work shall be performed on behalf of Company pursuant to the terms of the Construction Contract. Where appropriate, the Construction Contract and Payment and Performance Bonds shall be recorded properly with the Clerk of Court of East Baton Rouge Parish prior to commencement of the Construction. Company shall include a liquidated damages clause acceptable to the LSU Representative in the proposed Construction Contract. Board and Company hereby acknowledge the following, and, to the extent practically and legally possible, the Construction Contract and all subcontracts entered into by the Contractor shall acknowledge expressly that they have been informed of the following:

- (i) The Work will be performed solely and exclusively for Company.
- (ii) Company is a separate legal entity from Board. It is not acting as agent for Board, and Company has no authority to obligate Board to any extent whatsoever.
- (iii) Neither Board nor the State shall be liable, directly or indirectly, for the payment of any sums whatsoever or for the performance of any other obligation whatsoever arising out of the Work performed pursuant to this Lease.
- (iv) Company has no ownership interest in the Building on which the Work will

be performed. Any Improvements placed in the Building shall become property of Board upon completion of the Work. The Work shall not give rise to any rights against the Building or Board.

(v) It is understood and agreed that the Board and its members, employees and agents, including, but not limited to, the LSU Representative and the LSU Construction Monitor, shall owe no legal duty to or assume any liability or responsibility to any party as a result of or in connection with any consent, approval or review given or undertaken in connection with the Work. No party shall infer, based on any consent, approval or review given or undertaken by the Board, its members, employees and agents including but not limited to the LSU Representative and the LSU Construction Monitor, agreement with or endorsement of the particular matter at issue; rather, such consent, approval or review shall only be deemed to indicate "no objection" to the particular matter at issue.

(d) **Payment and Performance Bonds.** Company shall require that the Contractor provide a performance and labor and materials payment bond(s) with a corporate surety authorized to do business in the State of Louisiana. Said bond(s) shall be for the greater of the full amount of the Contract Sum or the Guaranteed Maximum Price (each as defined and established in the Construction Contract). Both Company and Board shall be obligees under the bond(s).

(e) **Rights Concerning the Building During Construction.** To the extent necessary, Company and the Contractor shall have the right to occupy and use the Building, with reasonable ingress to and egress from the Building, during the term of this Lease and, with the prior written consent of the LSU Construction Monitor, shall fence or block off that area of the Building necessary to perform the Work in a safe and secure manner. Except for unknown or unforeseen and unforeseeable defects, Company assumes all responsibility for the condition of the Building during the term of this Lease. Company and the Contractor shall maintain Building and any improvement or construction thereon in a reasonably prudent manner at all times until the Work is accepted by the LSU Representative and donated to the Board. Board shall not be responsible for any maintenance or repairs to the Building or the Work during the term of this Lease. The LSU Construction Monitor and the LSU Representative and any other individuals authorized by the LSU Representative shall at all times have access to the Building and the exercise of all rights as owner except as otherwise provided herein, even those not specifically acknowledged herein. Company accepts the Building for the purposes herein outlined

without any warranty of title or recourse whatsoever against Board.

(f) **Access over Adjoining Property during Construction.** Board hereby grants to Company a servitude of access over and across such other property owned by Board only in so far as such is reasonably necessary for the Company to fulfill its obligations hereunder, provided, however, that (i) such access routes are approved in writing by the LSU Construction Monitor; and (ii) Company shall not unreasonably interfere with Board's (or Board's lessee's) use of such other property.

(g) **LSU Rules and Regulations; Access During Construction.** Company agrees that it will comply with all LSU Rules and Regulations with regard to all Contractors and personnel entering the Building for purposes of construction, which rules and regulations will be addressed at the pre-construction conference, and that it will secure, at its own expense, all necessary permits and licenses from all regulatory agencies or bodies. Company shall make these same requirements of the Contractor. At all times during construction, the LSU Construction Monitor, the LSU Representative and any individuals authorized by the LSU Representative shall have the right but not the obligation to enter the Building and review the Work to determine that it is being performed in compliance with the Plans and Specifications and in a good and workmanlike manner.

(h) **Signage.** Before erecting or placing any sign upon or in the Building or the Improvements, Company shall submit the design specifications of such sign to the LSU Construction Monitor for approval. Company may only erect or place signage in the Building or the Improvements if it has obtained the prior written approval of the University Construction Monitor.

(i) **Acceptance of Construction.** Company and Board agree to work together to identify and facilitate completion of all warranty and Punch List items within the first year following acceptance of the Work. Company will not accept any portion of the Work without the written approval of the LSU Representative. Board reserves the right to refuse to approve the acceptance of the Work unless monies equal to the value of the Punch List deficiencies are withheld by the Company and designated for payment to the Contractor only upon completion of the Punch List items. Upon donation of the Work by Company to Board, Company hereby agrees that, to the extent allowed by Applicable Laws, Company will assign or transfer to Board its right to enforce actions against the Contractor and/or the Architect arising out of the Work; provided, however, Company shall continue to be obligated to complete the Punch List items. Final payment shall not be made to the

Contractor until the LSU Representative agrees in writing that the Punch List items have been completed.

(j) **Funds for Construction.** At the LSU Representative's request, prior to the commencement of the Work, Company shall satisfy the LSU Representative that the total amount of money needed to complete the Work, has been collected or acquired by the Company and is dedicated to that use. At the LSU Representative's sole option, Company may be required to provide a letter of credit, a performance bond, or a dedicated escrow account to guarantee its performance.

(k) **On Site Construction Inspector.** If, in the LSU Representative's sole discretion, it becomes necessary, Company at Company's expense shall hire an on-site construction inspector or clerk of the works for full time supervision of the Work.

(l) **Inspection and Survey.** Company shall inspect the Building and arrange for any necessary boundary surveys, topographical surveys, soil borings and other site investigations at its expense. Company accepts the Building in its present condition.

(m) **No Liens; Release of Recorded Liens.** Company shall not suffer or permit any liens to be enforced against the Building or Board by reason of a failure to pay for any work, labor, services or materials supplied or claimed to have been supplied to Company or to anyone through or under the Company. If any such liens shall be recorded against the Building, Company shall cause the same to be released of record, or in the alternative, if the Company in good faith desires to contest the same, Company shall be privileged to do so, but in such case, Company shall promptly deposit with the Recorder of Mortgages of East Baton Rouge Parish a bond guaranteeing payment of any such liens and hereby agrees to indemnify, defend with an attorney of the LSU Representative's choice, and save Board harmless from all liability for damages occasioned thereby and shall, in the event of a judgment of foreclosure on said lien, cause the same to be discharged and released prior to the execution of such judgment.

ARTICLE 5. INSURANCE

Section 5.2. **Insurance Coverage Requirements.** Unless otherwise approved in writing by the LSU Representative, during the Work and prior to the donation of the Improvements to Board, Company shall maintain or require the Contractor to maintain the following:

(a) ***Builder's Risk Insurance.*** Contractor shall provide an "All Risk" builder's risk insurance policy, including but not limited to fire and extended coverage insurance, vandalism and malicious mischief, for not less than one hundred (100%) percent of the full replacement value of the Work or property destroyed to protect against any damage or loss during the Work and until final donation of the Improvements to Board and acceptance thereof. This policy shall be taken out prior to commencement of construction and discontinued upon final acceptance by Board of the donation. It shall run in favor of Contractor, Company and Board, as their interests may appear. The coverage shall include the Architect's fee for work required and reconstruction following a loss during construction. Written evidence of such insurance shall be provided to the LSU Representative prior to commencement of the Work.

(b) ***General Liability and Property Damage Insurance.*** Company and its Contractors, before commencing any Work, shall procure such comprehensive liability and property damage insurance, including insurance for the operation of motor vehicles, which will cover Company's, Board's and the Architect's legal liability arising out of the construction performed by Company or any of its contractors or subcontractors and by anyone directly or indirectly employed by either of them, for claims for damages for personal injury, including accidental death, as well as claims for property damage, including but not limited to damage to surrounding buildings, which may arise from operations for the construction of the Work, with minimum limits of liability of Two Million (\$2,000,000.00) dollars per occurrence and Five Million (\$5,000,000.00) dollars general aggregate. Company shall also require its contractors and subcontractors to have in full force and effect a policy of workmen's compensation and employer's liability insurance before proceeding with the construction under this Lease. Written evidence of such insurance shall be provided to the LSU Representative prior to commencement of the Work.

(c) ***Architect's Design, Errors and Omissions.*** Upon execution of this Lease, Company shall provide the LSU Representative with evidence that the Architect has procured architect's design, errors and omissions insurance coverage for the Work with minimum limits of liability of One Million (\$1,000,000.00) dollars per occurrence and Two Million (\$2,000,000.00) dollars aggregate with tail coverage for at least 3 years from the date of Substantial Completion, and Board shall be named as an additional insured on said policy.

(d) ***Automobile Liability Insurance.*** Automobile Liability Insurance covering liability

arising from the use or operation of any auto, including those owned and non-owned (Symbol 1), operated or used by the insured party under this Lease with minimum limits of \$1,000,000 combined single limit/each accident and no deductible in excess of \$5,000.

Section. 5.2. **Insurance Policy Requirements.** Unless otherwise approved by the LSU Representative in writing, the following requirements shall be applicable to insurance policies and coverages required pursuant to the terms of this Lease:

(a) ***Required Insurance Shall Be Primary.*** All insurance required hereby shall be primary as respects Board, its members, officers, employees and authorized agents. Any insurance or self-insurance maintained by the Louisiana Office of Risk Management and/or Board shall be excess and noncontributory of Company or any Contractors' insurance.

(b) ***Failure to Comply with Reporting Requirements.*** Any failure of the Company or Contractor to comply with reporting requirements of a policy required hereby shall not affect coverage provided to Board, its members, officers, employees and authorized agents.

(c) ***Application of Multiple Policies.*** The Company's and/or Contractor's insurance shall apply separately to each insured against whom a claim is made or suit is brought, except with respect to the policy limits.

(d) ***No Release.*** Neither the acceptance of the completed Work nor the payment therefor shall release the Company or Contractor or insurer from applicable obligations of the insurance requirements or indemnification requirements set forth herein.

(e) ***No Recourse.*** The insurance companies issuing the required policies shall have no recourse against Board for payment of premiums or for assessments under any form of the policies.

(f) ***Excess Insurance.*** Excess umbrella insurance may be used to meet the minimum requirements for the general liability and automobile liability only.

(g) ***Deductibles and Self-Insured Retentions.*** The Company and/or Contractor shall be responsible for all deductibles and self-insured retentions.

(h) ***No Special Limitations.*** The coverage required hereunder shall contain no special limitations (e.g. limitations beyond those that are normal and customary based on the

policy, coverage and activity insured) on the scope of protection afforded to Board, its members, officers, employees and authorized agents.

(i) ***Licensed Louisiana Insurers.*** All insurance shall be obtained through insurance companies duly licensed and authorized to do business in the State of Louisiana, which, to the extent available on commercially reasonable terms, bear a rating of A+:VI in the latest A. M. Best Co. ratings guide. If at any time an insurer issuing a policy hereunder does not meet the minimum A. M. Best Co. ratings, and such requirement has not been waived in writing by the LSU Representative, the Company and/or Contractor shall obtain a policy with an insurer that meets the A. M. Best Co., rating required and shall submit another certificate of insurance as required hereunder.

(j) ***Occurrence Based Policies.*** All insurance required hereunder, with the exception of Architect's Design Errors and Omissions policies, shall be occurrence coverage. Except as specifically permitted herein, claims-made policies are not allowed.

(k) ***Verification of Coverage.*** The Company shall furnish the LSU Representative with certificates of insurance reflecting proof of coverage required hereunder. The certificates for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates are to be received and approved by the LSU Representative before Work commences and upon any contract renewal thereafter. The LSU Representative reserves the right to request complete certified copies of all required insurance policies at any time. Said certificates and policies shall to the extent allowed by law provide at least a twenty (20) day written notification to the LSU Representative prior to the cancellation thereof. Upon failure of the Company to furnish, deliver and maintain such insurance as provided herein, and expiration of any applicable cure period, then Board may, but shall not be obligated to, obtain said insurance on behalf of the Company at the Company's commercially reasonable cost and expense. Failure by the Company to purchase and/or maintain, either itself or through its contractor(s), any required insurance, shall not relieve the Company from any liability or indemnification hereunder.

(l) ***Additional Insureds.*** The Company, Board and its members, officers, employees and authorized agents shall each be named as additional insureds on all policies required hereby.

(m) ***Additional Insurance.*** The LSU Representative may review Company's required insurance as stated herein at the time of renewal of the policies or at the time of a material

change, and the LSU Representative reserves the right to require reasonable additional limits or coverages to the extent available at commercially reasonable rates. Company agrees to comply with any such reasonable request by the LSU Representative or to allow reasonable changes or reductions in coverages.

(n) ***Blanket Policies.*** If any blanket general insurance policy of Company complies with the requirements of this Lease, such insurance shall fulfill the requirements set forth herein.

(m) ***Limitation on Liability.*** The insurance and other provisions of this Lease do not waive or abrogate, are not intended to waive or abrogate, and shall not be interpreted to waive or abrogate the limitation on liability established under La. R.S. 13:5106 for Board.

ARTICLE 6.

DONATION OF IMPROVEMENTS AND TITLE TO IMPROVEMENTS

Section 6.1. **Donation of Improvements.** Company agrees to donate the Improvements to Board after (a) final acceptance of all Work by Company and written approval by the LSU Representative of said final acceptance, and (b) the delivery to the LSU Representative of either (i) a clear lien certificate as to the Work, which certificate has been obtained from the proper parish clerk's office or (ii) evidence that any liens against the Improvements have been adequately bonded. Unless otherwise agreed to in writing by the LSU Representative and Company, the Work shall not be donated to Board until the events in both (a) and (b) of this paragraph have occurred; however, for good cause as determined by the LSU Representative in his sole discretion, the Work may be donated to Board following Substantial Completion subject to Company's obligation to satisfactorily complete any outstanding punch list items and satisfy any outstanding liens and payment obligations relating to the Work. If the Architect for the Work recommends final acceptance of the Work by Company, the LSU Representative shall not unreasonably refuse to approve final acceptance by Company. Unless otherwise agreed to in writing by the LSU Representative and Company, use and/or occupancy of the Improvements shall be prohibited until the Improvements have been donated by Company to Board.

Section 6.2. **Risk of Loss; Warranties.** Upon fulfillment of the conditions set forth in paragraph 6.1 hereof, the Improvements shall be donated to and title and ownership to said Improvements shall be transferred to and shall become owned by Board. Said donation shall occur concurrently with final fulfillment of the conditions set forth in paragraph 6.1, and, upon said donation, Company shall have no further responsibilities, obligations or liabilities with regard to

the completed Improvements, Building or the Work except as otherwise specifically set forth herein. Company shall bear the risk of loss with respect to the Improvements until acceptance of the donation by the LSU Representative; provided, however, Company's risk shall be limited to available insurance proceeds. Furthermore, prior to such donation, Company shall obtain guarantees and warranties from the contractor or contractors and suppliers of equipment, which guarantees and warranties shall be assigned to and shall run in favor of Board upon the donation of the Improvements, provided, however, Company itself shall make no warranty as to the condition of the Work.

Section 6.3. **Documentation; Recordation.** Upon fulfillment of the conditions set forth in Paragraph 6.1 hereof the parties agree to execute any and all documents necessary to effectuate the donation and the acceptance thereof on behalf of Board. The parties will record the donation and acceptance in the records of the parish in which Building is located.

Section 6.4. **Lease Termination.** Notwithstanding anything contained in this Lease, at all times Board shall have the absolute right to terminate this Lease on thirty (30) days' written notice to Company. Upon such termination either Board shall take title to the Improvements, or Board, at its option, may require Company to transfer all of its right, title and interest in this Lease, in any funds (subject to applicable donor restrictions and the terms of any valid and perfected liens, pledges and security interests) dedicated to complete the construction of the Improvements, and in the Improvements already constructed, to another nonprofit corporation or entity which meets the requirements of La. R.S. 17:3390, which is acceptable to Board, and which accepts the obligations of the Company hereunder.

ARTICLE 7. INDEMNIFICATION

Section 7.1. **Indemnification by the Company.** Company, for itself and for its successors, assigns, agents, contractors, employees, invitees, customers and licensees, agrees to indemnify, defend and to hold Board harmless against any loss for damages or injuries that may be suffered by Board or by any person, including but not limited to Company's agents, contractors, employees, invitees and licensees, to the extent such loss arises out of or is related to the Work, except with respect to acts or omissions by Board's members, officers and employees unless said members, officers and employees are acting at the direction or request of the Company, and Company agrees to defend Board with an attorney of Board's choice in any legal action against it and pay in full and satisfy any claims, demands or judgments made or rendered against Board, and to reimburse Board for any legal expenses, including attorney's fees and court costs, which may be incurred by

it in defense of any claim or legal action arising thereunder, but Company's costs and expenses incurred in fulfilling this indemnity and defense shall, to the extent allowed by Applicable Laws, be limited to insurance proceeds which are available for this purpose.

Section 7.2. **Indemnification by LSU.** To the extent permitted by Applicable Laws, Board, agrees to indemnify, defend and hold Company harmless against any loss for damages or injuries that may be suffered by Company or by any person including but not limited to Board's agents, contractors, employees, invitees, and licensees, except if any of such persons are acting at the direction or request of the Company, to the extent that such loss, damage or injuries arise out of or are related to the fault or negligence of Board, its members, employees, or officers, and Board agrees to defend Company in any legal actions against it and, to the extent allowed by law, pay in full and satisfy any claims, demands or judgments made or rendered against Company, and to reimburse Company for any legal expenses, including attorneys fees and court costs, which may be incurred by it in defense of any claim or legal action arising thereunder; provided, however, that Board's costs and expenses incurred in fulfilling this indemnity and defense shall be limited to proceeds from the Louisiana Office of Risk Management which are available for this purpose.

ARTICLE 8. TERMINATION

This Lease shall terminate upon donation of the Improvements to Board and acceptance by Board of said donation as set forth in paragraph 6.1(a), 6.1(b) and 6.2 hereof, or at the latest on May 31, 2026. This Lease may be extended by written consent of both parties, which consent may be granted by the LSU Representative.

ARTICLE 9. NOTICES

All notices, demands and correspondence made necessary by the provisions of this Lease shall be deemed to be properly given, served and addressed, if and when sent by certified mail, return receipt requested, directed as follows:

ARTICLE 10. COMPANY DEFAULT

Section 10.1. **Company Events of Default.** Board may declare Company in default upon one or more of the following events:

- (a) ***Failure to Timely Commence or Complete.*** Failure of Company to commence and/or complete the Work as set forth in this Lease, within the time frame allowed, unless such time period has been mutually extended in writing by the LSU Representative and Company unless such failure was caused by a Force Majeure, and which failure has continued for a period of thirty (30) days after receipt of written notice from the LSU Representative specifying such failure and requesting that it be remedied; or
- (b) ***Deviation From Approved Plans and Specifications.*** A substantial deviation, unauthorized in writing by the LSU Representative, from the plans and specifications for the Work approved by the LSU Representative, which deviation has continued for a period of thirty (30) days after receipt of written notice from the LSU Representative specifying such failure and requesting that it be remedied; or
- (c) ***Breach of Lease Covenants.*** Failure of Company to observe or perform any other covenant, condition or obligation upon its part to be observed or performed under this

Lease for a period of thirty (30) days after receipt of written notice specifying such failure and requesting that it be remedied; or

(d) ***Taking of Improvements.*** The taking by execution of the Improvements for the benefit of any person or entity other than Board; or

(e) ***Involuntary Bankruptcy.*** A court having jurisdiction shall enter an order for relief in any involuntary case commenced against Company, as debtor, under the Federal Bankruptcy Code, as now or hereafter constituted, or the entry of a decree or order by a court having jurisdiction in the premises appointing a custodian, receiver, liquidator, assignee, trustee, sequestration, or other similar official of or for Company or any substantial part of the properties of Company or ordering the winding up or liquidation of the affairs of Company, and the continuance of any such decree or order unstayed and in effect for a period of 90 consecutive days; or

(f) ***Voluntary Bankruptcy.*** The commencement by Company of a voluntary case under the Federal Bankruptcy Code, as now or hereafter constituted, or the consent or acquiescence by Company to the commencement of a case under such Code or to the appointment of or taking possession by a custodian, receiver, liquidator, assignee, trustee, sequestration, or other similar official of or for Company or any substantial part of the properties of the Company; or

(g) ***Abandonment of Work.*** Company, after commencement of Work but prior to Substantial Completion, abandons (with no intent to continue) construction for a period of ninety (90) consecutive days, excluding delays caused by Force Majeure.

Section 10.2 **LSU's Remedies.** Whenever any event of default referred to in this section shall have occurred and be continuing and Company refuses or fails to take the reasonable and necessary remedial action to cure such default in the time period specified therefor, in addition to any other remedies herein or by law provided, Board shall have the right, without any further demand or notice, to declare this Lease terminated. In the event of the termination of this Lease, Company expressly waives any notice to vacate. Furthermore, in the event of the termination of this Lease during the Work, Board shall be the owner of all improvements made on or to the Building, provided, however, at Board's sole option and direction, in the event of the termination of this Lease during the Work, Company shall transfer any Improvements constructed pursuant to the Lease, its rights and obligations under this Lease and any funds (subject to applicable donor restrictions and the terms of any valid and perfected liens, pledges and security interests) Company

has dedicated to complete the construction of the Improvements to another non-profit corporation or entity which meets the requirements of La. R.S. 17:3390 and which is acceptable to Board.

ARTICLE 11. BOARD DEFAULT

Company may declare Board in default upon the failure of Board to observe or perform any covenant, condition or agreement upon its part to be observed or performed under this Lease for a period of thirty (30) days after receipt of written notice specifying such failure and requesting that it be remedied. If the default be continuing and Board has not taken any action reasonably anticipated to cure such default, in addition to any other remedies herein or by law provided, Company shall have the right, without any further demand or notice to declare this Lease terminated and shall have no further obligation to perform any of the obligations of Company under this Lease.

ARTICLE 12. MISCELLANEOUS

Section 12.1. **Relationship of Parties.** Nothing contained herein shall be deemed or construed by the parties hereto, or by any third party, as creating the relationship of principal and agent, partners, joint venturers, or any other similar such relationship, between the parties hereto.

Section 12.2. **Attorneys Fees.** The prevailing party to the extent allowed by law shall be entitled to receive reimbursement for its reasonable attorneys' fees and costs of suit.

Section 12.3. **Louisiana Law to Apply.** This Lease shall be construed under and in accordance with the laws of the State of Louisiana, and all obligations of the parties created hereunder are performable in East Baton Rouge Parish, Louisiana.

Section 12.4. **Nonwaiver.** No waiver by Board or Company of a breach of any of the covenants, conditions, or restrictions of this Lease shall constitute a waiver of any subsequent breach of any of the covenants, conditions, or restrictions of this Lease. The failure of Board or Company to insist in any one or more cases upon the strict performance of any of the covenants of the Lease, or to exercise any option herein contained, shall not be construed as a wavier or relinquishment for the future of such covenant or option. No waiver, change, modification or discharge by Board or Company of any provision of this Lease shall be deemed to have been made or shall be effective unless expressed in writing and signed by the parties hereto.

Section 12.5. **Severability.** If any clause or provision of this Lease is illegal, invalid or unenforceable under present or future laws effective during the term of this Lease, then and in that event, it is the intention of the parties hereto that the remainder of this Lease shall not be affected thereby.

Section 12.6. **Authorization.** By execution of this Lease, each of the Company and Board represents to the other that it is an entity validly existing, duly constituted and in good standing under the laws of the jurisdiction in which it was formed and in which it presently conducts business; that all acts necessary to permit it to enter into and be bound by this Lease have been taken and performed; and that the person signing this Lease on its behalf has due authorization to do so.

Section 12.7. **Use of Name, Logos or Marks.** Neither party shall make use of the other party's name, logo or marks without its prior written consent.

Section 12.8. **Amendment.** No amendment, modification, or alteration of the terms of this Lease shall be binding unless made in writing, dated on or subsequent to the date hereof and duly executed by the parties hereto.

Section 12.9. **Assignment and Mortgage.** Company shall not assign this Lease or any part hereof without the prior written consent of the LSU Representative, and any attempt of assignment without the prior written consent of the LSU Representative shall be null and void as to Board. Furthermore, Company may not mortgage or encumber its rights in or arising out of this Lease or any rights it has or might have in the Building, the Improvements or the Work without the prior written consent of the LSU Representative, and any attempt to mortgage or encumber without the prior written consent of the LSU Representative shall be null and void as to Board.

Section 12.10. **Books, Records and Audit.** The books, accounts and records of Company which pertain directly to the Work and construction of the Improvements shall be maintained at the principal office of Company. Board may at its option and at its own expense during customary business hours, conduct internal audits of the books, bank accounts, records and accounts of Company and its contractor(s) to the extent necessary to verify compliance with this Lease or insofar as said books, bank accounts, records and accounts directly relate to Company's performance of its obligations under this Lease. Audits may be made on either a continuous or periodic basis or both and may be conducted by employees of Board, by independent auditors retained by Board to conduct such audit, or by the Louisiana Legislative Auditor, but any and all

such audits shall be conducted without materially or unreasonably or unnecessarily interrupting or interfering with the normal conduct of business affairs of the Company.

Section 12.11. **Successors and Assigns**. All of the covenants, agreements, terms and conditions to be observed and performed by the parties hereto shall be applicable to and binding upon their respective successors and assigns including any successor by merger or consolidation of University or Board into another educational institution or governing body.

Section 12.12. **Notice of Lease**. Company agrees not to record this Lease. At the Company's request, the parties will execute a Notice of Lease for recording in the records of East Baton Rouge Parish, and the cost of recording will be borne by Company.

Section 12.13. **No Duty or Assumption of Liability**. It is understood and agreed that the Board, its members, employees and agents including but not limited to the LSU Representative and the LSU Construction Monitor, shall owe no legal duty to or assume any liability or responsibility to any party as a result of or in connection with any consent, approval or review given or undertaken in connection with this Lease or the Work. No party shall infer, based on any consent, approval or review given or undertaken by the Board, its members, employees and agents including but not limited to the LSU Representative and the LSU Construction Monitor, agreement with or endorsement of the particular matter at issue; rather, such consent, approval or review shall only be deemed to indicate "no objection" to the particular matter at issue.

Section 12.14. **Oversight By OFPC**. Design and construction of the Improvements is subject to oversight by the OFPC in accordance with La. R. S. 17:3361(A)(2), and such oversight includes, but is not limited to (a) the right to review and approve plans and specifications prior to commencement of construction and to require changes to conform to Applicable Laws, including space and quality standards, and (b) the right to conduct periodic inspections during construction to ensure that all work is being performed in compliance with the OFPC approved Plans and Specifications.

Section 12.15 **Entire Agreement**. This Lease, together with the exhibits attached hereto, contain the final and entire agreement between the parties hereto with respect to the Building and contain all of the terms and conditions agreed upon with respect to the Building, and no other agreements, oral or otherwise, regarding the subject matter of this Lease shall be deemed to exist or to bind the parties hereto; it being the intent of the parties that neither shall be bound by any term, condition, or representations not herein written.

EXHIBIT A
DESCRIPTION OF BUILDING

Board of Supervisors

Request from LSU A&M to Approve a Lease Agreement with the LSU Real Estate and Facilities Foundation for Phase 2 of the Huey P. Long Fieldhouse Renovations

Date: April 25, 2025

1. Bylaw Citation

Pursuant to Article VII, Section 1.

G. Capital Improvements. Any contract or series of related contracts for the construction, renovation, or other capital improvement of buildings or other immovable property of the Board where either:

1. the construction cost is projected to be greater than \$1 million.

2. Summary of the Matter

LSU A&M requests consideration and approval to proceed with a capital improvement project for the Huey P. Long Fieldhouse Renovations: Phase 2, which includes design and construction services to be performed in two phases, or parts.

Part A will provide temporary modifications to existing space for Nursing instruction in time for the Fall 2025 semester.

Part B will complete a full two-level classroom build-out in the existing south wing of the facility. This phase includes removal of existing structural columns and major slab repairs to accommodate the long-term academic needs of the College of Human Sciences and Education. This project will be executed by Tipton Associates and Remson Haley Herpin Architects (RHH), a joint venture, under LSU's standard design and construction processes.

3. Review of Business Plan

The total probable project cost is \$10,000,000, including construction costs at \$7,200,000 plus soft costs, contingency and fees at \$2,800,000.

4. Fiscal Impact

The cost of the Work is currently estimated at an amount not to exceed Ten Million Dollars (\$10,000,000) including design, construction and related expenses. The estimated cost of the Work may be increased only with the written consent of the LSU Foundation and the President of LSU. All costs and expenses shall be paid by the Foundation from private funds. The Improvements will be donated to LSU upon completion.

5. Description of Competitive Process

The design team was selected through LSU's established professional services selection process. Construction services will be procured through Construction Manager at Risk (CMaR), in compliance with applicable state laws and LSU policy.

6. Review of Legal Documents

All contracts associated with the project will be reviewed by LSU legal counsel to ensure compliance with applicable laws, policies, and procedures.

7. Parties of Interest

Tipton Associates, Remson Haley Herpin Architects, College of Human Sciences and Education

RESOLUTION

NOW, THEREFORE, BE IT RESOLVED that the Board of Supervisors of Louisiana State University hereby authorizes the President of LSU, or designee, to proceed with the design and construction of the Huey P. Long Fieldhouse Renovations: Phase 2, and to execute all contracts and agreements necessary to carry out the project in accordance with LSU policies and procedures.

BE IT FURTHER RESOLVED that the President of LSU, or designee, is authorized to make necessary changes to project scope, schedule, and budget as may be required to successfully deliver the project within available funding and in the best interest of the Board of Supervisors.

dated the Effective Date

**FACILITY LEASE AGREEMENT FOR CONSTRUCTION
(Huey P. Long Field House – Classroom Wing)**

THIS FACILITY LEASE AGREEMENT FOR CONSTRUCTION (Huey P. Long Field House – Classroom Wing) (herein "*Lease*") is entered into as of the Effective Date, by and between,

BOARD OF SUPERVISORS OF LOUISIANA STATE UNIVERSITY AND AGRICULTURAL AND MECHANICAL COLLEGE, a public constitutional corporation organized and existing under the Constitution and laws of the State of Louisiana (the "*State*"), domiciled in the Parish of East Baton Rouge, State of Louisiana, appearing herein through, William F. Tate IV, in his capacity as President of LSU, duly authorized and empowered by resolution of said Board of Supervisors (hereinafter referred to as "*Board*"),

and

HPL FIELD HOUSE LLC, a limited liability company organized and existing under the laws of the State of Louisiana, domiciled in the Parish of East Baton Rouge, State of Louisiana, herein appearing through and represented by Robert M. Stuart, Jr., its duly authorized Manager (hereinafter referred to as "*Company*"),

provides as follows:

WITNESSETH

WHEREAS, LSU Real Estate and Facilities Foundation (the "*Foundation*") (i) is an organization described in Section 501(c)(3) of the Internal Revenue Code of 1986, as amended, the tax exempt purpose of which is to support LSU, its programs, facilities, and research and educational activities, and to support the LSU Foundation, and (ii) is the sole member of the Company;

WHEREAS, the business of the Company shall at all times be carried out and operated exclusively for the tax-exempt purposes of the Foundation;

WHEREAS, L.S.A. R.S. 17:3361, et seq. (the "*University Leasing Act*"), expressly authorizes Board to lease property to a nonprofit organization such as Company for the purpose of constructing structures thereon;

WHEREAS, Board is the owner of the immovable property and improvements and movable property thereon constituting the Huey P. Long Field House located at 50 Field House Drive, Baton Rouge, Louisiana (the "*Field House*"), which is operated by the LSU College of Human Sciences & Education (the "*CHSE*");

WHEREAS, Company desires to lease a portion of the building described on **Exhibit A** hereto (the "Building") for the purposes of constructing and equipping a total area of approximately 20,000 square feet, including all at Company's expense and in accordance with design standards established by the Board, and Board desires to grant Company such a lease and limited rights of use and access in order to facilitate construction of such improvements; and,

WHEREAS, the Improvements will be donated by Company to Board upon completion of construction and acceptance by Board in accordance with the terms of this Lease;

NOW THEREFORE, in consideration of the mutual covenants, conditions and agreements which follow, the parties hereby agree as follows:

CERTAIN TERMS DEFINED

"*Applicable Laws*" refers to all laws, statutes, rules, regulations, ordinances, building codes, resolutions and orders of any Governmental Authority, including but not limited to applicable rules, regulations and architectural standards of the Board, applicable to the parties and substantially affecting the ability of the parties to meet their obligations hereunder; provided, however, that this definition shall not be interpreted as waiving protections granted to any party against future laws impairing the obligations of contracts between the parties and/or any third parties.

"*Architect*" refers to any architect or other design professional, including their permitted successors and assigns, engaged by Company to perform architectural or design services with respect to any phase of the design and/or construction renovation of the Improvements or any substitute or successor architect or other design professional engaged by Company.

"*Board*" or "*LSU*" refers to the Board of Supervisors of Louisiana State University and Agricultural and Mechanical College, including the LSU College of Human Sciences & Education, and its successors and assigns.

"*Business Day*" or "*business day*" means a calendar day excluding Saturday, Sunday, and any Holiday.

"*Company*" means HPL Field House LLC, a Louisiana limited liability company the sole member of which is the Foundation, and its successors and assigns.

"*Construction Contract*" refers to one or more agreements for the construction of the Improvements entered into by and between the Company and the Contractor, including all amendments, modifications, exhibits, schedules, supplements and change orders to all such agreements.

"*Contractor*" refers to the contractor or contractors selected by Company to construct the Improvements and their permitted successors and assigns.

"*Effective Date*" refers to June 1, 2025, or the date upon which all of the following have occurred, whichever is later: (a) the most recent date this Lease is executed and delivered by each party hereto as indicated by the dates on the signature pages hereto; (b) all necessary approvals of this Lease, as required by Applicable Laws, are obtained; and, (c) the final Plans and Specifications have been approved and a Notice to Proceed has been authorized and issued in accordance with the terms of this Lease, including but not limited to Section 4.1(b).

"*Final Completion*," "*Finally Complete*" or "*Finally Completed*" means (a) the Architect shall have certified that the punch list for the Improvements has been satisfactorily completed and (b) the Improvements shall have passed any required final inspection by any appropriate Governmental Authority.

"*Force Majeure*" refers to any (a) act of God, lightning, hurricane, tornado, and other extraordinarily adverse and inclement weather, fire, explosion, flood, act of a public enemy, war, insurrection, riot or civil disturbance; (b) labor dispute, strike, work slowdown or work stoppage; and (c) any other similar cause or similar event beyond the reasonable control of the Company.

"*Foundation*" means the LSU Real Estate and Facilities Foundation, a Louisiana nonprofit corporation and an organization described in Section 501(c)(3) of the Internal Revenue Code of 1986, as amended, and its successors and assigns.

"*Governmental Authorities*" refers to any and all jurisdictions, entities, courts, boards, agencies, commissions, offices, divisions, subdivisions, departments, bodies or authorities of any nature

whatsoever of any governmental unit (federal, state, county, parish, district, municipality, city or otherwise) whether now or hereafter in existence.

"*Holiday*" means any day which shall be a legal holiday in the State of Louisiana or for the federal government, or a day on which banking institutions in the State of Louisiana are authorized or required by law to be closed, a day on which LSU is required by law to close, or a day on which LSU is authorized to close and is closed.

"*Improvements*" means the Huey P. Long Field House Classroom Wing as constructed in accordance with the Plans and Specifications and the terms of this Lease.

"*Lease*" means this Facility Lease for Construction dated the Effective Date between the Board and the Company, as amended, modified or supplemented from time to time.

"*LSU Construction Monitor*" one or more persons designated and authorized from time to time by the LSU Associate Vice President for Facilities and Property Oversight to monitor Company's construction progress during the construction phase of the Improvements or any other Work who shall be either a licensed architect or a licensed engineer. The initial LSU Construction Monitor shall be LSU's Director of Planning, Design and Construction.

"*LSU Representative*" refers to any of the following: (1) the President of LSU; (2) the Executive Vice President for Finance and Administration and Chief Administrative Officer of LSU or successor official; (3) the Associate Vice President for Facility and Property Oversight; or (4) any other designee of the President. With respect to matters involving construction and design, including, without limitation, approvals of Plans and Specifications, Construction Contracts, Change Orders, Notices to Proceed, Punch Lists, and Substantial Completion, the term LSU Representative shall refer to the LSU Associate Vice President for Facility and Property Oversight.

"*LSU Rules and Regulations*" refers to all current and future rules, regulations, procedures and directives promulgated by or pursuant to authority granted to LSU.

"*OFPC*" means the Office of Facility Planning and Control of the Division of Administration of the State.

"*Payment and Performance Bonds*" refers to payment and performance bonds required in connection with performance of the Work and described in Section 4(D) hereof.

"*Plans and Specifications*" refers to one or more sets of final plans and specifications, including any amendments thereto, for design of the Improvements, materials selection and method of construction for the construction of the Improvements and for all Work related thereto, which have been approved, in writing, by the LSU Representative.

"*Project*" means the construction and equipping of the Improvements.

"*Punch List*" refers to a list prepared by the Architect and approved by the LSU Construction Monitor and the LSU Representative, which sets forth those items of Work to be completed following Substantial Completion, prior to final acceptance.

"*Substantial Completion*" refers to the date or dates on which (a) the Architect or other official has certified to Company that the Work (or, if approved by the LSU Construction Monitor and the LSU Representative, any portion of the Work) has been completed substantially in accordance with the Plans and Specifications, subject to customary punch list items remaining to be completed, (b) the LSU Construction Monitor and the LSU Representative have given written approval of the Architect's certificate, which approval shall not be unreasonably delayed, withheld or conditioned, and (c) governmental certificates and approvals required to allow beneficial use and occupancy of the Improvements by the University have been obtained, including, but not limited to, a Certificate of Occupancy (whether temporary or final if applicable) and State Fire Marshal approval if required.

"*Work*" refers to all work and activities required to be undertaken by Company to design and construct the Improvements, including, without limitation, the transportation and storage of materials, the securing of work sites and staging areas, the design, planning and construction of the Improvements and all necessary utility placements, relocations, tie-ins and upgrades.

"*State*" means the State of Louisiana.

"*University Leasing Act*" means L.S.A. R.S. 17:3361, et seq., as amended.

"*Warranty Commencement Date*" has the meaning assigned thereto in Section 6.2 hereof.

ARTICLE 1 AGREEMENT TO LEASE

For and in consideration of the covenants made herein and other good and valuable consideration,

Board hereby leases the Building to Company, and hereby grants to Company such rights of use and access as are necessary for Company to perform the Work. Unless otherwise agreed to in writing by Company and Board, this Lease, including all rights of use and access for construction purposes, shall terminate upon the earlier of; (a) termination of this Lease in accordance with the provisions hereof; (b) donation of the Improvements to Board as provided for herein; or (c) June 30, 2026. The foregoing notwithstanding, the parties, with the prior written consent of the LSU Representative, may extend the term of this Lease from month to month as necessary to achieve Final Completion and final acceptance of the Improvements.

ARTICLE 2

AGREEMENT TO CONSTRUCT AND DONATE IMPROVEMENTS

Company agrees to construct the Improvements in accordance with the Plans and Specifications and to donate the Improvements to Board after Final Completion in accordance with Article 6 hereof. It is estimated that the total cost to design and construct the Improvements, will not exceed Ten Million and 00/100 Dollars (\$10,000,000.00), all of which shall be paid by Company from accumulated funds and private contributions. The amount estimated for costs and expense may be increased with the written consent of Company and the LSU Representative, subject to the requirements of Subsections 4.1(a) and 4.1(j) hereof.

ARTICLE 3.

USE OF PREMISES

Company may use the Building only for construction of the Improvements. Company shall not use the Building for the sale, distribution, storage, transportation or handling of petroleum or other similar synthetic products. Company shall not make any use of the Building in violation of any Applicable Laws and shall not permit any contamination or pollution on or about the Building or increase the fire or insurance hazard by any use thereof. Before beginning any construction on the Building, Company shall obtain any permits required by the State of Louisiana, the Parish of East Baton Rouge and the United States of America or any of their subdivisions or departments. Company shall not install or otherwise place storage tanks in or on the Building without the LSU Representative's prior written consent which, in addition to any other conditions required by the LSU Representative, shall be subject to the condition that any such tanks shall be located on a concrete slab and shall be surrounded by a retaining wall that will retain the products stored in the tanks in the event of any spill, discharge, leak, overflow, or other release.

ARTICLE 4.

CONSTRUCTION

Section 4.1. At its sole cost and expense, Company shall construct the Improvements in a good and workmanlike manner, in accordance with the following provisions:

(a) ***Plans and Specifications/Change Orders.*** At least thirty (30) days prior to commencement of any construction, proposed final plans and specifications approved by the LSU Construction Monitor shall be delivered to the LSU Representative for his/her review. The LSU Representative shall approve or disapprove such proposed final plans and specifications in writing within thirty (30) days of receipt thereof. Any request for change orders to the Plans and Specifications or to the Construction Contract shall be made to the LSU Representative, who shall approve or disapprove such request in writing within ten (10) Business Days of having received such request from the Company. If the LSU Representative fails to respond within such ten (10) Business Day period, it shall be deemed that LSU approves such changes. Any change in work and materials relating to construction of the Improvements which either (i) materially alters the exterior appearance of the Improvements, or (ii) materially alters the quality of materials or the interior appearance of any buildings forming part of the Improvements and costs more than Fifty Thousand and 00/100 Dollars (\$50,000.00), is subject to the prior review and written approval of the LSU Representative, which approval shall not be unreasonably withheld, delayed or conditioned. Company shall notify the LSU Representative in writing of any such proposed changes in work or materials and provide to the LSU Representative copies of the proposed changes, and the LSU Representative shall either approve or disapprove any such changes within seven (7) Business Days after receipt of such notice from Company. If the LSU Representative fails to respond within such seven (7) Business Day period, it shall be deemed that LSU approves such changes. Notification to the LSU Representative shall include copies of proposed change orders approved by the Contractor, the Architect, the Company and the LSU Construction Monitor, and shall further include sufficient information for the LSU Representative to make a determination whether to approve or disapprove such changes in the Work or materials. Complete copies of all final change orders shall be provided to the LSU Representative no later than the commencement of the Work represented by the change order, even if LSU Representative approval is not required. Changes in work or materials relating to construction of the Improvements not required to be submitted to the LSU Representative by this subsection (a) shall be submitted in writing (unless written submission is waived by the LSU Construction Monitor) to and received by the LSU Construction Monitor who shall either approve or disapprove any such changes within two (2) Business Days after receipt of such

request and copies of the proposed changes from Company. If the LSU Construction Monitor fails to respond within such two (2) Business Day period, it shall be deemed that LSU approves such changes.

No change order to the Construction Contract which materially and substantially deviates from the Construction Contract as originally approved shall be implemented without the prior written consent of the LSU Representative.

(b) **Commencement and Completion of Construction.** Unless delayed by Force Majeure, at its own expense, Company agrees to: (i) commence the construction on or before ____ 2025, or within thirty (30) days after the LSU Representative has given written approval to the notice to proceed, whichever is later; and (ii) make best commercially reasonable efforts to achieve Substantial Completion of all Work on or before August 3, 2026, but in any event to achieve Substantial Completion of all Work on or before January 4, 2027. No work shall commence until the LSU Representative has given written consent to the notice to proceed and written approval to the final proposed plans and specifications. The commencement and completion dates set forth herein may be extended by a written request issued by the Company and approved in writing by the LSU Representative.

(c) **Construction Contract.** The Work shall be performed on behalf of Company pursuant to the terms of the Construction Contract. Where appropriate, the Construction Contract and Payment and Performance Bonds shall be recorded properly with the Clerk of Court of East Baton Rouge Parish prior to commencement of the Construction. Company shall include a liquidated damages clause acceptable to the LSU Representative in the proposed Construction Contract. Board and Company hereby acknowledge the following, and, to the extent practically and legally possible, the Construction Contract and all subcontracts entered into by the Contractor shall acknowledge expressly that they have been informed of the following:

- (i) The Work will be performed solely and exclusively for Company.
- (ii) Company is a separate legal entity from Board. It is not acting as agent for Board, and Company has no authority to obligate Board to any extent whatsoever.
- (iii) Neither Board nor the State shall be liable, directly or indirectly, for the payment of any sums whatsoever or for the performance of any other obligation

whatsoever arising out of the Work performed pursuant to this Lease.

(iv) Company has no ownership interest in the Building on which the Work will be performed. Any Improvements placed in the Building shall become property of Board upon completion of the Work. The Work shall not give rise to any rights against the Building or Board.

(v) It is understood and agreed that the Board and its members, employees and agents, including, but not limited to, the LSU Representative and the LSU Construction Monitor, shall owe no legal duty to or assume any liability or responsibility to any party as a result of or in connection with any consent, approval or review given or undertaken in connection with the Work. No party shall infer, based on any consent, approval or review given or undertaken by the Board, its members, employees and agents including but not limited to the LSU Representative and the LSU Construction Monitor, agreement with or endorsement of the particular matter at issue; rather, such consent, approval or review shall only be deemed to indicate "no objection" to the particular matter at issue.

(d) **Payment and Performance Bonds.** Company shall require that the Contractor provide a performance and labor and materials payment bond(s) with a corporate surety authorized to do business in the State of Louisiana. Said bond(s) shall be for the greater of the full amount of the Contract Sum or the Guaranteed Maximum Price (each as defined and established in the Construction Contract). Both Company and Board shall be obligees under the bond(s).

(e) **Rights Concerning the Building During Construction.** To the extent necessary, Company and the Contractor shall have the right to occupy and use the Building, with reasonable ingress to and egress from the Building, during the term of this Lease and, with the prior written consent of the LSU Construction Monitor, shall fence or block off that area of the Building necessary to perform the Work in a safe and secure manner. Except for unknown or unforeseen and unforeseeable defects, Company assumes all responsibility for the condition of the Building during the term of this Lease. Company and the Contractor shall maintain Building and any improvement or construction thereon in a reasonably prudent manner at all times until the Work is accepted by the LSU Representative and donated to the Board. Board shall not be responsible for any maintenance or repairs to the Building or the Work during the term of this Lease. The LSU Construction Monitor and the LSU Representative and any other individuals authorized by

the LSU Representative shall at all times have access to the Building and the exercise of all rights as owner except as otherwise provided herein, even those not specifically acknowledged herein. Company accepts the Building for the purposes herein outlined without any warranty of title or recourse whatsoever against Board.

(f) **Access over Adjoining Property during Construction.** Board hereby grants to Company a servitude of access over and across such other property owned by Board only in so far as such is reasonably necessary for the Company to fulfill its obligations hereunder, provided, however, that (i) such access routes are approved in writing by the LSU Construction Monitor; and (ii) Company shall not unreasonably interfere with Board's (or Board's lessee's) use of such other property.

(g) **LSU Rules and Regulations; Access During Construction.** Company agrees that it will comply with all LSU Rules and Regulations with regard to all Contractors and personnel entering the Building for purposes of construction, which rules and regulations will be addressed at the pre-construction conference, and that it will secure, at its own expense, all necessary permits and licenses from all regulatory agencies or bodies. Company shall make these same requirements of the Contractor. At all times during construction, the LSU Construction Monitor, the LSU Representative and any individuals authorized by the LSU Representative shall have the right but not the obligation to enter the Building and review the Work to determine that it is being performed in compliance with the Plans and Specifications and in a good and workmanlike manner.

(h) **Signage.** Before erecting or placing any sign upon or in the Building or the Improvements, Company shall submit the design specifications of such sign to the LSU Construction Monitor for approval. Company may only erect or place signage in the Building or the Improvements if it has obtained the prior written approval of the University Construction Monitor.

(i) **Acceptance of Construction.** Company and Board agree to work together to identify and facilitate completion of all warranty and Punch List items within the first year following acceptance of the Work. Company will not accept any portion of the Work without the written approval of the LSU Representative. Board reserves the right to refuse to approve the acceptance of the Work unless monies equal to the value of the Punch List deficiencies are withheld by the Company and designated for payment to the Contractor only upon completion of the Punch List items. Upon donation of the Work by Company to Board, Company hereby agrees that, to the extent allowed by Applicable Laws,

Company will assign or transfer to Board its right to enforce actions against the Contractor and/or the Architect arising out of the Work; provided, however, Company shall continue to be obligated to complete the Punch List items. Final payment shall not be made to the Contractor until the LSU Representative agrees in writing that the Punch List items have been completed.

(j) **Funds for Construction.** At the LSU Representative's request, prior to the commencement of the Work, Company shall satisfy the LSU Representative that the total amount of money needed to complete the Work, has been collected or acquired by the Company and is dedicated to that use. At the LSU Representative's sole option, Company may be required to provide a letter of credit, a performance bond, or a dedicated escrow account to guarantee its performance.

(k) **On Site Construction Inspector.** If, in the LSU Representative's sole discretion, it becomes necessary, Company at Company's expense shall hire an on-site construction inspector or clerk of the works for full time supervision of the Work.

(l) **Inspection and Survey.** Company shall inspect the Building and arrange for any necessary boundary surveys, topographical surveys, soil borings and other site investigations at its expense. Company accepts the Building in its present condition.

(m) **No Liens; Release of Recorded Liens.** Company shall not suffer or permit any liens to be enforced against the Building or Board by reason of a failure to pay for any work, labor, services or materials supplied or claimed to have been supplied to Company or to anyone through or under the Company. If any such liens shall be recorded against the Building, Company shall cause the same to be released of record, or in the alternative, if the Company in good faith desires to contest the same, Company shall be privileged to do so, but in such case, Company shall promptly deposit with the Recorder of Mortgages of East Baton Rouge Parish a bond guaranteeing payment of any such liens and hereby agrees to indemnify, defend with an attorney of the LSU Representative's choice, and save Board harmless from all liability for damages occasioned thereby and shall, in the event of a judgment of foreclosure on said lien, cause the same to be discharged and released prior to the execution of such judgment.

ARTICLE 5. INSURANCE

Section 5.2. **Insurance Coverage Requirements.** Unless otherwise approved in writing by the LSU Representative, during the Work and prior to the donation of the Improvements to Board, Company shall maintain or require the Contractor to maintain the following:

(a) ***Builder's Risk Insurance.*** Contractor shall provide an "All Risk" builder's risk insurance policy, including but not limited to fire and extended coverage insurance, vandalism and malicious mischief, for not less than one hundred (100%) percent of the full replacement value of the Work or property destroyed to protect against any damage or loss during the Work and until final donation of the Improvements to Board and acceptance thereof. This policy shall be taken out prior to commencement of construction and discontinued upon final acceptance by Board of the donation. It shall run in favor of Contractor, Company and Board, as their interests may appear. The coverage shall include the Architect's fee for work required and reconstruction following a loss during construction. Written evidence of such insurance shall be provided to the LSU Representative prior to commencement of the Work.

(b) ***General Liability and Property Damage Insurance.*** Company and its Contractors, before commencing any Work, shall procure such comprehensive liability and property damage insurance, including insurance for the operation of motor vehicles, which will cover Company's, Board's and the Architect's legal liability arising out of the construction performed by Company or any of its contractors or subcontractors and by anyone directly or indirectly employed by either of them, for claims for damages for personal injury, including accidental death, as well as claims for property damage, including but not limited to damage to surrounding buildings, which may arise from operations for the construction of the Work, with minimum limits of liability of Two Million (\$2,000,000.00) dollars per occurrence and Five Million (\$5,000,000.00) dollars general aggregate. Company shall also require its contractors and subcontractors to have in full force and effect a policy of workmen's compensation and employer's liability insurance before proceeding with the construction under this Lease. Written evidence of such insurance shall be provided to the LSU Representative prior to commencement of the Work.

(c) ***Architect's Design, Errors and Omissions.*** Upon execution of this Lease, Company shall provide the LSU Representative with evidence that the Architect has procured architect's design, errors and omissions insurance coverage for the Work with minimum limits of liability of One Million (\$1,000,000.00) dollars per occurrence and Two Million (\$2,000,000.00) dollars aggregate with tail coverage for at least 3 years from the date of Substantial Completion, and Board shall be named as an additional insured on said

policy.

(d) ***Automobile Liability Insurance.*** Automobile Liability Insurance covering liability arising from the use or operation of any auto, including those owned and non-owned (Symbol 1), operated or used by the insured party under this Lease with minimum limits of \$1,000,000 combined single limit/each accident and no deductible in excess of \$5,000.

Section. 5.2. **Insurance Policy Requirements.** Unless otherwise approved by the LSU Representative in writing, the following requirements shall be applicable to insurance policies and coverages required pursuant to the terms of this Lease:

(a) ***Required Insurance Shall Be Primary.*** All insurance required hereby shall be primary as respects Board, its members, officers, employees and authorized agents. Any insurance or self-insurance maintained by the Louisiana Office of Risk Management and/or Board shall be excess and noncontributory of Company or any Contractors' insurance.

(b) ***Failure to Comply with Reporting Requirements.*** Any failure of the Company or Contractor to comply with reporting requirements of a policy required hereby shall not affect coverage provided to Board, its members, officers, employees and authorized agents.

(c) ***Application of Multiple Policies.*** The Company's and/or Contractor's insurance shall apply separately to each insured against whom a claim is made or suit is brought, except with respect to the policy limits.

(d) ***No Release.*** Neither the acceptance of the completed Work nor the payment therefor shall release the Company or Contractor or insurer from applicable obligations of the insurance requirements or indemnification requirements set forth herein.

(e) ***No Recourse.*** The insurance companies issuing the required policies shall have no recourse against Board for payment of premiums or for assessments under any form of the policies.

(f) ***Excess Insurance.*** Excess umbrella insurance may be used to meet the minimum requirements for the general liability and automobile liability only.

(g) ***Deductibles and Self-Insured Retentions.*** The Company and/or Contractor shall be responsible for all deductibles and self-insured retentions.

(h) ***No Special Limitations.*** The coverage required hereunder shall contain no special limitations (e.g. limitations beyond those that are normal and customary based on the policy, coverage and activity insured) on the scope of protection afforded to Board, its members, officers, employees and authorized agents.

(i) ***Licensed Louisiana Insurers.*** All insurance shall be obtained through insurance companies duly licensed and authorized to do business in the State of Louisiana, which, to the extent available on commercially reasonable terms, bear a rating of A+:VI in the latest A. M. Best Co. ratings guide. If at any time an insurer issuing a policy hereunder does not meet the minimum A. M. Best Co. ratings, and such requirement has not been waived in writing by the LSU Representative, the Company and/or Contractor shall obtain a policy with an insurer that meets the A. M. Best Co., rating required and shall submit another certificate of insurance as required hereunder.

(j) ***Occurrence Based Policies.*** All insurance required hereunder, with the exception of Architect's Design Errors and Omissions policies, shall be occurrence coverage. Except as specifically permitted herein, claims-made policies are not allowed.

(k) ***Verification of Coverage.*** The Company shall furnish the LSU Representative with certificates of insurance reflecting proof of coverage required hereunder. The certificates for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates are to be received and approved by the LSU Representative before Work commences and upon any contract renewal thereafter. The LSU Representative reserves the right to request complete certified copies of all required insurance policies at any time. Said certificates and policies shall to the extent allowed by law provide at least a twenty (20) day written notification to the LSU Representative prior to the cancellation thereof. Upon failure of the Company to furnish, deliver and maintain such insurance as provided herein, and expiration of any applicable cure period, then Board may, but shall not be obligated to, obtain said insurance on behalf of the Company at the Company's commercially reasonable cost and expense. Failure by the Company to purchase and/or maintain, either itself or through its contractor(s), any required insurance, shall not relieve the Company from any liability or indemnification hereunder.

(l) ***Additional Insureds.*** The Company, Board and its members, officers, employees and authorized agents shall each be named as additional insureds on all policies required hereby.

(m) ***Additional Insurance.*** The LSU Representative may review Company's required insurance as stated herein at the time of renewal of the policies or at the time of a material change, and the LSU Representative reserves the right to require reasonable additional limits or coverages to the extent available at commercially reasonable rates. Company agrees to comply with any such reasonable request by the LSU Representative or to allow reasonable changes or reductions in coverages.

(n) ***Blanket Policies.*** If any blanket general insurance policy of Company complies with the requirements of this Lease, such insurance shall fulfill the requirements set forth herein.

(m) ***Limitation on Liability.*** The insurance and other provisions of this Lease do not waive or abrogate, are not intended to waive or abrogate, and shall not be interpreted to waive or abrogate the limitation on liability established under La. R.S. 13:5106 for Board.

ARTICLE 6.

DONATION OF IMPROVEMENTS AND TITLE TO IMPROVEMENTS

Section 6.1. **Donation of Improvements.** Company agrees to donate the Improvements to Board after (a) final acceptance of all Work by Company and written approval by the LSU Representative of said final acceptance, and (b) the delivery to the LSU Representative of either (i) a clear lien certificate as to the Work, which certificate has been obtained from the proper parish clerk's office or (ii) evidence that any liens against the Improvements have been adequately bonded. Unless otherwise agreed to in writing by the LSU Representative and Company, the Work shall not be donated to Board until the events in both (a) and (b) of this paragraph have occurred; however, for good cause as determined by the LSU Representative in his sole discretion, the Work may be donated to Board following Substantial Completion subject to Company's obligation to satisfactorily complete any outstanding punch list items and satisfy any outstanding liens and payment obligations relating to the Work. If the Architect for the Work recommends final acceptance of the Work by Company, the LSU Representative shall not unreasonably refuse to approve final acceptance by Company. Unless otherwise agreed to in writing by the LSU Representative and Company, use and/or occupancy of the Improvements shall be prohibited until the Improvements have been donated by Company to Board.

Section 6.2. **Risk of Loss; Warranties.** Upon fulfillment of the conditions set forth in paragraph 6.1 hereof, the Improvements shall be donated to and title and ownership to said

Improvements shall be transferred to and shall become owned by Board. Said donation shall occur concurrently with final fulfillment of the conditions set forth in paragraph 6.1, and, upon said donation, Company shall have no further responsibilities, obligations or liabilities with regard to the completed Improvements, Building or the Work except as otherwise specifically set forth herein. Company shall bear the risk of loss with respect to the Improvements until acceptance of the donation by the LSU Representative; provided, however, Company's risk shall be limited to available insurance proceeds. Furthermore, prior to such donation, Company shall obtain guarantees and warranties from the contractor or contractors and suppliers of equipment, which guarantees and warranties shall be assigned to and shall run in favor of Board upon the donation of the Improvements, provided, however, Company itself shall make no warranty as to the condition of the Work.

Section 6.3. **Documentation; Recordation.** Upon fulfillment of the conditions set forth in Paragraph 6.1 hereof the parties agree to execute any and all documents necessary to effectuate the donation and the acceptance thereof on behalf of Board. The parties will record the donation and acceptance in the records of the parish in which Building is located.

Section 6.4. **Lease Termination.** Notwithstanding anything contained in this Lease, at all times Board shall have the absolute right to terminate this Lease on thirty (30) days' written notice to Company. Upon such termination either Board shall take title to the Improvements, or Board, at its option, may require Company to transfer all of its right, title and interest in this Lease, in any funds (subject to applicable donor restrictions and the terms of any valid and perfected liens, pledges and security interests) dedicated to complete the construction of the Improvements, and in the Improvements already constructed, to another nonprofit corporation or entity which meets the requirements of La. R.S. 17:3390, which is acceptable to Board, and which accepts the obligations of the Company hereunder.

ARTICLE 7. INDEMNIFICATION

Section 7.1. **Indemnification by the Company.** Company, for itself and for its successors, assigns, agents, contractors, employees, invitees, customers and licensees, agrees to indemnify, defend and to hold Board harmless against any loss for damages or injuries that may be suffered by Board or by any person, including but not limited to Company's agents, contractors, employees, invitees and licensees, to the extent such loss arises out of or is related to the Work, except with respect to acts or omissions by Board's members, officers and employees unless said members, officers and employees are acting at the direction or request of the Company, and Company agrees

to defend Board with an attorney of Board's choice in any legal action against it and pay in full and satisfy any claims, demands or judgments made or rendered against Board, and to reimburse Board for any legal expenses, including attorney's fees and court costs, which may be incurred by it in defense of any claim or legal action arising thereunder, but Company's costs and expenses incurred in fulfilling this indemnity and defense shall, to the extent allowed by Applicable Laws, be limited to insurance proceeds which are available for this purpose.

Section 7.2. **Indemnification by LSU.** To the extent permitted by Applicable Laws, Board, agrees to indemnify, defend and hold Company harmless against any loss for damages or injuries that may be suffered by Company or by any person including but not limited to Board's agents, contractors, employees, invitees, and licensees, except if any of such persons are acting at the direction or request of the Company, to the extent that such loss, damage or injuries arise out of or are related to the fault or negligence of Board, its members, employees, or officers, and Board agrees to defend Company in any legal actions against it and, to the extent allowed by law, pay in full and satisfy any claims, demands or judgments made or rendered against Company, and to reimburse Company for any legal expenses, including attorneys fees and court costs, which may be incurred by it in defense of any claim or legal action arising thereunder; provided, however, that Board's costs and expenses incurred in fulfilling this indemnity and defense shall be limited to proceeds from the Louisiana Office of Risk Management which are available for this purpose.

ARTICLE 8. TERMINATION

This Lease shall terminate upon donation of the Improvements to Board and acceptance by Board of said donation as set forth in paragraph 6.1(a), 6.1(b) and 6.2 hereof, or at the latest on January 31, 2027. This Lease may be extended by written consent of both parties, which consent may be granted by the LSU Representative.

ARTICLE 9. NOTICES

All notices, demands and correspondence made necessary by the provisions of this Lease shall be deemed to be properly given, served and addressed, if and when sent by certified mail, return receipt requested, directed as follows:

ARTICLE 10. COMPANY DEFAULT

Section 10.1. **Company Events of Default.** Board may declare Company in default upon one or more of the following events:

(a) ***Failure to Timely Commence or Complete.*** Failure of Company to commence and/or complete the Work as set forth in this Lease, within the time frame allowed, unless such time period has been mutually extended in writing by the LSU Representative and Company unless such failure was caused by a Force Majeure, and which failure has continued for a period of thirty (30) days after receipt of written notice from the LSU Representative specifying such failure and requesting that it be remedied; or

(b) ***Deviation From Approved Plans and Specifications.*** A substantial deviation, unauthorized in writing by the LSU Representative, from the plans and specifications for the Work approved by the LSU Representative, which deviation has continued for a period of thirty (30) days after receipt of written notice from the LSU Representative specifying such failure and requesting that it be remedied; or

(c) ***Breach of Lease Covenants.*** Failure of Company to observe or perform any other covenant, condition or obligation upon its part to be observed or performed under this Lease for a period of thirty (30) days after receipt of written notice specifying such failure and requesting that it be remedied; or

(d) ***Taking of Improvements.*** The taking by execution of the Improvements for the benefit of any person or entity other than Board; or

(e) ***Involuntary Bankruptcy.*** A court having jurisdiction shall enter an order for relief in any involuntary case commenced against Company, as debtor, under the Federal Bankruptcy Code, as now or hereafter constituted, or the entry of a decree or order by a court having jurisdiction in the premises appointing a custodian, receiver, liquidator, assignee, trustee, sequestration, or other similar official of or for Company or any substantial part of the properties of Company or ordering the winding up or liquidation of the affairs of Company, and the continuance of any such decree or order unstayed and in effect for a period of 90 consecutive days; or

(f) ***Voluntary Bankruptcy.*** The commencement by Company of a voluntary case under the Federal Bankruptcy Code, as now or hereafter constituted, or the consent or acquiescence by Company to the commencement of a case under such Code or to the appointment of or taking possession by a custodian, receiver, liquidator, assignee, trustee, sequestration, or other similar official of or for Company or any substantial part of the properties of the Company; or

(g) ***Abandonment of Work.*** Company, after commencement of Work but prior to Substantial Completion, abandons (with no intent to continue) construction for a period of ninety (90) consecutive days, excluding delays caused by Force Majeure.

Section 10.2 **LSU's Remedies.** Whenever any event of default referred to in this section shall have occurred and be continuing and Company refuses or fails to take the reasonable and necessary remedial action to cure such default in the time period specified therefor, in addition to any other remedies herein or by law provided, Board shall have the right, without any further demand or notice, to declare this Lease terminated. In the event of the termination of this Lease, Company expressly waives any notice to vacate. Furthermore, in the event of the termination of this Lease during the Work, Board shall be the owner of all improvements made on or to the Building, provided, however, at Board's sole option and direction, in the event of the termination of this

Lease during the Work, Company shall transfer any Improvements constructed pursuant to the Lease, its rights and obligations under this Lease and any funds (subject to applicable donor restrictions and the terms of any valid and perfected liens, pledges and security interests) Company has dedicated to complete the construction of the Improvements to another non-profit corporation or entity which meets the requirements of La. R.S. 17:3390 and which is acceptable to Board.

ARTICLE 11. BOARD DEFAULT

Company may declare Board in default upon the failure of Board to observe or perform any covenant, condition or agreement upon its part to be observed or performed under this Lease for a period of thirty (30) days after receipt of written notice specifying such failure and requesting that it be remedied. If the default be continuing and Board has not taken any action reasonably anticipated to cure such default, in addition to any other remedies herein or by law provided, Company shall have the right, without any further demand or notice to declare this Lease terminated and shall have no further obligation to perform any of the obligations of Company under this Lease.

ARTICLE 12. MISCELLANEOUS

Section 12.1. **Relationship of Parties.** Nothing contained herein shall be deemed or construed by the parties hereto, or by any third party, as creating the relationship of principal and agent, partners, joint venturers, or any other similar such relationship, between the parties hereto.

Section 12.2. **Attorneys Fees.** The prevailing party to the extent allowed by law shall be entitled to receive reimbursement for its reasonable attorneys' fees and costs of suit.

Section 12.3. **Louisiana Law to Apply.** This Lease shall be construed under and in accordance with the laws of the State of Louisiana, and all obligations of the parties created hereunder are performable in East Baton Rouge Parish, Louisiana.

Section 12.4. **Nonwaiver.** No waiver by Board or Company of a breach of any of the covenants, conditions, or restrictions of this Lease shall constitute a waiver of any subsequent breach of any of the covenants, conditions, or restrictions of this Lease. The failure of Board or Company to insist in any one or more cases upon the strict performance of any of the covenants of the Lease, or to exercise any option herein contained, shall not be construed as a wavier or relinquishment

for the future of such covenant or option. No waiver, change, modification or discharge by Board or Company of any provision of this Lease shall be deemed to have been made or shall be effective unless expressed in writing and signed by the parties hereto.

Section 12.5. **Severability**. If any clause or provision of this Lease is illegal, invalid or unenforceable under present or future laws effective during the term of this Lease, then and in that event, it is the intention of the parties hereto that the remainder of this Lease shall not be affected thereby.

Section 12.6. **Authorization**. By execution of this Lease, each of the Company and Board represents to the other that it is an entity validly existing, duly constituted and in good standing under the laws of the jurisdiction in which it was formed and in which it presently conducts business; that all acts necessary to permit it to enter into and be bound by this Lease have been taken and performed; and that the person signing this Lease on its behalf has due authorization to do so.

Section 12.7. **Use of Name, Logos or Marks**. Neither party shall make use of the other party's name, logo or marks without its prior written consent.

Section 12.8. **Amendment**. No amendment, modification, or alteration of the terms of this Lease shall be binding unless made in writing, dated on or subsequent to the date hereof and duly executed by the parties hereto.

Section 12.9. **Assignment and Mortgage**. Company shall not assign this Lease or any part hereof without the prior written consent of the LSU Representative, and any attempt of assignment without the prior written consent of the LSU Representative shall be null and void as to Board. Furthermore, Company may not mortgage or encumber its rights in or arising out of this Lease or any rights it has or might have in the Building, the Improvements or the Work without the prior written consent of the LSU Representative, and any attempt to mortgage or encumber without the prior written consent of the LSU Representative shall be null and void as to Board.

Section 12.10. **Books, Records and Audit**. The books, accounts and records of Company which pertain directly to the Work and construction of the Improvements shall be maintained at the principal office of Company. Board may at its option and at its own expense during customary business hours, conduct internal audits of the books, bank accounts, records and accounts of Company and its contractor(s) to the extent necessary to verify compliance with this Lease or insofar as said books, bank accounts, records and accounts directly relate to Company's

performance of its obligations under this Lease. Audits may be made on either a continuous or periodic basis or both and may be conducted by employees of Board, by independent auditors retained by Board to conduct such audit, or by the Louisiana Legislative Auditor, but any and all such audits shall be conducted without materially or unreasonably or unnecessarily interrupting or interfering with the normal conduct of business affairs of the Company.

Section 12.11. **Successors and Assigns**. All of the covenants, agreements, terms and conditions to be observed and performed by the parties hereto shall be applicable to and binding upon their respective successors and assigns including any successor by merger or consolidation of University or Board into another educational institution or governing body.

Section 12.12. **Notice of Lease**. Company agrees not to record this Lease. At the Company's request, the parties will execute a Notice of Lease for recording in the records of East Baton Rouge Parish, and the cost of recording will be borne by Company.

Section 12.13. **No Duty or Assumption of Liability**. It is understood and agreed that the Board, its members, employees and agents including but not limited to the LSU Representative and the LSU Construction Monitor, shall owe no legal duty to or assume any liability or responsibility to any party as a result of or in connection with any consent, approval or review given or undertaken in connection with this Lease or the Work. No party shall infer, based on any consent, approval or review given or undertaken by the Board, its members, employees and agents including but not limited to the LSU Representative and the LSU Construction Monitor, agreement with or endorsement of the particular matter at issue; rather, such consent, approval or review shall only be deemed to indicate "no objection" to the particular matter at issue.

Section 12.14. **Oversight By OFPC**. Design and construction of the Improvements is subject to oversight by the OFPC in accordance with La. R. S. 17:3361(A)(2), and such oversight includes, but is not limited to (a) the right to review and approve plans and specifications prior to commencement of construction and to require changes to conform to Applicable Laws, including space and quality standards, and (b) the right to conduct periodic inspections during construction to ensure that all work is being performed in compliance with the OFPC approved Plans and Specifications.

Section 12.15 **Entire Agreement**. This Lease, together with the exhibits attached hereto, contain the final and entire agreement between the parties hereto with respect to the Building and contain all of the terms and conditions agreed upon with respect to the Building, and no other agreements, oral or otherwise, regarding the subject matter of this Lease shall be deemed to exist or to bind the

parties hereto; it being the intent of the parties that neither shall be bound by any term, condition, or representations not herein written.

DESCRIPTION OF BUILDING

Board of Supervisors

Request from LSU Health Sciences Center - Shreveport to Approve a Lease with Rapides Regional Medical Center

Date: April 25, 2025

1. Bylaw Citation

Pursuant to Article VII, Section 1

E.2. Lease of more than 10,000 sf

2. Summary of Matter

For 25 years, the LSU Health Sciences Center - Shreveport (LSUHSCS) has maintained a residency program at the Rapides Regional Medical Center (RRMC) in Alexandria and has also operated an LSU Health Outpatient Family Medicine Clinic there. Originally, this was done through a Cooperative Endeavor Agreement between LSU and HCA Healthcare (HCA). The CEA provided for a number of matters, including providing for the medical residency program and to lease space in the RRMC for the LSU clinic and related administrative offices.

HCA has recently changed its corporate structure and reviewed all of their legal agreements, including the CEA with LSU. Following that review, HCA has requested a revision to the structure of the legal arrangements with LSU, without changing the substance of the cooperation between LSU and HCA. HCA now prefers that the provisions regarding the graduate medical education program and other aspects of its relationship be in one document, while the use of space for the LSU clinic and other functions be in a separate lease document. The proposed new lease arrangement is subject to approval by this Board.

The proposal is to lease 18,191 rentable sf of space, spread through three separate locations within the RRMC facilities. Rent varies slightly depending on the 3 locations, ranging from \$12.82 to \$13.50 per rentable square foot. Rent increases by about \$0.20 each year, or 1.5%. This is the same rent rate as existed in the prior CEA. Total annual rent is \$236,649.60.

The lease will be executed pursuant to state law, La. R.S. 39:1641, by LSU and the State Division of Administration (DOA). Under that process, LSU will submit a form to DOA formally requesting that it enter into a lease on LSU's behalf. Once DOA has approved the request, it will work with LSU and the landlord to negotiate the specific terms of the lease, based on a standard state lease template. When ready, it will be executed by both the President of LSU and DOA.

3. Review of Business Plan

The proposal only changes the form of the legal agreement for the use of this space. It does not change the business terms of the arrangement between LSU and HCA for its programs at the RRMC.

The lease will be for a term of 3 years, the maximum allowed by state law under the procurement method used for this lease. There will be two options to renew, each for an additional 3 years. Exercise of those renewal options will be at the discretion of LSU and DOA.

4. Fiscal Impact

No change to the fiscal impact of the LSUHSCS programs at RPMC are expected.

5. Description of Competitive Process

Not applicable. This will be a sole source lease because LSUHSCS cannot provide these services in cooperation with HCA at any location other than RPMC.

6. Review of Legal Documents

The new lease will be based on the standard state lease template used by DOA. All legal agreements will be reviewed by the Office of General Counsel prior to execution by the President.

7. Parties of Interest

HCA Healthcare and its subsidiary, Rapides Healthcare System, LLC

8. Related Transactions

LSUHSCS has other cooperative arrangements with Rapides Healthcare System, including a Graduate Medical Education agreement.

9. Conflicts of Interest

None known.

1. Summary of Lease Proposal

RESOLUTION

NOW, THEREFORE, BE IT RESOLVED that the Board of Supervisors of Louisiana State University and Agricultural and Mechanical College hereby authorizes the President of LSU or designee to execute (i) a lease with Rapides Healthcare System, LLC and (ii) any other requests, agreements, consents, approvals, or other documents needed for this transaction, with all leases, agreements, consents, approvals, and other documents to contain such terms and conditions as the President, in consultation with the General Counsel, deems to be in the best interests of LSU.

Attachment 1 - Summary of Lease Proposal

Summary of Proposal by Rapides Healthcare System for lease of space to LSUHSC-S

Rapides Healthcare System proposes to lease space in the following locations for the amounts shown:

<i>Building</i>	<i>Rentable SF</i>	<i>Rent/SF</i>	<i>Annual Rent</i>
Patty Buldding	3,068	\$ 13.50	\$ 41,418.00
Medical Terrace	3,178	\$ 13.25	\$ 42,110.76
Medical Terrace Annex	11,945	\$ 12.82	\$ 153,120.84
Total	18,191		\$ 236,649.60

Rent will escalate by 1.5% each year. Initial term of 3 years is proposed. An option to renew for up to 2 additional terms of 3 years each is requested.

Board of Supervisors

Request from LSU Agricultural Center to Approve a Lease of Property to the Church of the King, Inc.

Date: April 25, 2025

1. Bylaw Citation

Pursuant to Article VII, Section 1, E.3 of the Bylaws of the Louisiana State University Board of Supervisors, this matter is a "significant board matter":

E.3. Lease of more than 5 acres of unimproved land for non-agricultural purposes.

2. Summary of Matter

Church of the King, Baton Rouge, Incorporated ("Church of the King") has been the lessee of the LSU AgCenter's 5.32-acre tract located in East Baton Rouge Parish referred to as "Christan Life Academy Lease" on the attached map exhibit owned by the LSU AgCenter. The property was first leased to the church in October 1985. The lease has been reconducted on a month-to-month basis in accordance with law since the last formal amendment terminated in September 2022, while LSU had the property appraised and negotiated with the church to increase the rent.

The appraisal obtained by LSU indicates a fair market value rent for this property would be \$11,870 per year. The church has agreed to pay LSU \$12,000 rent per year. The lease will contain the usual protections for LSU.

3. Review of Business Plan

This lease will generate revenue for the LSU AgCenter to be utilized to address budget shortfalls and/or supplement other priority programs.

4. Fiscal Impact

The lease will generate \$12,000.00 per year payment. This is greater than the \$11,870 per year rent value shown in the appraisal by David E Lakvold, MAI, SRA dated March 6, 2025.

5. Description of Competitive Process

RE: **Significant Board Matter**
Lease of Property
Perkins Road Farm
Baton Rouge, Louisiana

Church of the King, Baton Rouge, Incorporated ("Church of the King") has been the lessee of the LSU AgCenter's 5.32-acre tract located in East Baton Rouge Parish owned by the LSU AgCenter. The lease had been in effect from October 1, 1985, to September 19, 2022, and has expired; however, they are still interested in the land for lease. The AgCenter requests approval to enter into a new agreement with Church of the King.

Due to the fact this entity is a non-profit organization, they have given us an offer of \$12,000 annually for a term of 5 years with 4 options to renew for an additional 5 years each renewal period with a rent review at each renewal. Any lease will include a provision that in the event the lessee identifies a sub-lessee that might want to occupy the residences and/or office facilities located on the property, LSU AgCenter shall have the right to share in the rental revenue generated therefrom.

The AgCenter is further requesting the Board of Supervisors to authorize and empower you at this time to sign any subsequent lease(s) regarding the Perkins Road Farm which you believe is in the best interest of LSU.

As this project is in support of the AgCenter and its mission, we enclose herewith our request for approval and ask that it be placed on the agenda of the Board of Supervisors April 24th, 2025 meeting.

I certify that, to the best of my knowledge, I have provided all necessary documentation, and that the information contained therein is complete, accurate, and in compliance with Article VII, Section 1E of the Bylaws of the Board of Supervisors. I agree to cooperate in any issues related to this matter. Please let me know if any additional information is needed.

Sincerely,

STATE OF LOUISIANA

PARISH OF EAST BATON ROUGE

LEASE AGREEMENT REGARDING PERKINS ROAD PROPERTY

THIS LEASE AGREEMENT (the "Lease") is made effective as of the ____ day of _____, 20__ 2025 (the "Effective Date") by and between

BOARD OF SUPERVISORS OF LOUISIANA STATE UNIVERSITY AND AGRICULTURAL AND MECHANICAL COLLEGE ("LSU"), a public constitutional corporation organized and existing under the Constitution and laws of the State of Louisiana, domiciled in the Parish of East Baton Rouge, said State, appearing herein through William F. Tate IV, President of the Louisiana State University System, duly authorized and empowered by LSU,

and

CHURCH OF THE KING, a Louisiana non-profit corporation, organized and existing under the laws of the State of Louisiana, domiciled in the Parish of East Baton Rouge, herein appearing through and represented by Frank St. Philip, its duly authorized President; hereinafter referred to as "Church of the King".

ARTICLE 1.
LEASE OF THE PROPERTY

In consideration of the covenants, agreements, and conditions herein set forth which Lessee hereby agrees shall be kept and performed, LSU does hereby lease unto Lessee, and Lessee does hereby lease from LSU, all of the property described as Perkins Road Farm Christian Life Academy Lease, 5.3246 acres in Exhibit "A" hereto (the "Property"), subject to any and all existing servitudes, rights-of-way, encumbrances and restrictions. LSU expressly reserves the right to grant future servitudes, rights-of-way, encumbrances, and restrictions affecting the Property; in the event any such future servitude, right-of-way, encumbrance, or restriction is granted by LSU, Lessee shall be entitled to a proportionate reduction in the rent paid to LSU based on the acreage thereby denied to Lessee.

ARTICLE 2.
TERM OF LEASE

Unless sooner terminated as herein provided, this Lease shall be and continue in full force and effect for a term of five (5) years (the "Term"), commencing on the Effective Date, with the option to renew the Lease for four (4) additional renewals of five (5) years each; provided,

however, that under no circumstance may the full Term of the Lease exceed twenty-five (25) years. In the event and on each occasion that the Lessee desires to renew the Lease as provided for above, Lessee shall provide written notice of same to LSU no later than thirty (30) days prior to expiration of the current Term, and LSU shall respond with reasonably prompt notice to Lessee of whether LSU agrees to the renewal. If the initial or any renewal Term ends and the parties have not agreed on the exercise of any renewal option, then this Lease shall be converted to a month-to-month lease, subject to termination with 30 days written notice provided to the other party.

ARTICLE 3.
CONSIDERATION

In consideration of LSU leasing the Property, Lessee shall pay the annual sum of \$12,000.00 (the "Rent") for the Term of the Lease. The entirety of the first year's Rent shall be due on the Effective Date of this Lease, and the entirety of each subsequent lease year's Rent shall be due on the anniversary day of that lease year. At least thirty (30) days prior to expiration of the then-current Term, the parties shall meet to negotiate an increase or decrease in Rent for any renewal Term. If the parties are unable to come to agreement on a change in rent for the renewal Term, then the rent for such renewal Term shall be 110% of the Rent for the Term immediately preceding such Renewal Term.

ARTICLE 4.
ALTERATIONS

Lessee may not make any changes, improvements, alterations, or additions (including but not limited to fencing, roads, drainage, and waterlines) to the Property without the prior written consent of LSU, nor may Lessee remove any fencing, buildings, constructions, or other improvements existing as of the Effective Date without the prior written consent of LSU. If LSU gives its prior written consent to the removal of any existing fencing, buildings, constructions, or other improvements, LSU shall have first right of refusal of materials being removed and materials shall be stored by Lessee at a location as determined by LSU. If LSU gives its prior written consent to any changes, improvements, alterations, or additions, then upon termination or expiration of this Lease, LSU may require Lessee to remove at Lessee's cost any such changes, improvements, alterations, and additions (including but not limited to fencing, roads, drainage, and waterlines); if LSU does not require Lessee to remove any such changes, improvements, alterations, or additions, then ownership of such changes, improvements, alterations, or additions shall automatically vest in LSU at that time at no cost to LSU.

ARTICLE 5.
UTILITIES AND OPERATING EXPENSES

Section 5.1 Utilities. Lessee shall be solely responsible for payment of all utilities related to the Property, including but not limited to charges for electricity, energy, light, heat, air conditioning, power, telephone, garbage or other trash removal and disposal, water, and sewer user fees. All utilities will be billed directly to and in the name of Lessee. LSU shall have no responsibility to Lessee for the quality or availability of utilities or services to the Property and

any improvements thereon, including but not limited to electricity, gas, energy, telephone, garbage or trash removal and disposal, sewage or effluent removal or disposal, water or other utility or service.

Section 5.2 Operating Expenses. Lessee shall pay all expenses, costs, premiums, and disbursements of any nature whatsoever accrued or incurred in connection with the ownership, lease, management, operation, maintenance, repair, and insurance of the Property, including any and all improvements thereon whether existing at the Effective Date or constructed on the Property during the Term.

ARTICLE 6.
USE, MAINTENANCE, AND REPAIRS

Section 6.1 Use. Subject to the terms and provisions hereof, Lessee shall use the Property and the buildings and improvements thereon solely for the educational and recreational activities of the Lessee (“Permitted Use”). Lessee’s use of the Property shall comply at all times with all applicable laws, orders, ordinances, zoning ordinances, regulations, and statutes of any federal, state, parish or municipal government now or hereafter in effect, including all environmental laws and regulations. Use of the Property for recreational activities such as fishing, hunting, off-road vehicle riding, camping, and hiking are expressly prohibited.

Section 6.2 Maintenance and Repairs By Lessee. Lessee shall maintain the Property and improvements, including but not limited to all buildings, roads, fences, drainage, pastures, and water wells, in good condition and make all necessary repairs to the improvements thereon to maintain them in the same or better condition as they were at the beginning of the Term. Lessee agrees to keep in good repair all terraces, open ditches, inlets, and outlets of drains; preserve all established watercourses or ditches including grassed waterways, and refrain from any operations or practice that will injure such structures. Lessee shall remain in compliance with any conservation plan for the Property. All fence rows and ditches shall have weed control performed at least annually by spraying to maintain them in the same or better condition as they were at the beginning of the Term, including the fencing along both sides of the Access Road separating Parcel #1 and adjacent sugar cane fields. Lessee shall mow the entirety of the Property at least annually. Lessor shall be responsible for any major repairs deemed necessary by the Lessor such as roof replacements and other major repairs.

Section 6.3 Mineral Exploration and Production. Notwithstanding any other provision of this Lease, LSU expressly reserves the right, acting either directly or through its agents, contractors, and/or mineral lessees, to conduct mineral exploration and production activities on the Property, including but not limited to surface operations. Lessee shall allow LSU, its employees, agents, and contractors to access the Property for and shall not in any way interfere with such operations. In the event that LSU, its agents, and/or contractors perform such operations on the Property, Lessee shall be entitled to a proportionate reduction in the rent paid to LSU based on the acreage thereby denied to Lessee.

Section 6.4 Waiver and Disclaimer of Warranties. Lessee accepts the Property in its “as is” and existing condition, at Lessee’s sole risk and without any warranty of any kind or nature, whether express or implied, contractual, or statutory and whether as to the condition (patent or

latent) or state of repair of the Property or the fitness of same for Lessee’s purposes or for any other purpose whatsoever. LSU shall not be responsible for any latent vice or defect or change of condition in the Property.

Section 6.5 Trees. Lessee shall not cut, prune, remove, or otherwise take any action that would damage any of the trees on the Property without the prior written consent of LSU. Without limiting the foregoing, Lessee specifically acknowledges the value of the oak trees lining Bayou Teche, and Lessee will take all reasonable precautions to avoid doing any harm or damage to said oak trees.

**ARTICLE 7.
INSURANCE AND INDEMNITY**

Section 7.1 Required Insurance, Types and Amounts. From the Effective Date through the Term hereof, Lessee shall at all times maintain or cause to be maintained, with respect to the Property, insurance in the following types and amounts. Such insurance shall be with insurance companies duly licensed to do business in the State of Louisiana and bearing a rate of A+:XV in the latest Best Casualty Insurance Reports.

TYPE	AMOUNT
Commercial General Liability Insurance for the following where the exposure exists: (a) premises-operations (b) broad form Lease liability (c) products/completed operations (d) use of Contractors and subcontractors (e) personal injury (bodily injury and death) (f) broad form property damage (g) explosion, collapse and underground property damage (h) independent Contractors (i) sprinkler leakage legal liability	Coverage in an amount not less than: \$1,000,000.00 per occurrence; \$2,000,000.00 General Aggregate; and \$2,000,000.00 Products & Completed Operations Aggregate; less a commercially reasonable deductible. “Claims Made” form is not acceptable.

Liquor liability insurance, if applicable	Limits of One Million (\$1,000,000.00) Dollars

Section 7.2 Additional Insurance Requirements. Lessee agrees that with respect to the above required insurance, Lessee shall: (a) Name LSU, its board members, employees, and agents on all Commercial General Liability and Property Damage insurance policies as additional insureds and loss payees, as applicable; (b) Provide LSU with thirty (30) days advance notice, in writing, of any cancellation or material change in coverage of any required insurance; (c) Prior to the Effective Date, provide LSU with a Certificate of Insurance evidencing the above required insurance prior to the Effective Date and thereafter with certificates evidencing renewals or replacements of said policies or insurance at least thirty (30) days prior to the expropriation or cancellation of any such policies; and (d) provide to LSU upon request complete certified copies of all required insurance policies.

Section 7.3 Indemnification of LSU. Lessee shall defend and indemnify LSU, its board members, employees, and agents and hold them harmless from and against any and all claims, actions, damages, liability, costs, and expenses, as incurred, including reasonable attorney's fees, arising out of or in any way connected to Lessee's occupancy of the Property and/or fulfillment of the terms, conditions, and obligations contained herein, except to the extent arising solely from the fault of LSU.

Section 7.4 No Recourse. Neither Lessee nor the insurance companies issuing the required policies shall have any recourse against LSU for payment of premiums or for assessments under any form of the policies.

Section 7.5 Deductibles and SIR's. Any deductibles or self-insured retentions must be declared to and accepted by LSU in writing in advance. Lessee shall be responsible for all deductibles and self-insured retentions.

Section 7.6 No Special Limitations. The coverage required hereunder shall contain no special limitations on the scope of protection afforded to LSU and its board members, officers, agent, and employees.

Section 7.7 Failure to Purchase or Maintain Insurance. Lessee's failure to purchase and/or maintain, either itself or through its contractor(s), any required insurance, shall not relieve Lessee from any liability or indemnification hereunder.

Section 7.8 Occurrence Based Policies. All insurance required hereunder shall be occurrence coverage. Claims-made policies are not allowed.

ARTICLE 8.
CASUALTY LOSS

The risk of loss or decrease in the enjoyment and beneficial use of the Property due to any damage or destruction thereof by acts of God, fire, flood, natural disaster, the elements, casualties, thefts, riots, civil strife, lockout, war, nuclear explosion, terrorist attack or otherwise is expressly assumed by Lessee. None of the forgoing events shall entitle Lessee to any abatements, set-offs, or counter claims with respect to payment of its rent, or any other obligation hereunder.

ARTICLE 9.
CONDEMNATION

Section 9.1 Total Taking. If during the Term all or substantially all of the Property or the Improvements shall be taken in any condemnation or eminent domain proceeding, this Lease shall thereupon terminate. In such event the obligation to pay any monies hereunder and Lessee's right of possession shall terminate on the date of the taking and Lessee shall not be entitled to any refund of any amounts previously paid to LSU.

Section 9.2 Partial Taking. If only a part of the Property or any improvements thereon be taken in any condemnation or eminent domain proceeding, and the taking does not materially interfere with Lessee's use of the Property, Lessee, to the extent of the condemnation award, shall promptly make such repairs and alterations to that part as may be necessary to restore that part of the Property or the improvements not taken to a condition suitable for the uses and purposes contemplated by the Lease. If the Property or any improvements cannot be repaired or restored for the amount of the condemnation award, either party shall have the option to terminate this Lease as of the date of taking whereupon this Lease shall be of no further force or effect, and LSU and Lessee shall each be relieved of any obligations or liabilities hereunder as of the date of termination and Lessee shall not be entitled to any refund of any amounts previously paid to LSU.

ARTICLE 10.
ENVIRONMENTAL MATTERS

Section 10.1 Prior Environmental Use. LSU makes no covenant, representation, or warranty as to the suitability of the Property for any purpose whatsoever or as to the physical condition thereof or with respect to the contamination by any chemical, material, or substance. Lessee acknowledges that portions of the Property may have been used for the storage, treatment, presence, existence, release, discharge, use, manufacture, generation, abatement, removal, disposal, handling, or transportation of any Hazardous Material in, to, on, under, from or about the Property and any improvements thereon (“Prior Environmental Use”), any of which may have resulted in contamination of the Property by Hazardous Materials. Lessee acknowledges that it has inspected the Property, observed its physical characteristics and existing conditions, and has had the opportunity to conduct such investigations and studies (including, without limitation, environmental audits, site assessments and samplings) on and of the Property as it deems necessary for its intended use and occupancy under this Lease.

Section 10.2 Limitation on Lessee’s Liability. Notwithstanding anything to the contrary contained herein, Lessee shall have no liability to LSU in the event a claim is filed by any person against LSU arising out of any environmental hazard or violation of any environmental law which existed prior to the Effective Date of this Lease.

Section 10.3 Environmental Definitions. For the purposes of this Article and the remainder of this Lease, the following terms and conditions shall have the meanings ascribed thereto:

“Environmental Activity” or “Environmental Activities” means any storage, presence, existence, discharge, release, threatened release, use, generation, manufacture, abatement, removal, disposal, handling, or transportation of any Hazardous Material in, to, on, under, from or about the Property and any improvements thereon.

“Environmental Laws” means all state, federal, local, municipal, parish, and regional laws, statutes, rules, regulations, ordinances, codes, permits, or approvals, relating to the regulation or protection of human health and safety, natural resources, conservation, the environment, or the storage, treatment, disposal, processing, release, discharge, emission, use, remediation, transportation, handling, or other management of Hazardous Materials, industrial, gaseous, liquid or solid waste, hazardous waste, hazardous or toxic substances or chemicals, or pollutants, including without limitation, the regulations of the federal Public Health Service and Department of Transportation concerning the transport of etiologic agents or similar agents, the regulations of the Nuclear Regulatory Commission concerning radioactive materials and waste, the regulations of the Occupational Safety and Health Administration, and including without limitation the following environmental laws: The Clean Air Act (42 U.S.C.A. §1857, et. seq.); the Federal Water Pollution Control Act (33 U.S.C. §1251 et. seq.); the Resource Conservation and Recovery Act of 1976, (42 U.S.C. §6901 et. seq.); Comprehensive Environmental Response, Compensation and Liability Act of 1980, 42 USC §§9601, et seq., as amended by the Superfund Amendments and Reauthorization Act of 1986 (Pub.L. 99-499, 100 Stat. 1613); the Toxic Substances Control Act (15 U.S.C. §2601 et. seq.); the Clean Water Act

(33 U.S.C. §1251 et. seq.); the Safe Drinking Water Act (42 U.S.C. §30 et. seq.); the Occupational Safety and Health Act (29 U.S.C. §651 et. seq.); the Federal Insecticide, Fungicide, and Rodenticide Act (7 U.S.C. §135 et. seq.); and the Louisiana Environmental Quality Act (La. R.S. 30:2001 et. seq.); including any amendments or extensions thereof and any rules, regulations, standards, or guidelines issued pursuant to or promulgated under any of the foregoing.

“Governmental Agency” or “Governmental Agencies” means any federal, state, or local authority having jurisdiction over the Property and any improvements thereon with respect to Environmental Activities conducted, or alleged to be conducted, thereon or Hazardous Materials located, or alleged to be located thereon.

“Hazardous Material” or “Hazardous Materials” means any flammable or explosive materials, petroleum or petroleum products, oil, crude oil, natural gas or synthetic gas usable for fuel, asbestos or asbestos containing material, polychlorinated biphenyls, urea formaldehyde foam insulation, radioactive materials, lead, hazardous waste or substances or toxic waste or substances, including without limitation, any substances now or hereafter defined as or included in the definition of “hazardous substances”, “hazardous waste”, “hazardous material”, “toxic material”, or “toxic substance” under any applicable Environmental Laws.

Section 10.4 Compliance With Environmental Rules. Lessee shall comply with and maintain the Property and any improvements thereon in compliance with any Environmental Laws pertaining to Hazardous Materials, Environmental Activities, or other environmental matters (collectively for the purposes of this Section referred to as “Environmental Rules”) and shall be responsible for all costs thereof. Lessee shall not dispose of, release, treat, store, or discharge any Hazardous Materials that were not present on or under the Property on the Effective Date of this Lease, on, at, under, about or from the Property. Lessee shall promptly provide LSU with true, accurate and complete copies of all required or requested permits, variances, approvals, notices, submissions, reports and other information to and from any and all Governmental Agencies having authority over the Property and any improvements thereon and environmental matters with respect thereto. Lessee authorizes LSU to communicate with any Governmental Agency regarding Environmental Activity or environmental condition of the Property or any improvements thereon. If Lessee shall breach the covenant provided in this Section, then, in addition to all other rights and remedies that may be available to LSU under this Lease, at law or in equity, LSU may require Lessee to take all actions and to reimburse LSU for the costs of any and all actions taken by LSU, as are necessary to comply with all applicable Environmental Rules and to abate any significant present or potential health risk with respect to any Environmental Activity conducted or permitted on, or any Hazardous Material, other than Hazardous Material that was present on or under the Property or any improvements thereon on the Effective Date of this Lease, present at, the Property and any improvements thereon. Lessee’s obligation under this Article shall survive the expiration or earlier termination of this Lease.

Section 10.5 LSU Right to Inspect and Cure. LSU shall have the right in its sole and absolute discretion, but not the duty, to enter upon and inspect the Property, at any reasonable time and manner and after reasonable notice to Lessee, to determine whether Lessee is complying with the terms of this Lease, including without limitation, Lessee’s compliance with all applicable

Environmental Rules. Lessee hereby grants to LSU, its agents, employees, consultants, and contractors, the right to enter the Property and improvements thereon and, after reasonable notice, to perform such tasks to the Property and improvements as are reasonably necessary to conduct such reviews, inspections and investigations. LSU shall use reasonable efforts to minimize interference with the business of Lessee, but LSU shall not be liable for any interference caused as a result of this right to inspect.

Section 10.6 Notice of Environmental Default. In the event LSU discovers any breaches under this Article or any violations of applicable Environmental Rules pursuant to the foregoing inspections or otherwise, LSU shall give Lessee written notice of the violation, and Lessee shall have thirty (30) days in which to cure the violation, unless the violation is of a nature that it cannot be reasonably cured within the 30-day period, in which event no default shall occur as long as Lessee commences to cure the violation within the 30-day period, and thereafter, in good faith, diligently and with continuity prosecutes to completion the curing of such violation.

Section 10.7 Environmental Liens. Lessee shall promptly notify LSU as to any liens threatened or attached against the Property pursuant to any Environmental Laws. In the event that a lien is filed against the Property or any improvements thereon, other than a lien arising or resulting from a Prior Environmental Use or Hazardous Material that was present on or under the Property prior to the Effective Date of this Lease, then Lessee shall within thirty (30) days from the date that the lien is filed against the Property and any improvements thereon, and at any rate prior to the date any Governmental Agency or other party commences proceedings to foreclose on such lien, either (i) pay the claim and remove the lien from the Property and any improvements thereon; or (ii) furnish either (a) a bond satisfactory to the State and LSU in the amount of the claim out of which the lien arises, (b) a cash deposit in the amount of the claim out of which the lien arises, or (c) other security satisfactory to the State and LSU in an amount sufficient to discharge the claim out of which the lien arises.

Section 10.8 Environmental Indemnity. Lessee agrees to protect, indemnify, defend, reimburse and hold harmless LSU and LSU's board members, employees, and agents from and against any and all loss, cost, penalty, fine, liability, damage, or expenses (including without limitation attorney's fees, court costs and litigation expenses), arising out of or resulting from (a) the presence of any Hazardous Materials in, at, on, under or about the Property and any improvements thereon caused by Lessee's use, or use by any party for whom Lessee is legally responsible, of the Property or any improvements thereon; (b) any Environmental Activity conducted by Lessee or any other party for whom Lessee is legally responsible on the Property during the Term; (c) any violation of any Environmental Laws by Lessee pertaining to the condition of the Property; (d) any Environmental Activity thereon to the extent caused by Lessee or caused by anyone else acting on behalf of Lessee or for whom Lessee is responsible during the Term; or (e) the breach of any warranty or covenant or inaccuracy of any representation of Lessee contained in this Lease. This obligation shall survive the expiration or earlier termination of this Lease. To the extent allowed by law, LSU agrees to protect, indemnify, defend, reimburse and hold harmless Lessee from and against any and all loss, cost, penalty, fine, liability, damage, or expenses (including without limitation attorney's fees, court costs and litigation expenses), arising out of or resulting from (a) the presence of any Hazardous Materials in, at, on, under or about the Property and any improvements thereon, wherein such Hazardous Materials were present prior to the Effective Date of this Lease or (b) the breach of any warranty or covenant or inaccuracy of any

representation of LSU contained in this Lease. This obligation shall survive the expiration or earlier termination of this Lease.

Section 10.9 Binding Effect. The provisions of this Article shall be binding upon LSU and Lessee and inure to the benefit of LSU and Lessee, and their respective heirs, executors, administrators, legal representatives, successors, and assigns.

Section 10.10 Third Party Activities. In the event of any damage, liability or loss to persons or property located on the Property that result from, or arise out of or in connection with, the presence of any Hazardous Materials in, at, on, under or about the Property or any improvements thereon or any Environmental Activity thereon to the extent the presence of such Hazardous Materials or Environmental Activity thereon is not due to Lessee's Environmental Activities, but due to the actions of a third party for whom neither Lessee or LSU is legally responsible ("Third Party Environmental Activities"), LSU and Lessee agree to look to the person or entity responsible for such Third Party Environmental Activities, and not to the other party to this Lease, for recovery of any loss, damage, cost, expense or penalty incurred by them as a result of such Third Party Environmental Activities.

Section 10.11 Air and Water Quality Guidelines. The Lessee shall be in agreement with all air and water quality guidelines and mandates set forth by the Louisiana Department of Agriculture and Forestry and the Louisiana Department of Environmental Quality, including but not limited to the Louisiana Certified Prescribed Burner program.

ARTICLE 11.
DEFAULT AND REMEDIES

Section 11.1 Default. Each of the following shall be deemed an "Event of Default" by Lessee hereunder and a material breach of this Lease:

Whenever Lessee shall fail to pay any sum payable by Lessee to LSU or to any third party under this Lease on the date upon which the same is due to be paid and such failure shall continue for seven (7) days;

Whenever Lessee shall fail at any time to continuously maintain insurance in the types and amounts set forth in this Lease, or to otherwise comply with all of the requirements of Article 7 of this Lease.

Whenever Lessee shall fail to keep, perform, or observe any of the covenants, agreements, terms, or provisions contained in this Lease that are to be kept or performed by Lessee other than with respect to payment of any sums of money, and Lessee shall fail to commence and take such steps as are necessary to remedy the same within thirty (30) days after Lessee shall have been given a written notice specifying the same, or having so commenced, shall thereafter fail to proceed diligently and with continuity to remedy the same;

The abandonment of the Property by Lessee;

Whenever an involuntary petition shall be filed against Lessee under any bankruptcy or insolvency law or under the reorganization provisions of any law of like import or a receiver of Lessee or for all or substantially all of the property of Lessee shall be appointed without acquiescence, and such petition or appointment is not discharged within ninety (90) days after the happening of such event;

Whenever Lessee shall be dissolved or liquidated, or shall file a voluntary petition under any bankruptcy or insolvency law or under the reorganization provisions of any law of like import, or whenever Lessee shall fail within ninety (90) days to lift any execution, garnishment, or attachment of such consequence as shall materially impair Lessee's ability to carry on its operations, or whenever Lessee shall make a general assignment for the benefit of its creditors, or shall enter into an agreement of composition with its creditors or whenever an Order for Relief shall be granted with respect to such party pursuant to Title 11 of the United States Code or whenever such party shall seek relief under any other law for the benefit of debtors; and

Whenever Lessee shall fail to provide adequate assurance of future performance of this Lease within sixty (60) days after (i) the granting of an Order for Relief with respect to Lessee pursuant to Title 11 of the United States Code, or (ii) the granting of the relief sought in an involuntary proceeding against Lessee under any bankruptcy or insolvency law. As used in this Section 11.1(g), "adequate assurance of future performance of this Lease" shall include, but shall not be limited to, adequate assurance (i) of the source of the consideration due hereunder; and (ii) that assumption or assignment of this Lease shall not breach any provision, such as a use, management, or ownership provision, in this Lease, any other lease, any financing agreement, relating to the Property.

Section 11.2 Right to Terminate. Without in any way limiting LSU's rights at law or otherwise, if any one or more Events of Default should occur, then LSU has the right to immediately terminate this Lease, in which case Lessee's right of possession of the Property shall cease, this Lease shall be terminated and LSU shall not owe any refund of any amounts previously paid to LSU by Lessee, and LSU at its option shall be subrogated to the rights of Lessee and.

Section 11.3 Performance of Lessee's Other Obligations. If Lessee fails to perform or observe any of its covenants, agreements, or obligations hereunder (other than the payment of sums of money) for a period of thirty (30) days after notice of such failure (unless the default is of such a nature that it cannot be cured within a 30-day period, in which event no default shall occur as long as Lessee commences to cure such default within the 30-day period and thereafter, in good faith, diligently and with continuity, prosecutes the curing of the default), then in addition to all other rights provided herein LSU shall have the right, but not the obligation, at its sole election (but not as its exclusive remedy), to perform or observe the covenants, agreements, or obligations that are asserted to have not been performed or observed, at the expense of Lessee and to recover all costs, expenses, and attorney fees incurred in connection therewith, together with legal interest thereon from the date expended until repaid. Any performance or observance by LSU pursuant to this Section shall not constitute a waiver of Lessee's failure to perform or observe.

Section 11.4 Election of Remedies. All of LSU's remedies under this Section 11 are cumulative. Either party may restrain any breach or threatened breach of any covenant, agreement,

term, provision, or condition herein contained, but the mention herein of any particular remedy shall not preclude either party from any other remedy it might have, either in law or in equity.

Section 11.5 Bankruptcy. If a petition is filed by or against Lessee for relief under the Bankruptcy Code, and Lessee (including for purposes of this Section Lessee's successor in bankruptcy, whether a trustee or Lessee as debtor in possession) assumes and proposes to assign, or proposes to assume and assign, this Lease pursuant to the provisions of the Bankruptcy Code to any person or entity who has made or accepted a bona fide offer to accept an assignment of this Lease on terms acceptable to Lessee, then Notice of the proposed assignment setting forth (a) the name and address of the proposed assignee, (b) all of the terms and conditions of the offer and proposed assignment, and (c) the adequate assurance to be furnished by the proposed assignee of its future performance under this Lease, shall be given to LSU by Lessee no later than twenty (20) Days after Lessee has made or received such offer, but in no event later than ten (10) Days prior to the date on which Lessee applied to the Bankruptcy Court for authority and approval to enter into the proposed assignment. LSU, as landlord, shall have the prior right and option, to be exercised by Notice to Lessee given at any time prior to the date on which the court order authorizing such assignment becomes final and non-appealable, to receive an assignment of this Lease upon the same terms and conditions, and for the same consideration, if any, as the proposed assignee, less any brokerage commissions that may otherwise be payable out of the consideration to be paid by the proposed assignee for the assignment of this Lease. If this Lease is assigned pursuant to the provisions of the Bankruptcy Code, LSU, as landlord: (i) may require from the assignee a deposit or other security for the performance of its obligations under this Lease in an amount substantially the same as would have been required by landlord upon the initial leasing to a tenant similar to the assignee; and (ii) shall receive, as Additional Rent, any and all further sums as are required of Lessee under this Lease. Any person or entity to which this Lease is assigned pursuant to the provisions of the Bankruptcy Code shall be deemed without further act or documentation to have assumed all of Lessee's obligations arising under this Lease on and after the date of such assignment. Any such assignee shall, upon demand, execute and deliver to LSU an instrument confirming such assumption. No provision of this Lease shall be deemed a waiver of LSU's rights or remedies under the Bankruptcy Code to oppose any assumption and/or assignment of this Lease, to require a timely performance of Lessee's obligations under this Lease, or to regain possession of the premises if this Lease has neither been assumed or rejected within sixty (60) Days after the date of the order for relief or within such additional time as the Bankruptcy Court may have fixed. Notwithstanding anything in this Lease to the contrary, all amounts payable by Lessee to or on behalf of LSU under this Lease, whether or not expressly denominated as Rent, shall constitute rent for the purposes of Section 502(b)(6) of the Bankruptcy Code. Provided further that no provision herein regarding assignment of this Lease by Lessee shall be considered to waive or modify any other provision of this Lease governing Lessee's ability to assign or sublease, and the provisions of this Section are included herein for the sole purpose of providing for the situation in which LSU is compelled by the Bankruptcy Court to acquiesce in an assignment of this Lease approved by the Bankruptcy Court.

Section 11.6 No Liability for Consequential Damages. Notwithstanding anything in this Lease to the contrary, LSU shall not be liable to Lessee for any consequential damages of any type, nor shall LSU be liable for any land preparation or crop establishment expenses, nor shall LSU have any obligation to reimburse Lessee for any of Lessee's property left on the Property, including but not limited to any crops, seeds, or other plant material remaining in the ground.

ARTICLE 12.
ASSIGNMENT AND SUBLETTING

Section 12.1 LSU's Consent Required to Assignment of Rights. Lessee may not assign, transfer, convey, sublet, encumber, or grant a security interest or other lien in its interest in this Lease nor any of its interest in the Property without the prior written consent of LSU. Any assignee / transferee / conveyee / sublessee approved by LSU shall execute an agreement in form and content approved by LSU whereby said party assumes in favor of LSU all of Lessee's obligations under this Lease. Any such assignment / transfer / conveyance / sublease shall not relieve Lessee of any of its obligations hereunder.

ARTICLE 13.
MISCELLANEOUS

Section 13.1 Notices. All notices, demands, and correspondence made necessary by or provided pursuant to this Agreement shall be in writing and shall be deemed to have been properly given, served and addressed, if and when (i) deposited in Federal Express (or any other national "next day" delivery service), or (ii) deposited in the United States mail via registered or certified mail, postage prepaid, return receipt requested, or (iii) sent via facsimile or email, if a copy is also sent the same day via (i) or (ii) above provided that if so sent, a copy thereof is received by the sending party from the receiving party, directed as follows:

LSU: Board of Supervisors of
Louisiana State University and
Agricultural and Mechanical College
Attention: President
3810 West Lakeshore Drive
Baton Rouge, Louisiana 70808

With a copy to: Director of Facilities Planning
LSU AgCenter
206 J. Norman Efferson Hall
Baton Rouge, LA 70803

Lessee: Church of the King
22205 Little Creek Rd.
Mandeville, LA 70471

Either LSU or Lessee may add additional addresses or change its address for purposes of receipt of any such communication by giving ten (10) days' prior written notice of such change to the other party in the manner prescribed in this Section.

Section 13.2 Modification. No variations, modifications, or changes herein or hereof shall be binding upon any party hereto unless set forth in a writing executed by it or by a duly authorized officer or agent.

Section 13.3 Governing Law. This Lease shall be construed and enforced in accordance with the laws of the State of Louisiana, and the exclusive venue for any litigation between the parties arising out of this Lease shall be the Nineteenth Judicial District Court for the Parish of East Baton Rouge.

Section 13.4 Number and Gender; Captions; References. Pronouns, wherever used herein, and of whatever gender, shall include natural persons and corporations and associations of every kind and character, and the singular shall include the plural wherever and as often as may be appropriate. Article and section headings in this Lease are for convenience of reference and shall not affect the construction or interpretation of this Lease. Whenever the terms “hereof”, “hereby”, “herein”, or words of similar import are used in this Lease they shall be construed as referring to this Lease in its entirety rather than to a particular section or provision, unless the context specifically indicates to the contrary. Any reference to a particular “Article” or “Section” shall be construed as referring to the indicated article or section of this Lease.

Section 13.5 Severability. If any provision of this Lease or the application thereof to any person or circumstance shall, at any time or to any extent, be invalid or unenforceable, and the basis of the bargain between the parties hereto is not destroyed or rendered ineffective thereby, the remainder of this Lease, or the application of such provision to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby.

Section 13.6 Attorneys’ Fees. If LSU institutes litigation to enforce, or to seek damages for the breach of, any provision hereof, Lessee shall promptly reimburse LSU, to the extent allowed by law, for all reasonable attorneys’ fees, court costs and related costs incurred by LSU plus judicial interest thereon from the date such costs are paid LSU.

Section 13.7 Surrender of The Property and Improvements; Holding Over. Upon termination or the expiration of this Lease, Lessee shall peaceably quit, deliver up, and surrender the Property and improvements to LSU. If Lessee does not surrender possession of the Property and improvements at the end of the Term, such action shall neither extend the Term nor reconduct the Lease, and Lessee shall be a tenant at sufferance. LSU shall not be deemed to have accepted a surrender of the Property and improvements by Lessee, or to have extended the Term, other than by execution of a written agreement specifically so stating. Upon termination or expiration of this Lease, LSU may require Lessee to remove at Lessee’s cost any improvements, alterations, and additions made to or on the Property by Lessee; if LSU does not require Lessee to remove any such improvements, alterations, or additions, then ownership of such improvements, alterations, or additions shall automatically vest in LSU.

Section 13.8 Force Majeure. As used herein, “Force Majeure” shall mean the occurrence of any event that prevents or delays the performance by LSU or Lessee of any obligation imposed upon it hereunder (other than payment of any liquidated sum of money) and the prevention or cessation of which event is beyond the reasonable control of the obligor. If Lessee or LSU shall be delayed, hindered, or prevented from performance of any of its obligations (other than to pay any liquidated sum of money) by reason of Force Majeure (and the party asserting Force Majeure shall not otherwise be in default hereunder) the time for performance of such obligation shall be extended for the period of such delay.

Section 13.9 Successors and Assigns. This Lease shall constitute a real right and covenant running with the Property and improvements, and this Lease shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Whenever a reference is made herein to either party, such reference shall include the party's successors and assigns, if any.

Section 13.10 Survival. Any terms and provisions of this Lease pertaining to rights, duties, or liabilities extending beyond the expiration or termination of this Lease shall survive the end of the Term.

Section 13.11 Relationship of the Parties. Nothing contained in this Lease shall be construed by the parties hereto, or by any third party, as constituting the parties as principal and agent, partners, or joint venturers, nor shall anything herein render either party liable for the debts or obligations of any other party, it being understood and agreed that the only relationship between LSU and Lessee hereunder is that of lessor and lessee.

Section 13.12 Cumulative Remedies. Each right and remedy provided for in this Lease is cumulative and is in addition to every other right or remedy provided for in this Lease or now or after the date of the Lease existing at law or in equity or by statute or otherwise, and the exercise or beginning of the exercise by LSU or Lessee of any one or more of the rights or remedies provided for in this Lease or now or after the date of the Lease existing at law or in equity or by statute or otherwise shall not preclude the simultaneous or later exercise by LSU or Lessee of any or all of their other rights or remedies provided for in this Lease or now or after the date of the Lease existing at law or in equity or by statute or otherwise.

Section 13.13 No Waiver. No failure by either party to insist upon strict performance of any agreement, covenant, or term of this Lease or to exercise any right or remedy granted to such party upon a breach hereof and no acceptance of any performance during the continuance of a breach shall constitute a waiver of any breach. No obligation of LSU or Lessee shall be deemed waived or modified except by written instrument signed by the party in whose favor the obligation runs. If LSU or Lessee should waive a particular breach, condition, or covenant herein, the waiver shall be limited to the particular breach, covenant or condition at the time of the waiver and shall not be construed as a waiver in the future of the same or different breach, covenant or condition.

Section 13.14 No Accord and Satisfaction. No payment by Lessee, or acceptance by LSU of an amount that is less than the amount due from Lessee to LSU, shall be treated otherwise than as a payment on account. The acceptance by LSU of a check for a lesser amount with an endorsement or statement thereon or upon any letter accompanying such check, that such lesser amount is payment in full, shall be given no effect, and LSU may accept such check without prejudice to any other rights or remedies that LSU may have against Lessee

Section 13.15 Good Faith Dealing. LSU and Lessee agree to act in good faith and in a commercially reasonable manner in connection with the exercise of their rights and obligations as contained in this Lease.

IN WITNESS HEREOF, the parties hereto have executed this Lease to be effective as of the Effective Date.

RESOLUTION

NOW, THEREFORE, BE IT RESOLVED the Board of Supervisors of Louisiana State University and Agricultural & Mechanical College approves the Employment Agreement for Kyle Williams as described in this item and authorizes the President to execute the agreement in consultation with the Office of General Counsel.

EMPLOYMENT AGREEMENT

This Employment Agreement (“Agreement”) is made and entered into as of this 25th day of April, 2025, by and between the Board of Supervisors of Louisiana State University and Agricultural and Mechanical College (“LSU”), a body corporate existing under the Constitution and laws of the State of Louisiana, herein represented by William F. Tate IV, its duly authorized President, and Kyle Williams (“Employee”):

1. **Definitions.** For purposes of this Agreement, the following terms shall have the meaning shown:

- A. “Athletics Director”: The Director of Athletics at LSU.
- B. “Base Salary”: The annualized sum of \$400,000.
- C. “Contract Year”: An annual period from January 1 to December 31 during the Term.
- D. “End Date”: January 15, 2028.
- E. “Position”: Assistant Coach for the Team.
- F. “President”: The President of LSU.
- G. “Program”: The intercollegiate football program at LSU.
- H. “Relocation Incentive”: The one-time payment of \$25,000.
- I. “Start Date”: March 10, 2025.
- J. “Supplemental Compensation”: The annualized sum of
 - Start Date to January 15, 2026: \$300,000
 - January 16, 2026 to January 15, 2027: \$375,000
 - January 16, 2027 to January 15, 2028: \$450,000
- K. “Team”: The intercollegiate athletic team which is a part of the Program.

2. **Term.** This Agreement shall be for a definite term (“Term”), commencing on the Start Date and ending on the End Date unless terminated sooner in accordance with Section 11 or 12 of this Agreement.

3. **Employment.** LSU does hereby employ Employee in the Position for the Term. Employee will report directly to the Head Coach of the Team. It is the intention of the parties that Employee will serve in the Position for the entirety of the Term. Employee acknowledges and agrees that Employee is not eligible for and will not be considered for or granted tenure by LSU.

4. **Duties and Responsibilities.** Employee's duties and responsibilities shall include the following, all subject to law, LSU policy, and the directives, input, and advice of the Head Coach and Athletics Director:
- A. Performing all duties reasonably assigned to Employee by the Head Coach of the Team or the Athletics Director so long as such duties are consistent with those duties typically assigned to assistant coaches at colleges or universities at the same competitive level as LSU;
 - B. Promoting the success of the Team and its student-athletes both athletically and academically;
 - C. Devoting full professional attention and efforts to promoting the Program and fulfilling the necessary coaching responsibilities and duties;
 - D. Being reasonably knowledgeable of and complying with: (1) all applicable federal and state laws governing intercollegiate athletics; and (2) all governing constitutions, by-laws, rules, policies, interpretations, and regulations of the National Collegiate Athletics Association ("NCAA"), the Southeastern Conference ("SEC"), LSU, and any other conference rules or policies which may be subsequently implemented (hereinafter collectively referred to as "Governing Athletics Regulations");
 - E. Promoting an atmosphere of compliance within the Program;
 - F. Promptly reporting any known or reasonably suspected violation of Governing Athletics Regulations to the Athletics Director and the Director of Compliance;
 - G. Understanding and complying with Title IX of the Education Amendments of 1972 and LSU policies on Title IX and sexual misconduct, including but not limited to Permanent Memorandum 73 ("PM-73"), and understanding and complying with the mandatory obligation to report incidents of sexual misconduct (including sexual harassment and sexual violence) and other inappropriate sexual conduct of which Employee has knowledge or receives notice to LSU's Title IX Coordinator as required by PM-73;
 - H. Understanding and complying with Title VI of the Civil Rights Act of 1964, other federal laws, state law, and LSU policies on equal opportunity and discrimination, including but not limited to Permanent Memorandum 55;
 - I. Cooperating fully, truthfully and without undue delay in any investigation, infractions process or adjudication of any matter under Governing Athletics Regulations conducted or authorized by LSU, the SEC, or the NCAA at any time;
 - J. Cooperating fully, truthfully and without undue delay in any LSU internal investigation or inquiry;

- K. Reasonably observing, respecting, and promoting the principles of institutional control in the Program;
 - L. Understanding, observing, upholding, and promoting LSU's written academic standards, requirements, and policies, and reasonably promoting an environment in which admissions, financial aid, academic services for student-athletes, and recruiting are conducted consistent with LSU's mission;
 - M. Cultivating and maintaining reasonable interaction with members of the LSU community in accordance with the policies and instructions of the Head Coach of the Team and the Athletics Director;
 - N. Performing all duties in a manner consistent with good sportsmanship and in accordance with the high moral, ethical, and academic standards of the Athletics Department, the Program and LSU;
 - O. Using reasonable efforts, through due care and supervision, to ensure that all student-athletes and other individuals under or subject to Employee's control, authority, or supervision comply with all Governing Athletics Regulations and act in accordance with the high moral, ethical, and academic standards of the Athletics Department, the Program and LSU;
 - P. Maintaining a presence on campus and in the Program, except for absences approved by the Athletics Department; and
 - Q. Using reasonable efforts to promote the goal of LSU that every student-athlete obtains an undergraduate degree and reasonably cooperating with academic counselors or similar persons designated by LSU to assist student-athletes and the faculty and administrators of LSU in connection with the academic pursuits of student-athletes.
5. **Sports Camps.** Subject to Governing Athletics Regulations and Athletics Department guidelines, rules and regulations, Employee may work at sports camps or clinics at LSU. Except as expressly provided in this Agreement, LSU does not guarantee or provide any additional compensation for the operation of sports camps or clinics.
6. **Base Salary.** LSU agrees to pay Employee the Base Salary annually, in 12 equal monthly installments, on LSU's regular monthly payroll date. Any amounts due to Employee under this Section for a partial Contract Year shall be prorated.
7. **Media Participation, License to NIL, and Supplemental Compensation.**
- A. **License.** As the owner of the rights to Employee's name, image and likeness, Employee grants to the University and Athletics Department a perpetual, non-exclusive and non-transferrable license of the names, nicknames, initials, autograph, likeness, images, pictures, video, depictions, resemblance, quotes, phrases, interviews, coaching records, philosophies and methods attributable to Employee obtained during the Term, and all derivatives thereof, for any current or

future uses for promoting the University, Athletics Department or the Program. This license shall include the intellectual property rights and services of Employee in connection with promoting, appearing on, or participating in, as requested, and making reasonable efforts to make successful, LSU-sanctioned television, radio, social media and internet programs, including streaming services, concerning LSU and the Team.

- B. **Supplemental Compensation/Royalty.** As a royalty for the license granted herein, Employee will earn and receive Supplemental Compensation, which shall be payable in equal monthly installments and may be paid from affiliated foundation funds. Any amounts due to Employee under this Section for a partial Contract Year shall be prorated.

- C. **Ownership of Programming.** LSU shall exclusively own all rights to any television, radio, and internet programs and shall be entitled, at its option, to produce and market the programs or negotiate with third parties to produce and market the programs. LSU shall retain all revenue generated by the programs, including but not limited to that received from program sponsors for commercial endorsements used during the programs. "Program sponsors" shall include, but not be limited to, those persons or companies who make financial contributions supporting, or who pay a fee for, commercial announcements and endorsements used on the programs.

8. **Incentive Compensation.** Subject to the terms and conditions set forth herein, Employee shall receive Incentive Compensation in the amounts, based on attaining the goals, shown below.

- a. **Post-Season Incentive Compensation.** Employee shall be entitled to post-season incentive compensation as follows. Post-Season Incentive Compensation is additional compensation for the extra services required of Employee in the preparation for and participation in post-season play, in accordance with LSU's policies and procedures. If Employee does not actively coach the Team in the Position for any post-season game for any reason, including but not limited to termination of employment, Employee shall not be entitled to Post-Season Incentive Compensation. Post-Season Incentive Compensation shall be paid within 60 days of achieving the applicable goal and may be payable, in whole or in part, from affiliated foundation funds. The maximum amount of Incentive Compensation under this Section shall be \$125,000 per Contract Year.

- 1. SEC Championship Game Participant \$15,000 OR
- 2. SEC Champion \$25,000

AND ONE OF THE FOLLOWING:

- 1. Non-College Football Playoff (CFP) Bowl Participant \$15,000 OR

2.	CFP Participant (Top 12)	\$25,000	OR
3.	CFP Quarterfinal Game Participant	\$40,000	OR
4.	CFP Semifinal Game Participant	\$50,000	OR
5.	CFP National Championship Game Participant	\$75,000	OR
6.	CFP National Champion	\$100,000	

If the CFP format is expanded to include additional teams, the parties will mutually agree on additional incentive compensation for participation therein, and/or CFP victories (to the extent not already contemplated by the then-existing bonus structure).

- b. **Coaching Recognition Incentive Compensation.** Employee shall earn Coaching Recognition Incentive Compensation in the amount of \$25,000 for receiving the Broyles Award. Coaching Recognition Incentive Compensation, if payable, shall be considered earned as of the first date any of the honors is announced and shall be paid within 60 days of that date. The maximum amount of Coaching Recognition Incentive Compensation payable in a Contract Year shall be \$25,000.

- 9. **Fringe Benefits and Leave.** Unless otherwise specified herein, Employee is entitled to participate in the fringe benefit programs available to all unclassified professional LSU employees, with contributions and benefit amounts as defined by law. Employee shall also be entitled to the following benefits:

- A. **Apparel.** As part of any third-party apparel and/or equipment-related contract with LSU, Employee acknowledges and agrees that the Team may be provided and/or allocated apparel and/or equipment from and by LSU, which apparel and equipment shall be used exclusively and solely by Employee in furtherance of Employee's employment duties and team-related activities as applicable to Employee's employment with LSU.
- B. **Car Allowance.** Employee shall receive an automobile entitlement of (1) an annual automobile allowance not to exceed \$800 per month, or (2) to the extent consistent with state ethics law, use of a courtesy vehicle provided by a dealership and related automobile insurance.
- C. **No Annual Leave.** Because of the specific nature of Employee's job duties and the irregular times during which Employee will be required to perform those job duties (for example, working more than 40 hours per week during Team's season, post-season, and recruiting period, while having fewer responsibilities in the off-season), Employee acknowledges and agrees that Employee will not earn or accrue annual leave.

1. Employee's compensation has been mutually negotiated with this understanding, and both Employee and LSU agree that the compensation would be less if Employee were entitled to earn annual leave.
 2. If any administrative tribunal, statewide elected official, state board or commission with jurisdiction over such matters, or any court of competent jurisdiction, rules or publishes a formal written opinion or decision that Louisiana law requires Employee to earn annual leave, and such rule or opinion is binding on LSU or LSU otherwise determines that it must comply with the opinion or ruling, then Employee's Base Salary shall be reduced by the dollar value of the annual leave for which Employee is credited (using the dollar value of such annual leave as of the date on which the opinion or ruling is published). This reduction shall be retroactive to the date on which Employee's earning of annual leave is calculated to begin, and Employee shall repay to LSU the amount of the reduction. Employee shall pay LSU any amount owed as a result of this retroactive reduction in equal monthly installments for a period of 12 months (or such longer or shorter period as may be mutually agreed in writing by Employee and LSU) from the date on which the Employee is given notice that Employee will be credited with annual leave pursuant to this Section. In the alternative, if not prohibited by the ruling or otherwise disallowed by law, Employee may waive Employee's right to annual leave (both retroactively and/or prospectively) in lieu of making the payments that would otherwise be required under this Section.
- D. **No Overtime.** Employee qualifies and is designated as exempt under the Fair Labor Standards Act and is not entitled to any overtime pay or compensatory leave for work in excess of 40 hours in any workweek.
- E. **Relocation Incentive.** If indicated in Section 1 of the Agreement, Employee shall receive a Relocation Incentive. As per University policy, the Relocation Incentive is subject to prorated repayment to LSU if you do not continue employment with the University for at least two full years. In accordance with Internal Revenue Service regulations, all relocation benefits are taxable compensation subject to withholding and other appropriate deductions.
- F. **Retirement Plan.** Employee is entitled to participate in the retirement programs available to all unclassified professional LSU employees, with contributions and benefit amounts as defined by law. Employee understands and agrees that no contributions for purposes of any State of Louisiana retirement program will be made by LSU or withheld from Employee's compensation except as to the Base Salary and any earned Post-Season Incentive Compensation, and Employee shall not be entitled to any retirement benefits that may otherwise be attributable to any other compensation paid pursuant to this Agreement. Employee further acknowledges that other sums paid shall not be considered "base pay," "earned compensation," or "earnable compensation" as such terms are defined under Louisiana law and shall not be included as compensation for the purpose of

computation of retirement benefits. Retirement contributions are subject to the limitations of federal law and Louisiana law.

- G. **Sick Leave.** Employee shall accrue and use sick leave in accordance with LSU policy.

10. Additional Revenue.

- A. Subject to compliance with Governing Athletics Regulations, including but not limited to current NCAA Bylaw 11.2.2 and 11.3.2, and LSU Permanent Memorandum 11 (“PM-11”), Employee may earn or receive other revenue (“Additional Revenue”) while employed by LSU, including working with sports camps or clinics, provided, however, that Employee shall obtain prior written approval from the President before engaging in any commercial or private venture (other than a passive investment), including the use of Employee’s name by any commercial, public or private entity. As required by NCAA Bylaws 11.2.2, 11.3.2.1, and 11.3.2.1.1, Employee shall report annually to the President and the Athletics Director, in writing, all athletically-related income or benefits received by Employee from sources outside LSU, and shall provide LSU reasonable access to all records necessary to verify this report. LSU does not guarantee any amount of Additional Revenue.
- B. Employee shall not, without written approval of the President and the Athletics Director and compliance with PM-11, arrange for or agree to the receipt of any supplemental pay, bonus, or other form of payment from any outside source.
- C. Except for routine news media interviews or educational or development programs for which no compensation is received, Employee shall not appear on or in any radio, television, or internet programs or other electronic media other than those produced or sponsored by LSU without the prior written approval of the Athletics Director or the Athletics Director’s designee.
- D. Employee shall not appear in or make any advertisement or commercial endorsement without the prior written approval of the President and the Athletics Director, which will not be unreasonably withheld.

11. Termination and Suspension.

- A. **Termination by LSU for Cause.** This Agreement may be terminated for “cause” by LSU at any time prior to its expiration, upon written notice to Employee.
 - 1. For purposes of this Section, “cause” for termination shall be defined as:
 - a. If, as determined by LSU and without the need for any adjudication by any other entity, Employee commits any material and substantial violation (or repeated lesser violations) of Governing Athletics Regulations, fails promptly to report any such violation by another

person to the Director of Compliance, or commits a material and substantial violation of any LSU policies, rules, or procedures;

- b. If, as determined by LSU and without the need for any adjudication by any other entity, there is any material and substantial violation of Governing Athletics Regulations involving any aspect of the Program by any other person if either: (i) the violation occurs or continues to occur after Employee knew or had constructive knowledge that it was about to occur or was occurring, or (ii) Employee failed to follow reasonable policies and procedures established in writing by the Athletics Department to prevent violations of Governing Athletics Regulations from occurring and to detect promptly any such violations which may occur;
- c. Engaging in serious misconduct which either: (i) displays a continual, serious disrespect or continual, serious disregard for the mission of LSU; (ii) brings Employee into substantial public disrepute sufficient, at the reasonable discretion of LSU, to materially impair Employee's ability to perform the obligations contained herein without material adverse impact on the Team or Program; or (iii) constitutes moral turpitude or breaches the high moral and ethical standards applicable to Employee as a visible representative of LSU, including but not limited to acts of dishonesty, misrepresentation, fraud or violence that may or may not rise to the level of warranting criminal prosecution by the relevant authorities;
- d. Unreasonable refusal or repeated failure to perform any duties imposed upon Employee herein (including but not limited to those duties specified in this Agreement), or failing to perform the same to the best of Employee's reasonable ability;
- e. Failing to cooperate in the investigation, infractions process, adjudication or enforcement of Governing Athletics Regulations or in any LSU internal investigation or inquiry; or knowingly permitting any other person under Employee's supervision to fail to reasonably cooperate in such investigation and enforcement;
- f. Subject to any right of administrative appeal permitted or granted to Employee by the NCAA or SEC, any finding or determination by the NCAA, SEC, or any commission, committee, council, or tribunal of the same, of any major or repetitive violations by Employee of NCAA or SEC rules, or of any such major or repetitive violations by others under the direct supervision of Employee which were permitted, encouraged, or condoned by Employee, or about which violations Employee knew or should have known and should have acted reasonably to prevent, limit, or mitigate (it is recognized

that this subsection includes findings or determinations of any previously undisclosed violations during Employee's prior employment at another institution);

- g. Failing to report promptly to the Director of Compliance any violations of Governing Athletics Regulations involving the Team of which Employee has knowledge;
- h. Failure by Employee to engage in, and use best efforts to ensure that personnel under Employee's direct or indirect supervision engage in, safe and responsible treatment of student athletes on the Team, including but not limited to failure to comply with any requirement pertaining to medical clearance for participation, or any other act or omission (including but not limited to physical and/or emotional abuse of student athletes) that creates, or could reasonably be expected to create, an unreasonable risk of harm to a student athlete;
- i. Failure to comply with LSU policies, rules and regulations concerning Title IX, including specifically but not exclusively the reporting of any incident of sexual misconduct in accordance with LSU's Title IX policy and PM-73; or
- j. Prolonged absence from LSU without permission, which will not be unreasonably withheld;
- k. Failure to respond fully and truthfully within a reasonable time to any reasonable requests or inquiry relating to the performance of any duties herein or at any prior employment at any other institution of higher learning propounded by LSU, the NCAA, the SEC or any other governing body having supervision over the athletic programs of LSU or such other institution of higher education, or required by law or Governing Athletics Regulations; or knowingly permitting any other person under Employee's supervision to fail to so respond;
- l. Committing fraud in the performance of any duties and responsibilities herein, either with intent or reckless disregard for the truth, including but not limited to fraud or dishonesty in any written or verbal statements, including résumés, provided by Employee to LSU in the application process or fraud in the preparation, falsification, or alteration of documents or records of LSU, the NCAA, or the SEC, or documents or records pertaining to any recruit or student athlete, including but not limited to transcripts, eligibility forms, and compliance reports; or knowingly permitting any other person to commit such fraud;

- m. Being charged with or convicted of either: (i) any felony, or (ii) any crime involving larceny, embezzlement, fraud, gambling, drugs, or alcohol;
 - n. Participation in any gambling, bookmaking, wagering, or betting involving any athletic contest whether by soliciting, placing, or accepting a bet or wager or through a bookmaker, a pool, an online or in-person sportsbook, or any other method of gambling; or knowingly permitting any student athlete or other individual under Employee's control, authority, or supervision to participate in such activity;
 - o. Providing information or data, other than information or data provided to the general public through public presentation, relating in any manner to any intercollegiate sport or to any student athlete to any individual whom Employee knows (or has constructive knowledge) to be a gambler, better, or bookmaker, or an agent of any such person; or knowingly permitting any student athlete or other individual under Employee's control, authority, or supervision to furnish such information or data;
 - p. Use or consumption of alcoholic beverages or controlled substances, steroids, or other drugs or substances to such degree and for such appreciable period as to substantially impair Employee's ability to perform the duties herein;
 - q. Sale, purchase, use or possession of any controlled substances, steroids, or other drugs or chemicals, the sale, purchase, use, or possession of which by Employee is prohibited by law or Governing Athletics Regulations, excepting the use or possession of substances or drugs lawfully prescribed by a health care provider, and used in accordance therewith;
 - r. Encouraging or allowing the sale, purchase, use, or possession by any student athlete or other individual under Employee's control, authority, or supervision of any controlled substances, steroids, or other drugs or chemicals, the sale, purchase, use, or possession of which by such person is prohibited by law or Governing Athletics Regulations; or
 - s. Violating any material term of this Agreement.
2. The process for termination for cause is as follows:
- a. Prior to termination for cause, LSU shall provide Employee written notice of termination with a designated effective date of termination. The notice of termination shall be provided at least seven calendar days before the effective date of termination and shall be signed by

the Athletics Director or the Athletics Director's designee. The notice of termination shall reference the facts upon which termination is authorized.

- b. Prior to the effective date of termination in the notice, Employee shall have the right to present a written statement and any supporting materials to the Athletics Director detailing why the Employee believes LSU should rescind its notice of termination. The Athletics Director or the Athletics Director's designee may extend the effective date of termination in writing to allow additional time to consider Employee's response.
 - c. After review of any such response, the Athletics Director or the Athletics Director's designee shall provide Employee written notice of a decision. If confirmed, termination of employment shall be effective on the date of termination previously identified.
 - d. Within seven calendar days of receipt of the decision of the Athletics Director, Employee may make a written request for review to the President and submit materials for consideration. If no such request is made, the decision of the Athletics Director is final.
 - e. If a request for review is made, the President or the President's designee shall conduct the review based on materials provided by the Employee and materials considered by the Athletics Director. The request for review by the President shall not suspend the effective date of the termination.
 - f. Within 14 calendar days of the submission, Employee will be provided written notice of the decision of the President, which shall be final.
3. Should the Employee be reinstated following a request for review, Employee shall be paid any lost compensation and benefits, retroactive to the date such compensation and benefits ceased.
 4. In the event of termination for cause, all of Employee's compensation and benefits provided for in this Agreement shall terminate on the termination date, and LSU shall not thereafter be liable to Employee for any sums or damages other than compensation earned through the last day of such month, as well as Post-Season Incentive Compensation (if any) that has been earned but not paid. The termination date shall be the date on which the initial notice of termination is given, or on such later date as may be set forth by LSU in the notice of termination.
 5. As required by NCAA Bylaw 11.2.1, Employee is hereby notified that in addition to the actions LSU may take in accordance with this Agreement, Employee is also subject to disciplinary or corrective action as set forth in

the provisions of the NCAA enforcement procedures if Employee is found by the NCAA or LSU to be in violation of NCAA Bylaws. Employee agrees that LSU shall implement any such disciplinary or corrective actions imposed by the NCAA. Employee further understands that Employee has an affirmative obligation to cooperate fully in the NCAA infractions process, including the investigation and adjudication of a case, pursuant to this Agreement and NCAA Bylaw 11.2.1, and that such obligation continues in effect during and beyond the termination of this Agreement for any violations alleged to have occurred during Employee's employment by LSU.

B. Termination by LSU without Cause.

1. LSU shall have the right to terminate this Agreement without cause upon written notice to Employee.
2. In the event of termination by LSU without cause, all of Employee's compensation and benefits provided for in this Agreement shall terminate on the termination date, and LSU shall not thereafter be liable to Employee for any sums or damages other than the liquidated damages provided for herein and as well as Post-Season Incentive Compensation (if any) that has been earned but not paid. The termination date shall be the date designated by LSU in the notice of termination.
3. If LSU terminates employment during the Term without cause, LSU will pay Employee liquidated damages of 90 percent of the Base Salary and Supplemental Compensation which would have been payable to Employee through the remaining Term of the Agreement. However, if there is any change to Governing Athletic Regulations, law or jurisprudence that allows a change in compensation available to student-athletes, then the liquidated damages available under this Section shall be limited to a 12-month period from the date of termination or the remaining Term of the Agreement, whichever is less.
4. In the event Brian Kelly ceases to hold the position as Head Coach for any reason, LSU shall have the option, in its sole discretion, to terminate this Agreement effective six months after the last date on which Brian Kelly holds the position as Head Coach, or on such earlier date as is mutually agreed between Employee and LSU, and LSU shall not thereafter be liable to Employee for any sums or damages other than any compensation earned pursuant to this Agreement prior to such termination date.
5. Liquidated damages under this Section will be paid in equal monthly installments over a period equal to the amount of time then remaining in the Term. LSU's obligation to pay liquidated damages under this Section shall terminate upon the death of Employee.

6. In the event of termination by LSU without cause, Employee shall have the duty to mitigate and use best efforts to obtain similar athletics-related employment in another position with compensation at fair market value. Employee shall exercise due diligence and good faith in seeking qualifying employment so long as the liquidated damage obligation exists. In the event Employee obtains such other employment, Employee must notify LSU and provide documentation reasonably requested by LSU to determine the amount of compensation received by Employee and the amount of offset due to LSU. Mitigation shall be calculated as follows:
 - a. If new employment is via contract, LSU shall reduce future payments by the greater of (i) the average annual compensation of Employee's new employment agreement (regardless of term) or (ii) the specific annual compensation due for given year corresponding to this Agreement.
 - b. If new employment is not via contract (i.e., at-will), LSU will reduce future payments by the specific annual compensation due for given year corresponding to this Agreement.

Employee shall not attempt to allow third parties to take advantage of this Section as a means of avoiding paying the market value of Employee's services. In the event Employee breaches these obligations, LSU will have the right to (i) be completely relieved of any obligation to make any remaining payments owed to Employee (following notice to Employee and a reasonable opportunity for Employee's new employer to cure any deficiency) or (ii) adjust payments to reflect the market value for Employee's employment or services.

7. This is an agreement for personal services. The parties recognize that termination of this Agreement by LSU prior to its expiration by lapse of term would cause Employee to lose compensation, fringe benefits, certain other LSU-provided benefits, and possibly other income and benefits provided by third parties, which damages are not easy to determine with certainty. Accordingly, the parties have bargained for this liquidated damages provision. The parties further agree that the liquidated damages herein are not in any way a penalty.

C. Termination by Employee Without Cause.

1. Employee shall have the right to terminate this Agreement without cause upon 30 days written notice to LSU. If Employee terminates employment at any time before the End Date, Employee will pay liquidated damages to LSU as follows:
 - a. Fifty percent (50%) of all remaining Base Salary and Supplemental Compensation which would have been payable to Employee for the

remaining Term, if Employee accepts employment in a non-head coaching position or play-calling coordinator position with another SEC program (regardless of location) or any Division I-A program within 500 miles of LSU; or

- b. Twenty-five percent (25%) of all remaining Base Salary and Supplemental Compensation which would have been payable to Employee for the remaining Term, if Employee accepts employment in a non-head coaching or play-calling coordinator position other than as described above or terminates employment for any other reason; however
 - c. No liquidated damages will be owed if Employee:
 - (i) Terminates employment with LSU to contemporaneously accept any collegiate play-calling coordinator position or head coaching position;
 - (ii) Terminates employment with LSU to contemporaneously accept any head coach or play-calling coordinator position in the National Football League;
 - (iii) Terminates the Agreement after the conclusion of the final regular game (including the conference championship game, if applicable) of the final season covered by the Term; or
 - (iv) Terminates within 90 days of Brian Kelly's last day of employment with LSU as Head Coach.
2. Employee shall have the option to pay liquidated damages in a lump sum or in equal monthly installments over a period equal to the amount of time then remaining in the Agreement.
3. In the event of termination by Employee without cause, all of Employee's compensation and benefits provided for in this Agreement shall terminate on the termination date, which, unless otherwise agreed to in writing by LSU and Employee, shall be the earlier of: (a) the date on which Employee provides notice of termination to LSU; (b) the date on which Employee accepts employment from another employer; or (c) the date on which Employee performs any work or services of any kind or nature whatsoever on behalf of or for the benefit of another employer. LSU shall not thereafter be liable to Employee for any amounts other than any compensation earned pursuant to this Agreement prior to the termination date. The Parties acknowledge that this provision is intended to obligate Employee to repay unearned compensation and fees previously or inadvertently paid by LSU under the premise that Employee would fulfill the Term of this Agreement.

4. This is an agreement for personal services. The parties recognize that termination of this Agreement by Employee prior to its expiration by lapse of term would cause LSU to incur administrative, recruiting, and resettlement costs in obtaining a replacement for the Program, in addition to potentially increased compensation costs and loss of goodwill or sales, which damages are impossible to determine with any certainty. Accordingly, the parties have bargained for this liquidated damages provision. The parties further agree that the liquidated damages herein are not in any way a penalty.

D. Suspension or Other Disciplinary Action.

1. LSU may impose suspension or leave without pay for a period no longer than 120 days for any act or omission which would be grounds for discipline or termination for cause as defined herein. Imposition of such sanctions shall be at the discretion of LSU, which shall not be exercised arbitrarily or capriciously. Prior to suspension without pay under this provision, Employee shall be provided written notice of the grounds for the suspension and shall have seven calendar days from receipt of such notice to respond in writing to the Athletics Director. After review of any such response, the Athletics Director or the Athletics Director's designee will provide Employee with written notice of a decision and/or suspension. Suspension under this subsection shall not limit any rights of LSU to terminate Employee for cause.
2. Employee shall be subject to disciplinary or corrective action by the NCAA or SEC for any violation of NCAA and SEC regulations, respectively. Such action by the NCAA or the SEC shall not preclude or in any manner affect LSU's right to take such other corrective or disciplinary action as it deems necessary or proper, including termination for cause.
3. Notwithstanding any other provision of this Agreement to the contrary, if Employee is suspended by the SEC or NCAA, Employee shall automatically be suspended by LSU for the duration of the SEC or NCAA imposed suspension without further notice or process. During such suspension, Employee shall not be entitled to receive any compensation, benefits or any other payments under this Agreement except for fringe benefits provided under Section 9 of this Agreement.

- E. Termination by Death or Disability.** In the event of the death of Employee or the inability of Employee to perform the obligations described in this Agreement with or without accommodation by reason of disability or some other occurrence beyond the control of either party, and such inability to perform has continued or will continue beyond a reasonable period of time, but not less than 60 days, this Agreement shall terminate as a termination with cause and all future obligations between the parties shall cease upon the termination date reasonably established by LSU, unless otherwise required by law.

F. **Exclusivity of Remedy.** The financial consequences of termination of this Agreement or suspension are exclusively set forth herein. Therefore, with the sole exception of payments required by this Agreement, in any instance of termination for cause or without cause, or suspension or other disciplinary sanction effected in accordance with the procedures established in this Agreement, neither Employee nor LSU shall be entitled to receive, and each hereby waives any claim against the other, and their respective board members, officers, directors, agents, employees, successors, and personal representatives, for damages, including consequential damages by reason of any alleged economic loss, including but not limited to loss of collateral income, deferred income, loss of earning capacity, loss of business opportunity, loss of benefits, loss of fees from speaking, camps or other outside activity, damages allegedly sustained because of alleged humiliation or defamation, or any other non-compensatory and compensatory damages and attorney's fees resulting from the fact of termination, the public announcement thereof, or the release by LSU or Employee of information or documents which are public or as otherwise required by law. Employee acknowledges that in the event of either termination of this Agreement for cause, without cause, or otherwise, or suspension or other disciplinary sanction effected in accordance with the procedures established in this Agreement, Employee shall have no right to occupy the Position and that Employee's sole remedies are provided herein and shall not extend to injunctive relief. THE PARTIES ACKNOWLEDGE AND AGREE THAT THIS SECTION LIMITING LIABILITY AND EXCLUDING CONSEQUENTIAL DAMAGES AND OTHER REMEDIES IS AN ESSENTIAL AND MATERIAL INDUCEMENT FOR THE UNIVERSITY TO ENTER INTO THIS AGREEMENT. ACCORDINGLY, SUCH PROVISIONS SHALL BE SEVERABLE AND INDEPENDENT OF ANY OTHER PROVISIONS AND SHALL BE ENFORCED AS SUCH, REGARDLESS OF ANY BREACH OR OTHER OCCURRENCE HEREUNDER.

G. **Interference with Athletics.** During any period where Employee receives post-termination liquidated damages, compensation or benefits, Employee agrees that Employee will not interfere with LSU student-athletes or otherwise obstruct the ability of LSU or the Athletics Department to transact business. If Employee violates this provision, LSU shall be entitled to discontinue any post-termination liquidated damages, compensation or benefits and may seek to recover any payments that have been disbursed.

12. **Discontinuation of the Program by the University.** Notwithstanding any provision to the contrary, if the University determines for any reason within its sole discretion to discontinue the Program as a Division I sport, LSU shall have the right to terminate this Agreement without further obligation to Employee. Notice of termination under this Section shall be in writing and shall establish a date of termination 12 months from the date of the notice or upon the End Date, whichever occurs first. If the right to terminate pursuant to this Section is exercised, all obligations between the parties shall cease effective on the date of termination.

13. **University Property.** All property that is provided to, or developed or acquired by, Employee as part of or in conjunction with Employee's employment by LSU, regardless of the format or manner in which the property may be retained or stored, shall remain the sole property of LSU. This shall include, without limitation, all documents, files, personnel records, recruiting records, team information, athletic equipment, films, statistics, keys, credit cards, computers, software programs, and electronic devices that Employee may have access to or come into possession of during employment. Excluded from this provision are Employee's personal notes, personal playbooks, memorabilia, diaries and other personal records, which the Employee may retain. Employee is required to return to LSU all LSU property in Employee's possession within seven calendar days of termination or separation of employment. Employee shall also return any courtesy vehicle provided under this Agreement within seven calendar days of termination or separation of employment. Employee agrees that LSU may withhold any liquidated damage payments or other compensation due Employee pending return of property under this Section.
14. **Duty of Loyalty.** Unless notice of termination under this Agreement has been given by either party, neither Employee nor Employee's agent shall, under any circumstances, discuss or negotiate directly or indirectly prospective employment for Employee with any other institution of higher education, professional athletic team, or other athletically-related (including media and sports marketing) prospective employer without giving at least 24 hours prior written notice to the President and the Athletics Director.
15. **Duty to Cooperate.** Both during and after the end of employment with LSU, Employee agrees, without additional compensation (other than reimbursement for reasonable associated expenses post-employment), to cooperate with LSU in any investigation, internal or otherwise, of any possible violation of law (including Title IX) or violation of any rule, policy or regulation of LSU (including PM-73), the SEC or the NCAA. Employee agrees (a) to be reasonably available to answer questions regarding any matter with which Employee was involved while employed by LSU, and (b) to cooperate with LSU during the course of any proceedings arising out of any matter with which Employee has knowledge or information.
16. **Non-Assignment.** Neither party may assign, transfer, alienate, or encumber any of its rights or obligations hereunder without the express written consent of the other party, except as otherwise specifically set forth in this Agreement.
17. **Entire Agreement.** This Agreement constitutes and expresses the entire agreement and understanding of the parties concerning the matters contemplated hereby and shall, upon the Effective Date, supersede any other oral and written agreements between the parties. There are no oral or other agreements, understandings, promises, or representations between the parties affecting this Agreement. Both parties have relied solely on their own respective judgments in entering into this Agreement, with full opportunity to seek advice of competent counsel. It shall be construed, if necessary, without reference to the party that was the principal drafter of the Agreement.

18. **Indirect Actions Prohibited**. Any act which Employee is prohibited from doing directly in this Agreement shall not be done indirectly by Employee or another person on Employee's behalf or at Employee's behest.
19. **Amendments to Agreement**. This Agreement may be amended only by a written instrument duly approved by LSU through its designated representatives and accepted by Employee, such approval and acceptance to be acknowledged in writing.
20. **Severability**. If any provision of this Agreement shall be deemed invalid or unenforceable, either in whole or in part, this Agreement shall be deemed amended to delete or modify, as necessary, the offending provision or to alter the bounds thereof in order to render it valid and enforceable.
21. **No Waiver of Default**. No waiver by the parties hereto of any default or breach of any covenant, term or condition of this Agreement shall be deemed to be a waiver of any other default or breach of the same or any other covenant, term or condition contained herein.
22. **No Waiver of Sovereign Immunity**. It is expressly agreed and understood between the parties that nothing contained herein shall be construed to constitute a waiver or relinquishment by LSU of any rights to claim such exemptions, privileges and immunities as may be provided by law.
23. **"Force Majeure" Clause**. Neither party shall be considered in default of performance of any obligations under this Agreement if such performance is prevented or delayed by Force Majeure. "Force Majeure" shall be understood to be any cause which is beyond the reasonable control of the party affected and which is forthwith, by notice from the party affected, brought to the attention of the other party, including but not limited to war, hostilities, revolution, civil unrest, strike, lockout, epidemic or pandemic, government-ordered restriction or cessation of activity, accident, fire, natural disaster, wind or flood or any requirements of law, or an act of God.
24. **Additional Conditions of Employment**.
 - A. **Compliance with La. R.S. 42:31**. To the extent annual compensation under this Agreement exceeds \$100,000, Employee hereby agrees and promises that, within 30 days of the Start Date or the date that compensation reaches that threshold, Employee shall provide proof to LSU that Employee has been issued a Louisiana driver's license and that all vehicles registered in Employee's name are registered in Louisiana, all pursuant to the requirements of La. R.S. 42:31.
 - B. **Background Checks and Disclosures**. Prior to commencing employment, Employee shall be required to submit to background checks as deemed appropriate by the University. Employee's employment is contingent upon a satisfactory background check in accordance with University policy. In addition, prior to signing this Agreement, Employee must disclose to the University any and all criminal, civil or administrative matters from the prior five years, including those currently pending but excluding non-felony traffic infractions. RESOLUTION

NOW, THEREFORE, BE IT RESOLVED the Board of Supervisors of Louisiana State University and Agricultural & Mechanical College approves the Employment Agreement for Paul "Austin" Thomas as described in this item and authorizes the President to execute the Employment Agreement in consultation with the Office of General Counsel.

EMPLOYMENT AGREEMENT

This Employment Agreement (“Agreement”) is made and entered into as of this 25th day of April, 2025, by and between the Board of Supervisors of Louisiana State University and Agricultural and Mechanical College (“LSU”), a body corporate existing under the Constitution and laws of the State of Louisiana, herein represented by William F. Tate IV, its duly authorized President, and Paul “Austin” Thomas (“Employee”):

1. **Definitions.** For purposes of this Agreement, the following terms shall have the meaning shown:

- A. “Athletics Director”: The Director of Athletics at LSU.
- B. “Base Salary”: The annualized sum of \$400,000.
- C. “Contract Year”: An annual period from January 1 to December 31 during the Term.
- D. “End Date”: January 15, 2028.
- E. “Position”: Senior Associate Athletics Director for Football Administration.
- F. “President”: The President of LSU.
- G. “Program”: The intercollegiate football program at LSU.
- H. “Start Date”: February 1, 2025
- I. “Supplemental Compensation”: The annualized sum of:

Start Date through January 15, 2026:	\$400,000
January 16, 2026 through January 15, 2027:	\$450,000
January 16, 2027 through January 15, 2028:	\$500,000
- J. “Team”: The intercollegiate athletic team which is a part of the Program.

2. **Term.** This Agreement shall be for a definite term (“Term”), commencing on the Start Date and ending on the End Date unless terminated sooner in accordance with Section 10 or 11 of this Agreement.

3. **Employment.** LSU does hereby employ Employee in the Position for the Term. Employee will report directly to the Athletics Director or the Athletics Director’s designee. It is the intention of the parties that Employee will serve in the Position for the entirety of the Term. Employee acknowledges and agrees that Employee is not eligible for and will not be considered for or granted tenure by LSU.

4. **Duties and Responsibilities.** Employee's duties and responsibilities shall include the following, all subject to law, LSU policy, and the directives, input, and advice of the Athletics Director:

- A. Being reasonably knowledgeable of and complying with: (1) all applicable federal and state laws governing intercollegiate athletics; and (2) all governing constitutions, by-laws, rules, policies, interpretations, and regulations of the National Collegiate Athletics Association ("NCAA"), the Southeastern Conference ("SEC"), LSU, and any other conference rules or policies which may be subsequently implemented (hereinafter collectively referred to as "Governing Athletics Regulations");
- B. Assisting with the development and implementation of plans, policies, procedures and programs that are in compliance with the rules and regulations of LSU, the SEC or any successor organization, and the NCAA or any successor organization, as well as all applicable local, state and federal laws which promote the mission of the Athletics Department ("Department"), LSU's high standard of academic excellence, and the general welfare of student-athletes;
- C. Observing, respecting, and promoting the principles of institutional control in every aspect of the Department and throughout all of its intercollegiate athletic programs;
- D. Assisting with management and oversight of the Program and promoting athletic excellence on local, conference and national levels for the Program;
- E. Overseeing player personnel, including roster management, scholarships, the walk on roster, the transfer portal, and working regularly with coaching staff to formulate recruiting plans for the Team;
- F. Working with the Athletics Director and Executive Deputy Athletics Directors to manage the Program;
- G. Working with administration and sports medicine to manage all insurance policies for the Program;
- H. Advising the Head Football Coach on Program development, evaluating and hiring of Program personnel, recruiting events, and day-to-day management of the Team;
- I. Devoting full professional attention and efforts to promoting the Program and fulfilling the necessary administrative responsibilities and duties as assigned by the Athletics Director;
- J. Promptly reporting any known or reasonably suspected violation of Governing Athletics Regulations to the Athletics Director and the Director of Compliance;
- K. Understanding and complying with Title IX of the Education Amendments of 1972 and LSU policies on Title IX and sexual misconduct, including but not limited to Permanent Memorandum 73 ("PM-73"), and understanding and complying with

the mandatory obligation to report incidents of sexual misconduct (including sexual harassment and sexual violence) and other inappropriate sexual conduct of which Employee has knowledge or receives notice to LSU's Title IX Coordinator as required by PM-73;

- L. Understanding and complying with Title VI of the Civil Rights Act of 1964, other federal laws, state law, and LSU policies on equal opportunity and discrimination, including but not limited to Permanent Memorandum 55;
 - M. Cooperating fully, truthfully and without undue delay in any investigation, inquiry, infractions process or adjudication of any matter under Governing Athletics Regulations conducted or authorized by LSU, the SEC, or the NCAA at any time;
 - N. Cooperating fully, truthfully and without undue delay in any LSU internal investigation or inquiry;
 - O. Understanding, observing, upholding, and promoting LSU's written academic standards, requirements, and policies, and reasonably promoting an environment in which admissions, financial aid, academic services for student-athletes, and recruiting are conducted consistent with LSU's mission;
 - P. Performing all duties in a manner consistent with good sportsmanship and in accordance with the high moral, ethical, and academic standards of the Athletics Department, the Program and LSU;
 - Q. Using reasonable efforts, through due care and supervision, to ensure that all student athletes and other individuals under or subject to Employee's control, authority, or supervision comply with all Governing Athletics Regulations and act in accordance with the high moral, ethical, and academic standards of the Athletics Department, the Program and LSU;
 - R. Maintaining a presence on campus and in the Program, except for absences approved by the Athletics Department;
 - S. Promoting the success of the Team and its student athletes both athletically and academically, using reasonable efforts to promote the goal of LSU that every student athlete obtains an undergraduate degree, and reasonably cooperating with academic counselors or similar persons designated by LSU to assist student athletes and the faculty and administrators of LSU in connection with the academic pursuits of student athletes; and
 - T. Any other matters as may be detailed in the position description for the Position or as may be assigned by the Athletics Director.
5. **Base Salary.** LSU agrees to pay Employee the Base Salary annually during the Term, in 12 equal monthly installments, on LSU's regular monthly payroll date. Any amounts due to Employee under this Section for a partial Contract Year shall be prorated.

6. Media Participation, License to NIL, and Supplemental Compensation.

- A. **License.** As owner of the rights to Employee’s name, image and likeness, Employee grants to the University and Athletics Department a perpetual, non-exclusive and non-transferrable license of the names, nicknames, initials, autograph, likeness, images, pictures, video, depictions, resemblance, quotes, phrases, interviews, coaching records, philosophies and methods attributable to Employee obtained during the Term, and all derivatives thereof, for any current or future uses for promoting the University, Athletics Department or the Program. This license shall include the intellectual property rights and services of Employee in connection with promoting, appearing on, or participating in, as requested, and making reasonable efforts to make successful, LSU-sanctioned television, radio, social media and internet programs, including streaming services, concerning LSU and the Team.
- B. **Supplemental Compensation/Royalty.** As a royalty for the license granted herein, Employee will earn and receive Supplemental Compensation, which shall be payable in equal monthly installments and may be paid from affiliated foundation funds. Any amounts due to Employee under this Section for a partial Contract Year shall be prorated.
- C. **Ownership of Programming.** LSU shall exclusively own all rights to any television, radio, and internet programs and shall be entitled, at its option, to produce and market the programs or negotiate with third parties for the production and marketing of the programs. LSU shall retain all revenue generated by the programs including but not limited to that received from program sponsors for commercial endorsements used during the programs. “Program sponsors” shall include, but not be limited to, those persons or companies who make financial contributions supporting, or who pay a fee for, commercial announcements and endorsements used on the programs.

7. Post-Season Incentive Compensation. Employee shall be entitled to post-season incentive compensation as follows. Post-Season Incentive Compensation is additional compensation for the extra services required of Employee in the preparation for and participation in post-season play, in accordance with LSU’s policies and procedures. If Employee does not actively coach the Team in the Position for any post-season game for any reason, including but not limited to termination of employment, Employee shall not be entitled to Post-Season Incentive Compensation. Post-Season Incentive Compensation shall be paid within 60 days of achieving the applicable goal and may be payable, in whole or in part, from affiliated foundation funds. The maximum amount of Incentive Compensation under this Section shall be \$60,000 per Contract Year.

|----|-----------------------------------|----------|----|
| 1. | SEC Championship Game Participant | \$5,000 | OR |
| 2. | SEC Champion | \$10,000 | |

AND ONE OF THE FOLLOWING:

1.	Non-College Football Playoff (CFP) Bowl Participant	\$10,000	OR
2.	CFP Participant (Top 12)	\$20,000	OR
3.	CFP Quarterfinal Game Participant	\$25,000	OR
4.	CFP Semifinal Game Participant	\$30,000	OR
5.	CFP National Championship Game Participant	\$35,000	OR
6.	CFP National Champion	\$50,000	

If the CFP format is expanded to include additional teams, the parties will mutually agree on additional incentive compensation for participation therein, and/or CFP victories (to the extent not already contemplated by the then-existing bonus structure).

8. Fringe Benefits and Leave. Unless otherwise specified herein, Employee is entitled to participate in the fringe benefit programs available to all unclassified professional LSU employees, with contributions and benefit amounts as defined by law. Employee shall also be entitled to the following benefits:

- A. **Apparel.** As part of any third-party apparel and/or equipment-related contract with LSU, Employee acknowledges and agrees that the Team may be provided and/or allocated apparel and/or equipment from and by LSU, which apparel and equipment shall be used exclusively and solely by Employee in furtherance of Employee's employment duties and team-related activities as applicable to Employee's employment with LSU.
- B. **Car Allowance.** Employee shall receive an automobile entitlement of (1) an annual automobile allowance in an amount not to exceed \$800 per month, or (2) to the extent consistent with state ethics law, use of courtesy vehicle provided by a dealership and related automobile insurance.
- C. **No Overtime.** Employee qualifies and is designated as exempt under the Fair Labor Standards Act and is not entitled to any overtime pay or compensatory leave for work in excess of 40 hours in any workweek.
- D. **Relocation Incentive.** If indicated in Section 1 of the Agreement, Employee shall receive a Relocation Incentive. As per University policy, the Relocation Incentive is subject to full or partial repayment to LSU if you do not continue employment with the University for at least two full years. In accordance with Internal Revenue Service regulations, all relocation benefits are taxable compensation subject to withholding and other appropriate deductions.

- E. **Retirement Plan.** Employee is entitled to participate in the retirement programs available to all unclassified professional LSU employees, with contributions and benefit amounts as defined by law. Employee understands and agrees that no contributions for purposes of any State of Louisiana retirement program will be made by LSU or withheld from Employee's compensation except as to the Base Salary and any earned Post-Season Incentive Compensation, and Employee shall not be entitled to any retirement benefits that may otherwise be attributable to any other compensation paid pursuant to this Agreement. Employee further acknowledges that other sums paid shall not be considered "base pay," "earned compensation," or "earnable compensation" as such terms are defined under Louisiana law and shall not be included as compensation for the purpose of computation of retirement benefits. Retirement contributions are subject to the limitations of federal law and Louisiana law.
- F. **Sick Leave.** Employee shall accrue and use sick leave in accordance with LSU policy.

9. **Additional Revenue.**

- A. Subject to compliance with Governing Athletics Regulations, including but not limited to current NCAA Bylaw 11.2.2 and 11.3.2, and LSU Permanent Memorandum 11 ("PM-11"), Employee may earn or receive other revenue ("Additional Revenue") while employed by LSU, including working with sports camps or clinics, provided, however, that Employee shall obtain prior written approval from the President before engaging in any commercial or private venture (other than a passive investment), including the use of Employee's name by any commercial, public or private entity. As required by NCAA Bylaws 11.2.2, 11.3.2.1, and 11.3.2.1.1, Employee shall report annually to the President and the Athletics Director, in writing, all athletically-related income or benefits received by Employee from sources outside LSU, and shall provide LSU reasonable access to all records necessary to verify this report. LSU does not guarantee any amount of Additional Revenue.
- B. Employee shall not, without written approval of the President and the Athletics Director and compliance with PM-11, arrange for or agree to the receipt of any supplemental pay, bonus, or other form of payment from any outside source.
- C. Except for routine news media interviews or educational or development programs for which no compensation is received, Employee shall not appear on or in any radio, television, or internet programs or other electronic media other than those produced or sponsored by LSU without the prior written approval of the Athletics Director or the Athletics Director's designee.
- D. Employee shall not appear in or make any advertisement or make any commercial endorsement without the prior written approval of the President and the Athletics Director, which will not be unreasonably withheld.

10. Termination and Suspension.

A. Termination by LSU for Cause. This Agreement may be terminated for “cause” by LSU at any time prior to its expiration, upon written notice to Employee.

1. For purposes of this Section, “cause” for termination shall be defined as:

- a. If, as reasonably determined by LSU and without the need for any adjudication by any other entity, Employee commits any material and substantial violation (or repeated lesser violations) of Governing Athletics Regulations, fails promptly to report any such violation by another person to the Director of Compliance, or commits a material and substantial violation of any LSU policies, rules, or procedures;
- b. If, as reasonably determined by LSU and without the need for any adjudication by any other entity, there is any material and substantial violation of Governing Athletics Regulations involving any aspect of the Program by any other person if either: (i) the violation occurs or continues to occur after Employee knew or had constructive knowledge that it was about to occur or was occurring, or (ii) Employee failed to follow reasonable policies and procedures established in writing by the Athletics Department to prevent violations of Governing Athletics Regulations from occurring and to detect promptly any such violations which may occur;
- c. Engaging in serious misconduct which either: (i) displays a continual, serious disrespect or continual, serious disregard for the mission of LSU; (ii) brings Employee into substantial public disrepute sufficient, at the reasonable discretion of LSU, to materially impair Employee’s ability to perform the obligations contained herein without material adverse impact on the Team or Program; or (iii) constitutes moral turpitude or breaches the high moral and ethical standards applicable to Employee as a visible representative of LSU, including but not limited to acts of dishonesty, misrepresentation, fraud or violence that may or may not rise to the level of warranting criminal prosecution by the relevant authorities;
- d. Unreasonable refusal or repeated failure to perform any duties imposed upon Employee herein (including but not limited to those duties specified in this Agreement), or failing to perform the same to the best of Employee’s reasonable ability;
- e. Failing to cooperate in the investigation, infractions process, adjudication or enforcement of Governing Athletics Regulations or in any LSU internal investigation or inquiry; or knowingly

permitting any other person under Employee's supervision to fail to reasonably cooperate in such investigation and enforcement;

- f. Subject to any right of administrative appeal permitted or granted to Employee by the NCAA or SEC, any finding or determination by the NCAA, SEC, or any commission, committee, council, or tribunal of the same, of any major or repetitive violations by Employee of NCAA or SEC rules, or of any such major or repetitive violations by others under the direct supervision of Employee which were permitted, encouraged, or condoned by Employee, or about which violations Employee knew or should have known and should have acted reasonably to prevent, limit, or mitigate (it is recognized that this subsection includes findings or determinations of any previously undisclosed violations during Employee's prior employment at another institution);
- g. Failing to report promptly to the Director of Compliance any violations of Governing Athletics Regulations involving the Team of which Employee has knowledge;
- h. Failure by Employee to engage in, and use best efforts to ensure that personnel under Employee's direct or indirect supervision engage in, safe and responsible treatment of student-athletes on the Team, including but not limited to failure to comply with any requirement pertaining to medical clearance for participation, or any other act or omission (including but not limited to physical and/or emotional abuse of student-athletes) that creates, or could reasonably be expected to create, an unreasonable risk of harm to a student-athlete;
- i. Failure to comply with LSU policies, rules and regulations concerning Title IX, including specifically but not exclusively the reporting of any incident of sexual misconduct in accordance with LSU's Title IX policy and PM-73; or
- j. Prolonged absence from LSU without permission, which will not be unreasonably withheld;
- k. Failure to respond fully and truthfully within a reasonable time to any reasonable requests or inquiry relating to the performance of any duties herein or at any prior employment at any other institution of higher learning propounded by LSU, the NCAA, the SEC or any other governing body having supervision over the athletic programs of LSU or such other institution of higher education, or required by law or Governing Athletics Regulations; or knowingly permitting any other person under Employee's supervision to fail to so respond;

- l. Committing fraud in the performance of any duties and responsibilities herein, either with intent or reckless disregard for the truth, including but not limited to fraud or dishonesty in any written or verbal statements, including résumés, provided by Employee to LSU in the application process or fraud in the preparation, falsification, or alteration of documents or records of LSU, the NCAA, or the SEC, or documents or records pertaining to any recruit or student athlete, including but not limited to transcripts, eligibility forms, and compliance reports; or knowingly permitting any other person to commit such fraud;
- m. Being charged with or convicted of either: (i) any felony, or (ii) any crime involving larceny, embezzlement, fraud, gambling, drugs, or alcohol;
- n. Participation in any gambling, bookmaking, wagering, or betting involving any athletic contest whether by soliciting, placing, or accepting a bet or wager or through a bookmaker, a pool, an online or in-person sportsbook, or any other method of gambling; or knowingly permitting any student athlete or other individual under Employee's control, authority, or supervision to participate in such activity;
- o. Providing information or data, other than information or data provided to the general public through public presentation, relating in any manner to any intercollegiate sport or to any student athlete to any individual whom Employee knows (or has constructive knowledge) to be a gambler, better, or bookmaker, or an agent of any such person; or knowingly permitting any student athlete or other individual under Employee's control, authority, or supervision to furnish such information or data;
- p. Use or consumption of alcoholic beverages or controlled substances, steroids, or other drugs or substances to such degree and for such appreciable period as to substantially impair Employee's ability to perform the duties herein;
- q. Sale, purchase, use or possession of any controlled substances, steroids, or other drugs or chemicals, the sale, purchase, use, or possession of which by Employee is prohibited by law or Governing Athletics Regulations, excepting the use or possession of substances or drugs lawfully prescribed by a health care provider, and used in accordance therewith;
- r. Encouraging or allowing the sale, purchase, use, or possession by any student athlete or other individual under Employee's control, authority, or supervision of any controlled substances, steroids, or

other drugs or chemicals, the sale, purchase, use, or possession of which by such person is prohibited by law or Governing Athletics Regulations; or

- s. Violating any material term of this Agreement.
2. The process for termination for cause is as follows:
- a. Prior to termination for cause, LSU shall provide Employee written notice of termination with a designated effective date of termination. The notice of termination shall be provided at least seven calendar days before the effective date of termination and shall be signed by the Athletics Director or the Athletics Director's designee. The notice of termination shall reference the facts upon which termination is authorized.
 - b. Prior to the effective date of termination in the notice, Employee shall have the right to present a written statement and any supporting materials to the Athletics Director detailing why the Employee believes LSU should rescind its notice of termination. The Athletics Director or the Athletics Director's designee may extend the effective date of termination in writing to allow additional time to consider Employee's response.
 - c. After review of any such response, the Athletics Director or the Athletics Director's designee shall provide Employee written notice of a decision. If confirmed, termination of employment shall be effective on the date of termination previously identified.
 - d. Within seven calendar days of receipt of the decision of the Athletics Director, Employee may make a written request for review to the President and submit materials for consideration. If no such request is made, the decision of the Athletics Director is final.
 - e. If a request for review is made, the President or the President's designee shall conduct the review based on materials provided by the Employee and materials considered by the Athletics Director. The request for review by the President shall not suspend the effective date of the termination.
 - f. Within 14 calendar days of the submission, Employee will be provided written notice of the decision of the President, which shall be final.
3. Should the Employee be reinstated following a request for review, Employee shall be paid any lost compensation and benefits, retroactive to the date such compensation and benefits ceased.

4. In the event of termination for cause, all of Employee's compensation and benefits provided for in this Agreement shall terminate on the termination date, and LSU shall not thereafter be liable to Employee for any sums or damages other than compensation earned through the last day of such month, as well as Post-Season Incentive Compensation that has been earned but not paid. The termination date shall be the date on which the initial notice of termination is given, or on such later date as may be set forth by LSU in the notice of termination.
5. As required by NCAA Bylaw 11.2.1, Employee is hereby notified that in addition to the actions LSU may take in accordance with this Agreement, Employee is also subject to disciplinary or corrective action as set forth in the provisions of the NCAA enforcement procedures if Employee is found by the NCAA or LSU to be in violation of NCAA Bylaws. Employee agrees that LSU shall implement any such disciplinary or corrective actions imposed by the NCAA. Employee further understands that Employee has an affirmative obligation to cooperate fully in the NCAA infractions process, including the investigation and adjudication of a case, pursuant to this Agreement and NCAA Bylaw 11.2.1, and that such obligation continues in effect during and beyond the termination of this Agreement for any violations alleged to have occurred during Employee's employment by LSU.

B. Termination by LSU without Cause.

1. LSU shall have the right to terminate this Agreement without cause upon written notice to Employee.
2. In the event of termination by LSU without cause, all of Employee's compensation and benefits provided for in this Agreement shall terminate on the termination date, and LSU shall not thereafter be liable to Employee for any sums or damages other than the liquidated damages provided for herein and as well as Post-Season Incentive Compensation that has been earned but not paid. The termination date shall be the date designated by LSU in the notice of termination.
3. If LSU terminates employment during the Term without cause, LSU will pay Employee liquidated damages in the amount of 90 percent of the Base Salary which would have been payable to Employee through the remaining Term of the Agreement.
4. Liquidated damages under this Section will be paid in equal monthly installments over a period equal to the amount of time then remaining in the Term. LSU's obligation to pay liquidated damages under this Section shall terminate upon the death of Employee.

5. In the event of termination by LSU without cause, Employee shall have the duty to mitigate and use best efforts to obtain similar athletics-related employment in another position with compensation at fair market value. Employee shall exercise due diligence and good faith in seeking qualifying employment so long as the liquidated damage obligation exists. In the event Employee obtains such other employment, Employee must notify LSU and provide documentation reasonably requested by LSU to determine the amount of compensation received by Employee and the amount of offset due to LSU. Mitigation shall be calculated as follows:
 - a. If new employment is via contract, LSU shall reduce future payments by the greater of (i) the average annual compensation of Employee's new employment agreement (regardless of term) or (ii) the specific annual compensation due for given year corresponding to this Agreement.
 - b. If new employment is not via contract (i.e., at-will), LSU will reduce future payments by the specific annual compensation due for given year corresponding to this Agreement.

Employee shall not attempt to allow third parties to take advantage of this Section as a means of avoiding paying the market value of Employee's services. In the event Employee breaches these obligations, LSU will have the right to (i) be completely relieved of any obligation to make any remaining payments owed to Employee (following notice to Employee and a reasonable opportunity for Employee's new employer to cure any deficiency) or (ii) adjust payments to reflect the market value for Employee's employment or services.

6. This is an agreement for personal services. The parties recognize that termination of this Agreement by LSU prior to its expiration by lapse of term would cause Employee to lose compensation, fringe benefits, certain other LSU-provided benefits, and possibly other income and benefits provided by third parties, which damages are not easy to determine with certainty. Accordingly, the parties have bargained for this liquidated damages provision. The parties further agree that the liquidated damages herein are not in any way a penalty.

C. Termination by Employee Without Cause.

1. Employee shall have the right to terminate this Agreement without cause upon 30 days written notice to LSU. If Employee terminates employment at any time before the End Date, Employee will pay to LSU as liquidated damages 50 percent of the Base Salary which would have been payable to Employee through the remaining Term of the Agreement. Employee shall have the option to pay such amount in a lump sum or in equal monthly

installments over a period equal to the amount of time then remaining in the Agreement.

2. Employee shall have the option to pay liquidated damages in a lump sum or in equal monthly installments over a period equal to the amount of time then remaining in the Agreement.
3. In the event of termination by Employee without cause, all of Employee's compensation and benefits provided for in this Agreement shall terminate on the termination date, which, unless otherwise agreed to in writing by LSU and Employee, shall be the earlier of: (a) the date on which Employee provides notice of termination to LSU; (b) the date on which Employee accepts employment from another employer; or (c) the date on which Employee performs any work or services of any kind or nature whatsoever on behalf of or for the benefit of another employer. LSU shall not thereafter be liable to Employee for any amounts other than any compensation earned pursuant to this Agreement prior to the termination date. The Parties acknowledge that this provision is intended to obligate Employee to repay unearned compensation and fees previously or inadvertently paid by LSU under the premise that Employee would fulfill the Term of this Agreement.
4. This is an agreement for personal services. The parties recognize that termination of this Agreement by Employee prior to its expiration by lapse of term would cause LSU to incur administrative, recruiting, and resettlement costs in obtaining a replacement for the Program, in addition to potentially increased compensation costs and loss of goodwill or sales, which damages are impossible to determine with any certainty. Accordingly, the parties have bargained for this liquidated damages provision. The parties further agree that the liquidated damages herein are not in any way a penalty.

D. Suspension or Other Disciplinary Action.

1. LSU may impose suspension or leave without pay for a period no longer than 120 days for any act or omission which would be grounds for discipline or termination for cause as defined herein. Imposition of such sanctions shall be at the discretion of LSU, which shall not be exercised arbitrarily or capriciously. Prior to suspension without pay under this provision, Employee shall be provided written notice of the grounds for the suspension and shall have seven calendar days from receipt of such notice to respond in writing to the Athletics Director. After review of any such response, the Athletics Director or the Athletics Director's designee will provide Employee with written notice of a decision and/or suspension. Suspension under this subsection shall not limit any rights of LSU to terminate Employee for cause.

2. Employee shall be subject to disciplinary or corrective action by the NCAA or SEC for any violation of NCAA and SEC regulations, respectively. Such action by the NCAA or the SEC shall not preclude or in any manner affect LSU's right to take such other corrective or disciplinary action as it deems necessary or proper, including termination for cause.
 3. Notwithstanding any other provision of this Agreement to the contrary, if Employee is suspended by the SEC or NCAA, Employee shall automatically be suspended by LSU for the duration of the SEC or NCAA imposed suspension without further notice or process. During such suspension, Employee shall not be entitled to receive any compensation, benefits or any other payments under this Agreement except for fringe benefits provided under Section 8 of this Agreement.
- E. Termination by Death or Disability.** In the event of the death of Employee or the inability of Employee to perform the obligations described in this Agreement with or without accommodation by reason of disability or some other occurrence beyond the control of either party, and such inability to perform has continued or will continue beyond a reasonable period of time, but not less than 60 days, this Agreement shall terminate as a termination with cause and all future obligations between the parties shall cease upon the termination date reasonably established by LSU, unless otherwise required by law.
- F. Exclusivity of Remedy.** The financial consequences of termination of this Agreement or suspension are exclusively set forth herein. Therefore, with the sole exception of payments required by this Agreement, in any instance of termination for cause or without cause, or suspension or other disciplinary sanction effected in accordance with the procedures established in this Agreement, neither Employee nor LSU shall be entitled to receive, and each hereby waives any claim against the other, and their respective board members, officers, directors, agents, employees, successors, and personal representatives, for damages, including consequential damages by reason of any alleged economic loss, including but not limited to loss of collateral income, deferred income, loss of earning capacity, loss of business opportunity, loss of benefits, loss of fees from speaking, camps or other outside activity, damages allegedly sustained because of alleged humiliation or defamation, or any other non-compensatory and compensatory damages and attorney's fees resulting from the fact of termination, the public announcement thereof, or the release by LSU or Employee of information or documents which are public or as otherwise required by law. Employee acknowledges that in the event of either termination of this Agreement for cause, without cause, or otherwise, or suspension or other disciplinary sanction effected in accordance with the procedures established in this Agreement, Employee shall have no right to occupy the Position and that Employee's sole remedies are provided herein and shall not extend to injunctive relief. **THE PARTIES ACKNOWLEDGE AND AGREE THAT THIS SECTION LIMITING LIABILITY AND EXCLUDING CONSEQUENTIAL DAMAGES AND OTHER REMEDIES IS AN ESSENTIAL AND MATERIAL INDUCEMENT FOR THE UNIVERSITY TO ENTER INTO THIS**

AGREEMENT. ACCORDINGLY, SUCH PROVISIONS SHALL BE SEVERABLE AND INDEPENDENT OF ANY OTHER PROVISIONS AND SHALL BE ENFORCED AS SUCH, REGARDLESS OF ANY BREACH OR OTHER OCCURRENCE HEREUNDER.

- G. **Interference with Athletics.** During any period where Employee receives post-termination liquidated damages, compensation or benefits, Employee agrees that Employee will not interfere with LSU student athletes or otherwise obstruct the ability of LSU or the Athletics Department to transact business. If Employee violates this provision, LSU shall be entitled to discontinue any post-termination liquidated damages, compensation or benefits and may seek to recover any payments that have been disbursed.
11. **Discontinuation of the Program by the University.** Notwithstanding any provision to the contrary, in the event the University determines for any reason within its sole discretion to discontinue the Program as a Division I sport, LSU shall have the right to terminate this Agreement without further obligation to Employee. Notice of termination under this Section shall be in writing and shall establish a date of termination no less than 90 days from the date of the notice or upon the End Date, whichever occurs first. In the event the right to terminate pursuant to this Section is exercised, all obligations between the parties shall cease effective on the date of termination.
12. **University Property.** All property that is provided to, or developed or acquired by, Employee as part of or in conjunction with Employee's employment by LSU, regardless of the format or manner in which the property may be retained or stored, shall remain the sole property of LSU. This shall include, without limitation, all documents, files, personnel records, recruiting records, team information, athletic equipment, films, statistics, keys, credit cards, computers, software programs, and electronic devices that Employee may have access to or come into possession of during employment. Excluded from this provision are Employee's personal notes, personal playbooks, memorabilia, diaries and other personal records, which the Employee may retain. Employee is required to return to LSU all LSU property in Employee's possession within seven calendar days of termination or separation of employment. Employee shall also return any courtesy vehicle provided under this Agreement within seven calendar days of termination or separation of employment. Employee agrees that LSU may withhold any liquidated damage payments or other compensation due Employee pending return of or reimbursement for property under this Section.
13. **Duty of Loyalty.** Unless notice of termination under this Section has been given by either party, neither Employee nor Employee's agent shall, under any circumstances, discuss or negotiate directly or indirectly prospective employment for Employee with any other institution of higher education, professional athletic team, or other athletically-related (including media and sports marketing) prospective employer without giving at least 24 hours prior written notice to the President and the Athletics Director.
14. **Duty to Cooperate.** Both during and after the end of employment with LSU, Employee agrees, without additional compensation (other than reimbursement for reasonable

associated expenses post-employment), to cooperate with LSU in any investigation, internal or otherwise, of any possible violation of law (including Title IX) or violation of any rule, policy or regulation of LSU (including PM-73), the SEC or the NCAA. Employee agrees (a) to be reasonably available to answer questions regarding any matter with which Employee was involved while employed by LSU, and (b) to cooperate with LSU during the course of any proceedings arising out of any matter with which Employee has knowledge or information.

15. **Non-Assignment.** Neither party may assign, transfer, alienate, or encumber any of its rights or obligations hereunder without the express written consent of the other party, except as otherwise specifically set forth in this Agreement.
16. **Entire Agreement.** This Agreement constitutes and expresses the entire agreement and understanding of the parties concerning the matters contemplated hereby and shall, upon the Effective Date, supersede any other oral and written agreements between the parties. There are no oral or other agreements, understandings, promises, or representations between the parties affecting this Agreement. Both parties have relied solely on their own respective judgments in entering into this Agreement, with full opportunity to seek advice of competent counsel. It shall be construed, if necessary, without reference to the party that was the principal drafter of the Agreement.
17. **Indirect Actions Prohibited.** Any act which Employee is prohibited from doing directly in this Agreement shall not be done indirectly by Employee or another person on Employee's behalf or at Employee's behest.
18. **Amendments to Agreement.** This Agreement may be amended only by a written instrument duly approved by LSU through its designated representatives and accepted by Employee, such approval and acceptance to be acknowledged in writing.
19. **Severability.** If any provision of this Agreement shall be deemed invalid or unenforceable, either in whole or in part, this Agreement shall be deemed amended to delete or modify, as necessary, the offending provision or to alter the bounds thereof in order to render it valid and enforceable.
20. **No Waiver of Default.** No waiver by the parties hereto of any default or breach of any covenant, term or condition of this Agreement shall be deemed to be a waiver of any other default or breach of the same or any other covenant, term or condition contained herein.
21. **No Waiver of Sovereign Immunity.** It is expressly agreed and understood between the parties that nothing contained herein shall be construed to constitute a waiver or relinquishment by LSU of any rights to claim such exemptions, privileges and immunities as may be provided by law.
22. **"Force Majeure" Clause.** Neither party shall be considered in default of performance of any obligations under this Agreement if such performance is prevented or delayed by Force Majeure. "Force Majeure" shall be understood to be any cause which is beyond the reasonable control of the party affected and which is forthwith, by notice from the party affected, brought to the attention of the other party, including but not limited to war,

hostilities, revolution, civil unrest, strike, lockout, epidemic or pandemic, government-ordered restriction or cessation of activity, accident, fire, natural disaster, wind or flood or any requirements of law, or an act of God.

23. Additional Conditions of Employment.

- A. **Compliance with La. R.S. 42:31.** To the extent annual compensation under this Agreement exceeds \$100,000, Employee hereby agrees and promises that, within 30 days of the Start Date or the date that compensation reaches that threshold, Employee shall provide proof to LSU that Employee has been issued a Louisiana driver's license and that all vehicles registered in Employee's name are registered in Louisiana, all pursuant to the requirements of La. R.S. 42:31.
- B. **Background Checks and Disclosures.** Prior to commencing employment, Employee shall be required to submit to background checks as deemed appropriate by the University. Employee's employment is contingent upon a satisfactory background check in accordance with University policy. In addition, prior to signing this Agreement, Employee must disclose to the University any and all criminal, civil or administrative matters from the prior five years, including those currently pending but excluding non-felony traffic infractions. Failure to disclose all such matters to the University will serve as a basis to terminate employment for cause.
- C. **Approvals.** This Agreement is subject to any approvals that must be obtained in accordance with law or University policy. No provision of this Agreement shall be enforceable until signed by all parties and, if required by policy, approved by the Board of Supervisors.

24. Governing Law and Venue. This Agreement shall be enforced and construed in accordance with the laws of Louisiana. Any civil action to enforce this Agreement shall be brought in a state or federal court having jurisdiction and domiciled in East Baton Rouge Parish, Louisiana.

RESOLUTION

NOW, THEREFORE, BE IT RESOLVED the Board of Supervisors of Louisiana State University and Agricultural & Mechanical College approves the Employment Agreement for Keli Zinn as described in this item and authorizes the President to execute the Employment Agreement in consultation with the Office of General Counsel.

EMPLOYMENT AGREEMENT

This Employment Agreement (“Agreement”) is made and entered into as of this 25th day of April, 2025, by and between the Board of Supervisors of Louisiana State University and Agricultural and Mechanical College (“LSU”), a body corporate existing under the Constitution and laws of the State of Louisiana, herein represented by William F. Tate IV, its duly authorized President, and Keli Zinn (“Employee”):

1. **Definitions.** For purposes of this Agreement, the following terms shall have the meaning shown:
 - A. “Athletics Director”: The Director of Athletics at LSU
 - B. “Base Salary”: The annual sum of \$425,000.
 - C. “Contract Year”: An annual period from January 1 to December 31 during the Term.
 - D. “End Date”: June 30, 2030
 - E. “Position”: Executive Deputy Athletics Director.
 - F. “President”: The President of LSU.
 - G. “Start Date”: April 25, 2025.
2. **Term.** This Agreement shall be for a definite term (“Term”), commencing on the Start Date and ending on the End Date unless terminated sooner in accordance with Section 10 of this Agreement. On the Start Date, this Agreement shall replace and supersede the Employment Agreement dated November 16, 2022.
3. **Employment.** LSU hereby employs Employee in the Position for the Term. Employee will report directly to the Athletics Director. Employee acknowledges and agrees that Employee is not eligible for and will not be considered for or granted tenure by LSU.
4. **Duties and Responsibilities.** Employee’s duties and responsibilities shall include the following, all subject to law, LSU policy, and the directives, input, and advice of the Athletics Director:
 - A. Assist with the development and implementation of plans, policies, procedures and programs that comply with the rules and regulations of LSU, the Southeastern Conference (“SEC”) and the National Collegiate Athletics Association (“NCAA”), as well as all applicable local, state and federal laws which promote the mission of the Athletics Department (“Department”), LSU’s high standard of academic excellence, and the general welfare of student-athletes;
 - B. Consult with the Athletics Director and others, as appropriate, to encourage and monitor the academic progress of student-athletes toward graduation, and ensure

that all Department staff members actively support the Department's commitment to academic achievement for each student-athlete;

- C. Assist with management and oversight of the Department's men's and women's intercollegiate sports through each coach and senior athletic staff, including coordinating and overseeing the recruitment, selection (negotiates and approves contracts, subject to President and/or Board approval) and evaluation (including approving salaries, subject to President and/or Board approval) of all coaches. Employee shall promote athletic excellence on local, conference and national levels for all intercollegiate athletic programs;
- D. Assist with management and oversight of all Department staff members, including coordinating and/or overseeing the recruitment, selection and evaluation (including approving salaries) of all Department staff members. Employee shall help to establish and periodically refine, as necessary, the Department's organizational structure to ensure the effective management of human resources;
- E. Consult with and submit reports, recommendations and supporting documents to the Athletics Director, and/or any other person(s) as necessary, to make decisions regarding academics, capital expansion, staffing, budget appropriations or other aspects of LSU's athletic programs or for other purposes as requested;
- F. Know, recognize and comply with all applicable local, state and federal laws, as well as all applicable policies, rules and regulations of LSU, the SEC and the NCAA, taking appropriate steps to promote and ensure that all Department staff know, recognize and comply with all such laws, policies, rules and regulations. Employee shall work with others as directed by the Athletics Director to develop and implement a comprehensive ongoing program of compliance education for all coaches, student-athletes and boosters;
- G. Being reasonably knowledgeable of and complying with (1) all applicable federal and state laws governing intercollegiate athletics; and (2) all governing constitutions, by-laws, rules, policies, interpretations, and regulations of the NCAA, SEC, LSU, and any other conference rules or policies which may be subsequently implemented (hereinafter collectively referred to as "Governing Athletics Regulations");
- H. Represent the Department at all times including without limitation within the NCAA, SEC, LSU, community, and all other meetings and conventions consistent with the Position, or service on committees as appropriate as the request of the Athletics Director;
- I. Promoting an atmosphere of compliance within the Department;
- J. Promptly reporting any known or reasonably suspected violation of Governing Athletics Regulations to the Athletics Director and the Director of Compliance;

- K. Cooperate fully, truthfully and without undue delay in any investigation, infractions process or adjudication of any matter under Governing Athletics Regulations conducted or authorized by LSU, the SEC, or the NCAA at any time;
- L. Perform all duties in a manner consistent with good sportsmanship and in accordance with the high moral, ethical, and academic standards of the Department and LSU;
- M. Cooperate fully and completely, and will use best efforts to ensure that Department staff members cooperate fully and completely, with any investigation of any alleged violation of any of the covenants enumerated herein, conducted by LSU, the SEC, or the NCAA;
- N. Take prompt corrective or disciplinary action to address any non-cooperation by any Department staff member;
- O. Consult with the LSU Office of General Counsel (and other LSU-engaged counsel, as directed by the Office of General Counsel) regarding NCAA or similar rule compliance issues, and shall assist, in investigating all cases where a violation has or may have occurred;
- P. Assist with oversight of the Department's fiscal operations (including short and long-term budgetary and fiscal planning and monitoring for budget performance) and responsibility for the Department finances and facilities to ensure sound business practices;
- Q. Assist with the scheduling of intercollegiate sporting events, all aspects of the Department's operations and all aspects of LSU's athletic facilities including, but not limited to, evaluating the condition of athletic facilities for safety and comparison with SEC and national standards;
- R. Assist with the development and implementation of programs to increase revenue sources for the Department, including effective plans for marketing and promotions, as well as fundraising strategies to promote donor support of the athletic program, including negotiations and presentations to promote the Department and LSU to sponsors, donors, and boosters;
- S. Participate in speaking engagements, news conferences, radio, television and other media appearances at the request of the Athletics Director as appropriate;
- T. Cultivate and advance a positive and respectful learning and working environment to provide an unsurpassed student-centered learning experience;
- U. Observe, respect, and promote the principles of institutional control in every aspect of the Department and throughout all of its intercollegiate athletic programs;
- V. Understand and comply with Title IX of the Education Amendments of 1972 and LSU policies on Title IX and sexual misconduct, including but not limited to

Permanent Memorandum 73 (“PM-73”), and understanding and complying with the mandatory obligation to report incidents of sexual misconduct (including sexual harassment and sexual violence) and other inappropriate sexual conduct of which Employee has knowledge or receives notice to LSU’s Title IX Coordinator as required by PM-73;

- W. Understanding and complying with Title VI of the Civil Rights Act of 1964, other federal laws, state law, and LSU policies on equal opportunity and discrimination, including but not limited to Permanent Memorandum 55;
 - X. Maintain a presence on campus and in the Department, except for absences approved by the Department;
 - Y. Perform all other duties customarily performed by employees of commensurate rank serving other NCAA member institutions; and
 - Z. Perform other duties reasonably assigned by the Athletics Director.
5. **Base Salary.** LSU agrees to pay Employee the Base Salary annually, in 12 equal monthly installments, on LSU’s regular monthly payroll date.
6. **Media Participation and License to NIL.**
- A. **License.** As further consideration for payment of Base Salary, Employee grants to the University and Department, a perpetual, non-exclusive and non-transferrable license of the names, nicknames, initials, autograph, likeness, images, pictures, video, depictions, resemblance, quotes, phrases, interviews, coaching records, philosophies and methods attributable to Employee obtained during the Term, and all derivatives thereof, for any current or future uses for promoting the University, Department . This license shall include the intellectual property rights and services of Employee in connection with promoting, appearing on, or participating in, as requested, and making reasonable efforts to make successful, LSU-sanctioned television, radio, social media and internet programs, including streaming services, concerning LSU and the Department.
 - B. **Ownership of Programming.** LSU shall exclusively own all rights to any television, radio, and internet programs and shall be entitled, at its option, to produce and market the programs or negotiate with third parties to produce and market the programs. LSU shall retain all revenue generated by the programs, including but not limited to that received from program sponsors for commercial endorsements used during the programs. “Program sponsors” shall include, but not be limited to, those persons or companies who make financial contributions supporting, or who pay a fee for, commercial announcements and endorsements used on the programs.
7. **Incentive Compensation.** Employee shall be entitled to post-season incentive compensation as follows. Post-Season Incentive Compensation is additional compensation for the extra services required of Employee in the preparation for and participation in post-

season play, in accordance with LSU's policies and procedures. Post-Season Incentive Compensation shall be paid within 60 days of achieving the applicable goal and may be payable, in whole or in part, from affiliated foundation funds.

A. **Football Post-Season Incentive Compensation.** For each Contract Year that the LSU football team participates in post-season game(s), LSU will pay Employee post-season incentive compensation as follows. The maximum amount of Post-Season Incentive Compensation under this Section shall be \$90,000 per Contract Year.

- | | | | |
|----|-----------------------------------|----------|----|
| 1. | SEC Championship Game Participant | \$10,000 | OR |
| 2. | SEC Champion | \$15,000 | |

AND ONE OF THE FOLLOWING:

- | | | | |
|----|---|----------|----|
| 1. | Non-College Football Playoff (CFP) Bowl Participant | \$10,000 | OR |
| 2. | CFP Participant (Top 12) | \$25,000 | OR |
| 3. | CFP Quarterfinal Game Participant | \$25,000 | OR |
| 4. | CFP Semifinal Game Participant | \$35,000 | OR |
| 5. | CFP National Championship Game Participant | \$50,000 | OR |
| 6. | CFP National Champion | \$75,000 | |

If the CFP format is expanded to include additional teams, the parties will mutually agree on additional incentive compensation for participation therein, and/or CFP victories (to the extent not already contemplated by the then-existing bonus structure).

B. **Basketball Post-Season Incentive Compensation.** For each Contract Year that the LSU men's basketball team or women's basketball team participates in post-season game(s), LSU will pay Employee post-season incentive compensation in the amount of \$15,000. The maximum amount of Post-Season Incentive Compensation under this Section shall be \$15,000 per Contract Year.

C. **Academic Incentive Compensation.** For each year that all LSU intercollegiate athletic teams competing in NCAA play attain a multi-year Academic Progress Rate ("APR"), as established by the NCAA, of 940 or greater, LSU will pay Employee a performance incentive the amount of four percent of Employee's the Base Salary for that Contract Year. To be eligible for such compensation, Employee must be employed by LSU as of the date on which the incentives are earned (but is not required to be employed on the payment date).

D. **Learfield Sports Directors' Cup Incentive Compensation.** For each year that LSU achieves a top 20 final ranking in the NACDA (Learfield Sports) Director's Cup Rankings while this Agreement is in effect, Employee shall be entitled to incentive compensation as follows:

- | | |
|---------------|---|
| 1. Rank 11-20 | Six percent of Base Salary for that Contract Year |
| 2. Rank 1-10 | Eight percent of Base Salary for that Contract Year |

8. **Fringe Benefits and Leave.** Unless otherwise specified herein, Employee is entitled to participate in the fringe benefit programs available to all unclassified professional LSU employees, with contributions and benefit amounts as defined by law. Employee shall also be entitled to the following benefits:

- A. **Apparel.** As part of any third-party apparel and/or equipment-related contract with LSU, Employee acknowledges and agrees that the Department may be provided and/or allocated apparel and/or equipment from and by LSU, which apparel and equipment shall be used exclusively and solely by Employee in furtherance of Employee's employment duties and team-related activities as applicable to Employee's employment with LSU.
- B. **Car Allowance.** Employee shall receive an automobile entitlement of (1) an annual automobile allowance in an amount not to exceed \$800 per month, or (2) to the extent consistent with state ethics law, use of courtesy vehicle provided by a dealership and related automobile insurance.
- C. **Membership.** Employee shall be entitled to a complimentary family membership in a country club, such as the University Club of Baton Rouge, provided that: (1) LSU business-related (non-personal) expenses incurred in accordance with LSU and foundation policy will be reimbursed from affiliated foundation funds, and (2) Employee shall be responsible for payment of all personal charges and charges unrelated to LSU business.
- D. **No Overtime.** Employee qualifies and is designated as exempt under the Fair Labor Standards Act and is not entitled to any overtime pay or compensatory leave for work in excess of 40 hours in any workweek.
- E. **Retirement Plan.** Employee is entitled to participate in the retirement programs available to all unclassified professional LSU employees, with contributions and benefit amounts as defined by law. Employee understands and agrees that no contributions for purposes of any State of Louisiana retirement program will be made by LSU or withheld from Employee's compensation except as to the Base Salary and any earned Post-Season Incentive Compensation, and Employee shall not be entitled to any retirement benefits that may otherwise be attributable to any other compensation paid pursuant to this Agreement. Employee further acknowledges that other sums paid shall not be considered "base pay," "earned

compensation,” or “earnable compensation” as such terms are defined under Louisiana law and shall not be included as compensation for the purpose of computation of retirement benefits. Retirement contributions are subject to the limitations of federal law and Louisiana law.

- F. **Sick Leave.** Employee shall accrue and use sick leave in accordance with LSU policy.
- G. **Miscellaneous.** Employee may receive other reasonable and related benefits to be provided by affiliated foundation funds, as authorized by the President after a review by the Office of General Counsel, and a determination that such benefits comply with LSU policy and the Code of Governmental Ethics.

9. Additional Revenue.

- A. Subject to compliance with Governing Athletics Regulations, including but not limited to current NCAA Bylaw 11.2.2 and 11.3.2, and LSU Permanent Memorandum 11 (“PM-11”), Employee may earn or receive other revenue (“Additional Revenue”) while employed by LSU, including working with sports camps or clinics, provided, however, that Employee shall obtain prior written approval from the President before engaging in any commercial or private venture (other than a passive investment), including the use of Employee’s name by any commercial, public or private entity. As required by NCAA Bylaws 11.2.2, 11.3.2.1, and 11.3.2.1.1, Employee shall report annually to the President and the Athletics Director, in writing, all athletically-related income or benefits received by Employee from sources outside LSU, and shall provide LSU reasonable access to all records necessary to verify this report. LSU does not guarantee any amount of Additional Revenue.
- B. Employee shall not, without written approval of the President and the Athletics Director and compliance with PM-11, arrange for or agree to the receipt of any supplemental pay, bonus, or other form of payment from any outside source.
- C. Except for routine news media interviews or educational or development programs for which no compensation is received, Employee shall not appear on or in any radio, television, or internet programs or other electronic media other than those produced or sponsored by LSU without the prior written approval of the Athletics Director or the Athletics Director’s designee.
- D. Employee shall not appear in or make any advertisement or make any commercial endorsement without the prior written approval of the President and the Athletics Director, which will not be unreasonably withheld.

10. Termination and Suspension.

- A. **Termination by LSU for Cause.** This Agreement may be terminated for “cause” by LSU at any time prior to its expiration, upon written notice to Employee.

1. For purposes of this Section, “cause” for termination shall be defined as:
 - a. If, as reasonably determined by LSU and without the need for any adjudication by any other entity, Employee commits any material and substantial violation (or repeated lesser violations) of Governing Athletics Regulations, fails promptly to report any such violation by another person to the Director of Compliance, or commits a material and substantial violation of any LSU policies, rules, or procedures;
 - b. If, as reasonably determined by LSU and without the need for any adjudication by any other entity, there is any material and substantial violation of Governing Athletics Regulations involving any other person if either: (i) the violation occurs or continues to occur after Employee knew or had constructive knowledge that it was about to occur or was occurring, or (ii) Employee failed to follow reasonable policies and procedures established in writing by the Department to prevent violations of Governing Athletics Regulations from occurring and to detect promptly any such violations which may occur;
 - c. Employee’s neglect or inattention to the Employee’s duties delineated herein, or Employee’s refusal, unwillingness or inability to perform such duties in good faith after written notice of deficiency;
 - d. Engaging in serious misconduct which either: (i) displays a continual, serious disrespect or continual, serious disregard for the mission of LSU; (ii) brings Employee into substantial public disrepute sufficient, at the reasonable discretion of LSU, to materially impair Employee’s ability to perform the obligations contained herein without material adverse impact on the Department; or (iii) constitutes moral turpitude or breaches the high moral and ethical standards applicable to Employee as a visible representative of LSU, including but not limited to acts of dishonesty, misrepresentation, fraud or violence that may or may not rise to the level of warranting criminal prosecution by the relevant authorities;
 - e. Unreasonable refusal or repeated failure to perform any duties imposed upon Employee herein (including but not limited to those duties specified in this Agreement), or failing to perform the same to the best of Employee’s reasonable ability;
 - f. Failing to cooperate in the investigation, infractions process, adjudication or enforcement of Governing Athletics Regulations or in any LSU internal investigation or inquiry; or knowingly

permitting any other person under Employee's supervision to fail to reasonably cooperate in such investigation and enforcement;

- g. Subject to any right of administrative appeal permitted or granted to Employee by the NCAA or SEC, any finding or determination by the NCAA, SEC, or any commission, committee, council, or tribunal of the same, of any major or repetitive violations by Employee of NCAA or SEC rules, or of any such major or repetitive violations by others under the direct supervision of Employee which were permitted, encouraged, or condoned by Employee, or about which violations Employee knew or should have known and should have acted reasonably to prevent, limit, or mitigate (it is recognized that this subsection includes findings or determinations of any previously undisclosed violations during Employee's prior employment at another institution);
- h. Failing to report promptly to the Director of Compliance any violations of Governing Athletics Regulations of which Employee has knowledge;
- i. Failure by Employee to engage in, and use best efforts to ensure that personnel under Employee's direct or indirect supervision engage in, safe and responsible treatment of student athletes, including but not limited to failure to comply with any requirement pertaining to medical clearance for participation, or any other act or omission (including but not limited to physical and/or emotional abuse of student athletes) that creates, or could reasonably be expected to create, an unreasonable risk of harm to a student athlete;
- j. Failure to comply with LSU policies, rules and regulations concerning Title IX, including specifically but not exclusively the reporting of any incident of sexual misconduct in accordance with LSU's Title IX policy and PM-73; or
- k. Prolonged absence from LSU without permission, which will not be unreasonably withheld;
- l. Failure to respond fully and truthfully within a reasonable time to any reasonable requests or inquiry relating to the performance of any duties herein or at any prior employment at any other institution of higher learning propounded by LSU, the NCAA, the SEC or any other governing body having supervision over the athletic programs of LSU or such other institution of higher education, or required by law or Governing Athletics Regulations; or knowingly permitting any other person under Employee's supervision to fail to so respond;

- m. Committing fraud in the performance of any duties and responsibilities herein, either with intent or reckless disregard for the truth, including but not limited to fraud or dishonesty in any written or verbal statements, including résumés, provided by Employee to LSU in the application process or fraud in the preparation, falsification, or alteration of documents or records of LSU, the NCAA, or the SEC, or documents or records pertaining to any recruit or student athlete, including but not limited to transcripts, eligibility forms, and compliance reports; or knowingly permitting any other person to commit such fraud;
- n. Being charged with or convicted of either: (i) any felony, or (ii) any crime involving larceny, embezzlement, fraud, gambling, drugs, or alcohol;
- o. Participation in any gambling, bookmaking, wagering, or betting involving any athletic contest whether by soliciting, placing, or accepting a bet or wager or through a bookmaker, a pool, an online or in-person sportsbook, or any other method of gambling; or knowingly permitting any student athlete or other individual under Employee's control, authority, or supervision to participate in such activity;
- p. Providing information or data, other than information or data provided to the general public through public presentation, relating in any manner to any intercollegiate sport or to any student athlete to any individual whom Employee knows (or has constructive knowledge) to be a gambler, better, or bookmaker, or an agent of any such person; or knowingly permitting any student athlete or other individual under Employee's control, authority, or supervision to furnish such information or data;
- q. Use or consumption of alcoholic beverages or controlled substances, steroids, or other drugs or substances to such degree and for such appreciable period as to substantially impair Employee's ability to perform the duties herein;
- r. Sale, purchase, use or possession of any controlled substances, steroids, or other drugs or chemicals, the sale, purchase, use, or possession of which by Employee is prohibited by law or Governing Athletics Regulations, excepting the use or possession of substances or drugs lawfully prescribed by a health care provider, and used in accordance therewith;
- s. Encouraging or allowing the sale, purchase, use, or possession by any student athlete or other individual under Employee's control, authority, or supervision of any controlled substances, steroids, or

other drugs or chemicals, the sale, purchase, use, or possession of which by such person is prohibited by law or Governing Athletics Regulations; or

- t. Violating any material term of this Agreement.
2. The process for termination for cause is as follows:
 - a. Prior to termination for cause, LSU shall provide Employee written notice of termination with a designated effective date of termination. The notice of termination shall be provided at least seven calendar days before the effective date of termination and shall be signed by the Athletics Director or the Athletics Director's designee. The notice of termination shall reference the facts upon which termination is authorized.
 - b. Prior to the effective date of termination in the notice, Employee shall have the right to present a written statement and any supporting materials to the Athletics Director detailing why the Employee believes LSU should rescind its notice of termination. The Athletics Director or the Athletics Director's designee may extend the effective date of termination in writing to allow additional time to consider Employee's response.
 - c. After review of any such response, the Athletics Director or the Athletics Director's designee shall provide Employee written notice of a decision. If confirmed, termination of employment shall be effective on the date of termination previously identified.
 - d. Within seven calendar days of receipt of the decision of the Athletics Director, Employee may make a written request for review to the President and submit materials for consideration. If no such request is made, the decision of the Athletics Director is final.
 - e. If a request for review is made, the President or the President's designee shall conduct the review based on materials provided by the Employee and materials considered by the Athletics Director. The request for review by the President shall not suspend the effective date of the termination.
 - f. Within 14 calendar days of the submission, Employee will be provided written notice of the decision of the President, which shall be final.
 3. Should the Employee be reinstated following a request for review, Employee shall be paid any lost compensation and benefits, retroactive to the date such compensation and benefits ceased.

4. In the event of termination for cause, all of Employee's compensation and benefits provided for in this Agreement shall terminate on the termination date, and LSU shall not thereafter be liable to Employee for any sums or damages other than compensation earned through the last day of such month, as well as Post-Season Incentive Compensation that has been earned but not paid. The termination date shall be the date on which the initial notice of termination is given, or on such later date as may be set forth by LSU in the notice of termination.
5. As required by NCAA Bylaw 11.2.1, Employee is hereby notified that in addition to the actions LSU may take in accordance with this Agreement, Employee is also subject to disciplinary or corrective action as set forth in the provisions of the NCAA enforcement procedures if Employee is found by the NCAA or LSU to be in violation of NCAA Bylaws. Employee agrees that LSU shall implement any such disciplinary or corrective actions imposed by the NCAA. Employee further understands that Employee has an affirmative obligation to cooperate fully in the NCAA infractions process, including the investigation and adjudication of a case, pursuant to this Agreement and NCAA Bylaw 11.2.1, and that such obligation continues in effect during and beyond the termination of this Agreement for any violations alleged to have occurred during Employee's employment by LSU.

B. Termination by LSU without Cause.

1. LSU shall have the right to terminate this Agreement without cause upon written notice to Employee.
2. In the event of termination by LSU without cause, all of Employee's compensation and benefits provided for in this Agreement shall terminate on the termination date, and LSU shall not thereafter be liable to Employee for any sums or damages other than the liquidated damages provided for herein and as well as Post-Season Incentive Compensation that has been earned but not paid. The termination date shall be the date designated by LSU in the notice of termination.
3. If LSU terminates employment during the Term without cause, LSU will pay Employee liquidated damages in the amount of 90 percent of the Base Salary which would have been payable to Employee through the remaining Term of the Agreement.
4. Liquidated damages under this Section will be paid in equal monthly installments over a period equal to the amount of time then remaining in the Term. LSU's obligation to pay liquidated damages under this Section shall terminate upon the death of Employee.

5. In the event of termination by LSU without cause, Employee shall have the duty to mitigate and use best efforts to obtain similar athletics-related employment in another position with compensation at fair market value. Employee shall exercise due diligence and good faith in seeking qualifying employment so long as the liquidated damage obligation exists. In the event Employee obtains such other employment, Employee must notify LSU and provide documentation reasonably requested by LSU to determine the amount of compensation received by Employee and the amount of offset due to LSU. Mitigation shall be calculated as follows:
 - a. If new employment is via contract, LSU shall reduce future payments by the greater of (i) the average annual compensation of Employee's new employment agreement (regardless of term) or (ii) the specific annual compensation due for given year corresponding to this Agreement.
 - b. If new employment is not via contract (i.e., at-will), LSU will reduce future payments by the specific annual compensation due for given year corresponding to this Agreement.

Employee shall not attempt to allow third parties to take advantage of this Section as a means of avoiding paying the market value of Employee's services. In the event Employee breaches these obligations, LSU will have the right to (i) be completely relieved of any obligation to make any remaining payments owed to Employee (following notice to Employee and a reasonable opportunity for Employee's new employer to cure any deficiency) or (ii) adjust payments to reflect the market value for Employee's employment or services.

6. This is an agreement for personal services. The parties recognize that termination of this Agreement by LSU prior to its expiration by lapse of term would cause Employee to lose compensation, fringe benefits, certain other LSU-provided benefits, and possibly other income and benefits provided by third parties, which damages are not easy to determine with certainty. Accordingly, the parties have bargained for this liquidated damages provision. The parties further agree that the liquidated damages herein are not in any way a penalty.

C. Termination by Employee Without Cause.

1. Employee shall have the right to terminate this Agreement without cause upon 30 days written notice to LSU.
2. In the event of termination by Employee without cause, all of Employee's compensation and benefits provided for in this Agreement shall terminate on the termination date, which, unless otherwise agreed to in writing by LSU and Employee, shall be the earlier of: (a) the date on which Employee

provides notice of termination to LSU; (b) the date on which Employee accepts employment from another employer; or (c) the date on which Employee performs any work or services of any kind or nature whatsoever on behalf of or for the benefit of another employer. LSU shall not thereafter be liable to Employee for any amounts other than any compensation earned pursuant to this Agreement prior to the termination date. The Parties acknowledge that this provision is intended to obligate Employee to repay unearned compensation and fees previously or inadvertently paid by LSU under the premise that Employee would fulfill the Term of this Agreement.

3. This is an agreement for personal services. The parties recognize that termination of this Agreement by Employee prior to its expiration by lapse of term would cause LSU to incur administrative, recruiting, and resettlement costs in obtaining a replacement, in addition to potentially increased compensation costs and loss of goodwill or sales, which damages are impossible to determine with any certainty. Accordingly, the parties have bargained for this liquidated damages provision. The parties further agree that the liquidated damages herein are not in any way a penalty.

D. Suspension or Other Disciplinary Action.

1. LSU may impose suspension or leave without pay for a period no longer than 120 days for any act or omission which would be grounds for discipline or termination for cause as defined herein. Imposition of such sanctions shall be at the discretion of LSU, which shall not be exercised arbitrarily or capriciously. Prior to suspension without pay under this provision, Employee shall be provided written notice of the grounds for the suspension and shall have seven calendar days from receipt of such notice to respond in writing to the Athletics Director. After review of any such response, the Athletics Director or the Athletics Director's designee will provide Employee with written notice of a decision and/or suspension. Suspension under this subsection shall not limit any rights of LSU to terminate Employee for cause.
2. Employee shall be subject to disciplinary or corrective action by the NCAA or SEC for any violation of NCAA and SEC regulations, respectively. Such action by the NCAA or the SEC shall not preclude or in any manner affect LSU's right to take such other corrective or disciplinary action as it deems necessary or proper, including termination for cause.
3. Notwithstanding any other provision of this Agreement to the contrary, if Employee is suspended by the SEC or NCAA, Employee shall automatically be suspended by LSU for the duration of the SEC or NCAA imposed suspension without further notice or process. During such suspension, Employee shall not be entitled to receive any compensation, benefits or any other payments under this Agreement except for fringe benefits provided under Section 8 of this Agreement.

- E. **Termination by Death or Disability.** In the event of the death of Employee or the inability of Employee to perform the obligations described in this Agreement with or without accommodation by reason of disability or some other occurrence beyond the control of either party, and such inability to perform has continued or will continue beyond a reasonable period of time, but not less than 60 days, this Agreement shall terminate as a termination with cause and all future obligations between the parties shall cease upon the termination date reasonably established by LSU, unless otherwise required by law.
- F. **Exclusivity of Remedy.** The financial consequences of termination of this Agreement or suspension are exclusively set forth herein. Therefore, with the sole exception of payments required by this Agreement, in any instance of termination for cause or without cause, or suspension or other disciplinary sanction effected in accordance with the procedures established in this Agreement, neither Employee nor LSU shall be entitled to receive, and each hereby waives any claim against the other, and their respective board members, officers, directors, agents, employees, successors, and personal representatives, for damages, including consequential damages by reason of any alleged economic loss, including but not limited to loss of collateral income, deferred income, loss of earning capacity, loss of business opportunity, loss of benefits, loss of fees from speaking, camps or other outside activity, damages allegedly sustained because of alleged humiliation or defamation, or any other non-compensatory and compensatory damages and attorney's fees resulting from the fact of termination, the public announcement thereof, or the release by LSU or Employee of information or documents which are public or as otherwise required by law. Employee acknowledges that in the event of either termination of this Agreement for cause, without cause, or otherwise, or suspension or other disciplinary sanction effected in accordance with the procedures established in this Agreement, Employee shall have no right to occupy the Position and that Employee's sole remedies are provided herein and shall not extend to injunctive relief. THE PARTIES ACKNOWLEDGE AND AGREE THAT THIS SECTION LIMITING LIABILITY AND EXCLUDING CONSEQUENTIAL DAMAGES AND OTHER REMEDIES IS AN ESSENTIAL AND MATERIAL INDUCEMENT FOR THE UNIVERSITY TO ENTER INTO THIS AGREEMENT. ACCORDINGLY, SUCH PROVISIONS SHALL BE SEVERABLE AND INDEPENDENT OF ANY OTHER PROVISIONS AND SHALL BE ENFORCED AS SUCH, REGARDLESS OF ANY BREACH OR OTHER OCCURRENCE HEREUNDER.
- G. **Interference with Athletics.** During any period where Employee receives post-termination liquidated damages, compensation or benefits, Employee agrees that Employee will not interfere with LSU student-athletes or otherwise obstruct the ability of LSU or the Department to transact business. If Employee violates this provision, LSU shall be entitled to discontinue any post-termination liquidated damages, compensation or benefits and may seek to recover any payments that have been disbursed.

11. **University Property.** All property that is provided to, or developed or acquired by, Employee as part of or in conjunction with Employee's employment by LSU, regardless of the format or manner in which the property may be retained or stored, shall remain the sole property of LSU. This shall include, without limitation, all documents, files, personnel records, recruiting records, team information, athletic equipment, films, statistics, keys, credit cards, computers, software programs, and electronic devices that Employee may have access to or come into possession of during employment. Excluded from this provision are Employee's personal notes, personal playbooks, memorabilia, diaries and other personal records, which the Employee may retain. Employee is required to return to LSU all LSU property in Employee's possession within seven calendar days of termination or separation of employment. Employee shall also return any courtesy vehicle provided under this Agreement within seven calendar days of termination or separation of employment. Employee agrees that LSU may withhold any liquidated damage payments or other compensation due Employee pending return of property under this Section.
12. **Duty of Loyalty.** Unless notice of termination under this Section has been given by either party, neither Employee nor Employee's agent shall, under any circumstances, discuss or negotiate directly or indirectly prospective employment for Employee with any other institution of higher education, professional athletic team, or other athletically-related (including media and sports marketing) prospective employer without giving at least 24 hours prior written notice to the President and the Athletics Director.
13. **Duty to Cooperate.** Both during and after the end of employment with LSU, Employee agrees, without additional compensation (other than reimbursement for reasonable associated expenses post-employment), to cooperate with LSU in any investigation, internal or otherwise, of any possible violation of law (including Title IX) or violation of any rule, policy or regulation of LSU (including PM-73), the SEC or the NCAA. Employee agrees (a) to be reasonably available to answer questions regarding any matter with which Employee was involved while employed by LSU, and (b) to cooperate with LSU during the course of any proceedings arising out of any matter with which Employee has knowledge or information.
14. **Non-Assignment.** Neither party may assign, transfer, alienate, or encumber any of its rights or obligations hereunder without the express written consent of the other party, except as otherwise specifically set forth in this Agreement.
15. **Entire Agreement.** This Agreement constitutes and expresses the entire agreement and understanding of the parties concerning the matters contemplated hereby and shall, upon the Effective Date, supersede any other oral and written agreements between the parties. There are no oral or other agreements, understandings, promises, or representations between the parties affecting this Agreement. Both parties have relied solely on their own respective judgments in entering into this Agreement, with full opportunity to seek advice of competent counsel. It shall be construed, if necessary, without reference to the party that was the principal drafter of the Agreement.

16. **Indirect Actions Prohibited.** Any act which Employee is prohibited from doing directly in this Agreement shall not be done indirectly by Employee or another person on Employee's behalf or at Employee's behest.
17. **Amendments to Agreement.** This Agreement may be amended only by a written instrument duly approved by LSU through its designated representatives and accepted by Employee, such approval and acceptance to be acknowledged in writing.
18. **Severability.** If any provision of this Agreement shall be deemed invalid or unenforceable, either in whole or in part, this Agreement shall be deemed amended to delete or modify, as necessary, the offending provision or to alter the bounds thereof in order to render it valid and enforceable.
19. **No Waiver of Default.** No waiver by the parties hereto of any default or breach of any covenant, term or condition of this Agreement shall be deemed to be a waiver of any other default or breach of the same or any other covenant, term or condition contained herein.
20. **No Waiver of Sovereign Immunity.** It is expressly agreed and understood between the parties that nothing contained herein shall be construed to constitute a waiver or relinquishment by LSU of any rights to claim such exemptions, privileges and immunities as may be provided by law.
21. **"Force Majeure" Clause.** Neither party shall be considered in default of performance of any obligations under this Agreement if such performance is prevented or delayed by Force Majeure. "Force Majeure" shall be understood to be any cause which is beyond the reasonable control of the party affected and which is forthwith, by notice from the party affected, brought to the attention of the other party, including but not limited to war, hostilities, revolution, civil unrest, strike, lockout, epidemic or pandemic, government-ordered restriction or cessation of activity, accident, fire, natural disaster, wind or flood or any requirements of law, or an act of God.
22. **Additional Conditions of Employment.**
 - A. **Compliance with La. R.S. 42:31.** To the extent annual compensation under this Agreement exceeds \$100,000, Employee hereby agrees and promises that, within 30 days of the Start Date or the date that compensation reaches that threshold, Employee shall provide proof to LSU that Employee has been issued a Louisiana driver's license and that all vehicles registered in Employee's name are registered in Louisiana, all pursuant to the requirements of La. R.S. 42:31.
 - B. **Background Checks and Disclosures.** Prior to commencing employment, Employee shall be required to submit to background checks as deemed appropriate by the University. Employee's employment is contingent upon a satisfactory background check in accordance with University policy. In addition, prior to signing this Agreement, Employee must disclose to the University any and all criminal, civil or administrative matters from the prior five years, including those currently pending but excluding non-felony traffic infractions. First Amendment to Employment Agreement for David Patrick.

RESOLUTION

NOW, THEREFORE, BE IT RESOLVED the Board of Supervisors of Louisiana State University and Agricultural & Mechanical College authorizes the President to execute the First Amendment to Employment Agreement for David Patrick as described in this item, in consultation with General Counsel.

FIRST AMENDMENT TO EMPLOYMENT AGREEMENT

This First Amendment to Employment Agreement (“First Amendment”) is made and entered into as of this 25th day of April, 2025, by and between the Board of Supervisors of Louisiana State University and Agricultural and Mechanical College (“LSU”), a body corporate existing under the Constitution and laws of the State of Louisiana, herein represented by William F. Tate IV, its duly authorized President, and David Patrick (“Employee”):

WHEREAS, LSU and Employee are parties to that certain Employment Agreement (“Employment Agreement”) dated May 20, 2024, which is set to expire June 30, 2027;

WHEREAS, LSU and Employee desire to continue the employment relationship with amendment of certain provisions of the Employment Agreement as amended;

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, the parties agree as follows effective March 1, 2025:

1. **Modification of End Date.** Section 1(D) of the Employment Agreement is deleted and replaced with the following:

“D. “End Date”: June 30, 2028.”

2. **Modification of Supplemental Compensation.** Section 1(J) of the Employment Agreement is deleted and replaced with the following:

“J. “Supplemental Compensation”: The annualized sum for the following periods:

Start Date through June 30, 2025	\$200,000
July 1, 2025 through June 30, 2026	\$225,000
July 1, 2026 through June 30, 2027	\$250,000
July 1, 2027 through June 30, 2028	\$275,000.”

3. **No Further Amendment.** Except as set forth in the amendments, the Employment Agreement shall remain binding and in full force and effect. From and after the date of this First Amendment, all references to the term “Agreement” shall include the terms contained in this First Amendment.

Louisiana State University A&M (LSUAM)

Law School Financial Management

Audit Initiation:

This audit was included on the Board-approved audit plan.

Audit Scope and Objectives:

The primary objective of this audit was to assess operations and internal controls at the LSU A&M Paul M. Hebert Law Center.

The scope of the audit included charges made to the LSU Foundation fund for fiscal years 2022 through 2024 as well as employee terminations and pay from July 1, 2023, to October 31, 2024. Additionally, we reviewed the Center of Continuing Professional Development (CCPD) trial balances in fiscal year 2020 through 2024 for profitability and contributions to the law school for the same period to assess the success of fundraising efforts.

Audit Findings and Recommendations:

We provided recommendations to address issues with charges made to foundation accounts that were not aligned with donor intent, delays in processing employee terminations, and inadequate revenue tracking of revenues and expenses for events hosted by CCPD.

Management's Response and Corrective Action Plan:

Management concurred with our recommendations and is in the process of implementing corrective action, which will be completed by July 1, 2025.

NCAA Agreed-Upon Procedures (Louisiana Legislative Auditor)

Audit Initiation:

The Louisiana Legislative Auditor (LLA) conducted this external audit.

Audit Scope and Objectives:

The LLA evaluated whether the Statement of Revenues and Expenses for LSU's athletic department complied with the National Collegiate Athletic Association (NCAA) Bylaw 20.2.4.17 and effectiveness of the university's internal controls over compliance for the fiscal year ended June 30, 2024.

No exceptions were identified as a result of the procedures performed.

Health Sciences Center New Orleans (HSCNO)

Management Letter (Louisiana Legislative Auditor)

Audit Initiation:

The Louisiana Legislative Auditor's Office conducted this external audit.

Audit Scope and Objectives:

The Louisiana Legislative Auditor's (LLA) Office conducted certain procedures at Health Sciences Center New Orleans (HSCNO) for the fiscal year ended June 30, 2024. The objective was to provide assurances on financial information that is significant to the System's financial statements; evaluate the effectiveness of HSCNO's internal controls over financial reporting and compliance; and determine whether HSCNO complied with applicable laws and regulations.

Audit Findings and Recommendations:

Based on testing performed, LLA provided recommendations related to the following observations:

- Controls were not sufficient to ensure changes in enrollment status for students who received federal direct student loans were reported timely and accurately to the National Student Loan Data System.
- Reconciliations of the US Department of Education's loan information with HSCNO's financial records for federal direct student loans were not performed and reviewed on a timely basis.

Management's Response and Corrective Action Plan:

Management concurred with the recommendations and is in the process of implementing corrective action, which will be completed by May 16, 2025.

Louisiana State University Shreveport (LSUS)

Athletics Financial Controls

Audit Initiation:

This audit was included on the Board-approved audit plan.

Audit Scope and Objectives:

The overall objective of the review was to evaluate the adequacy of key financial controls for cash handling and collection in the LSU Shreveport (LSUS) Athletics Department.

The scope of this review related to two separate reports of thefts from athletic funds totaling approximately \$8,900 over a six-month period-October 2023 through April 2024. At the time of the review, effective controls were not in place to mitigate the related risks; therefore, audit testing was not performed, and the deficiencies were noted as findings.

Audit Findings and Recommendations:

Based on the planning procedures we performed, we noted issues and made recommendations to address the following control weaknesses:

- Noncompliance with LSUS cash handling policy, specifically- segregation of duties, safekeeping of funds, frequency of deposits, and methods to record cash receipts.
- Inadequate oversight and administration related to cash handling within the Athletics Department.
- Lack of cash handling procedures specific to the Athletics Department.
- Insufficient training and education for athletics staff on cash handling policies and procedures.
- Manual entry of card numbers for credit transactions, which increases the risk of data theft or data entry error.

Management's Response and Corrective Action Plan:

Management concurred with our recommendations and is in the process of implementing corrective action, which will be completed by March 14, 2025.

Affiliated Entities Reimbursements Report**

The Louisiana Code of Governmental Ethics prohibits public servants from receiving anything of economic value from a source other than the governmental entity for the performance of official duties and responsibilities or services substantially related to public duties. However, the law allows public employees to receive supplementary compensation or benefits from alumni associations or foundations recognized by the Board. Louisiana Revised Statute (LA RS) 17:3390 requires that any request for payment over \$1,000 for any single transaction to, or on behalf of, a public employee by a nonprofit organization shall be approved in writing by the appropriate higher education management board in accordance with written policies and procedures. The updated Uniform Affiliation Agreement adopted by LSU affiliates in 2020 outlines the provisions for compliance. Below is a summary table of reimbursements by Affiliated Entity for the second quarter of FY 2025. The Appendix includes more detailed information on each reimbursement.

LSU Performance Metrics Executive Summary

The LSU performance indicators are designed to provide campus leadership and the Board of Supervisors with a mechanism for evaluating annual institutional performance. This document includes a summary of the LSU campuses performance metrics data. The metrics data provided allow institutions to discuss descriptive metrics and performance measures within the context of each campus' mission.

In complex university systems, the distinct and quite different institutions do not measure their performance against each other but against the larger marketplaces where they compete. Two elements are critical for the effectiveness of performance measurement. First is the constant tracking of improvement from year to year. Second is the periodic benchmarking of campus performance against appropriate national counterparts. Data provided in this document speak primarily to the first element of annual improvement. Subsequent work by the campuses in identifying appropriate measures of performance against national counterparts provide a context for the second, national benchmarking element, of effective performance measurement.

The utility of these data points for evaluating institutional performance varies by campus and mission. Below is a general outline of metrics data captured in this document. Please note that for example, in some institutions, enrollment growth is critical to survival; for others, enrollment is stable and other indicators will be more important. Other institutions may pay particular attention to undergraduate education, others to research or technology transfer. Consequently, although this data describe the scale of operations, their utility as metrics for performance improvement measurement varies.

Below is a general outline of metrics data captured in this document. These metrics represent a start to what is expected to become a significant analysis and measuring tool for the Louisiana State University and its institutions.

General Metrics Description

- Metric I: Degrees and Credentials (*Including distribution by race, ethnicity, and other characteristics*)
- Metric II: Enrollment data (*Including distribution by race, ethnicity, and other characteristics such as full and part time*)
- Metric III: Retention, Graduation, Licensure, and Pass Rate (*Standardized State and National Exams*)
- Metric IV: Research Expenditures
- Metric V: Technology Transfer
- Metric VI: Revenue Sources (*Tuition and Fees, Other Revenue Resources*)
- Metric VII: Teaching and Research Productivity
- Metric VII: Hospital Statistics (HSCs only)
- Benchmark: Campus Specific Benchmark Metrics

Louisiana State University and A&M College

Executive Summary

Louisiana State University and A&M College, the state's Flagship University, is one of the few select universities designated as a land, sea, and space grant institution and holds a Carnegie Classification as a doctoral university with very high research activity. LSU A&M is known for its outstanding undergraduate and graduate academic programs, state-of-the-art research, internationally acclaimed faculty, and national award-winning student support programs. The campus is cohesively focused on pursuing and supporting the goals outlined in the President's Scholarship First Agenda. Through its educational, research, and services activities, LSU A&M serves as the state's leading institution in creating and disseminating new knowledge and technologies, impacting workforce and economic development throughout the state, region, nation, and world.

2024

The number of bachelor's degrees increased by 10.5% to 5,349, and the total number of degrees awarded was 8,166, a 9.8% increase. Both are the highest numbers in LSU's history. (Metric I)

The number of degree-seeking continuing undergraduates increased to 21,369, a 29% increase in the past five years. (Metric II)

The second to third-year retention rate for full-time bachelor's degree-seeking new freshmen increased to 75.3%. (Metric III)

Enrollment in fall semester lecture and seminar courses rose to 146,532, a 23% increase over the past five years. (Metric V)

LSU and A&M VISION and MISSION:

Vision: As Louisiana's flagship university, LSU will deploy the knowledge generated through the work of our faculty, staff, and students to build a more healthy, prosperous, and secure future for the state.

Mission: Designated as a Land, Sea, and Space Grant institution, LSU secures, elevates, and advances Louisiana and the world through the generation, preservation, dissemination, and application of knowledge and cultivation of the arts and develops students who are prepared, confident, and inspired to achieve lifelong success.

(Vision and Mission Statements approved by Board of Supervisors February 2023)

List of STEM/SMART CIP code/s: The following list of CIP codes is to serve as a guide but it is not intended to be inclusive of all possibilities. We recognize that some campuses have degree programs centered in schools or colleges that might dictate a different CIP code. The campus should make the appropriate adjustment. In addition, the CIP codes used by the campus should correlate to the Board of Regents. If there is a discrepancy and the campus applies the IPEDS CIP code, then the campus should identify this with a footnote.

Metric II. The following metrics will provide the campus enrollment trends.

List of STEM/SMART CIP code/s:
 The following list of CIP codes is to serve as a guide but it is not intended to be inclusive of all possibilities. We recognize that some campuses have degree programs centered in schools or colleges that might dictate a different CIP code. The campus should make the appropriate adjustment. In addition, the CIP codes used by the campus should correlate to the Board of Regents. If there is a discrepancy and the campus applies the IPEDS CIP code, then the campus should identify this with a footnote.

Variables Description

Headcount Enrollment Undergraduate – Total number of full-time and part-time students enrolled in courses for undergraduate credit.
Headcount Enrollment Graduate – Total number of full-time and part-time students enrolled in courses for graduate credit.
Full-Time Equivalent (FTE) – The calculation of FTE can vary by institution. However, FTE enrollment reported for this metric should reconcile to FTE data you report to the Louisiana BoR, SREB and IPEDS for your campus.
Full-Time Student Undergraduate - a student enrolled for 15 or more semester credits or 30 or more contact hours a week each term. (IPEDS)
Dual Enrollment - A student who is enrolled in high school but who is also enrolled, simultaneously, in a postsecondary institution are considered dual enrolled.
Science Technology Engineering and Mathematics (STEM) - STEM enrollment is calculated based on STEM CIP codes.
Educations, Nursing, Allied Health - Use the CIP codes as defined by IPEDS for these disciplines to determine the number of students enrolled and graduates in these field of study.

The Association of Social Work Boards who manages the tests has released information about test bias.

***Note: Licensure Exams Data: College of Engineering: Includes only Fundamentals of Engineering Exams and does not include Professional Engineering or Fundamental of Surveying Exams.

In 2020-21 the percentages based on; Computer Science 0 students, IE had 1 student, and PETE had 2 students take tests.

****Note: Beginning with Fall 2020, the cohort and retention include students enrolled in the first fall online module. For students submitting both ACT and SAT scores, the highest of the two is reported.

In the instance that SAT is the higher score, it is reported as the ACT equivalent. Beginning with the Fall 2021 cohort, test scores only include students who elected to have test scores considered during the admission and scholarship decision process. Beginning with Fall 2023, composite scores are reported using superscoring.

Metric VI. The following metrics will identify the tuition and fee revenues, and, other revenue resources.

¹ Total assets from LSU Foundation and Alumni Foundation audited consolidated financial statement. The only assets included in these statements that relate to the Tiger Athletic Foundation are the endowed funds the LSU Foundation manages for TAF. TAF's total assets are reported in its own financial statements and are included above beginning with 2018-19. LSU Foundation total assets are included on LSU A&M, Law Center, and LSU Agricultural Center Metric reports.

² Total Gross Revenue Generated from Tuition and Fees does not include LSU Online.

³ State Appropriation per FTE = IPEDS Data Center (2017-18 forward).

2018-19: In 2014, RTF donated the Louisiana Digital Media Center to LSU where EA Sports is housed. LDMC was placed on the books as an LSU asset for FY 19. Because of this EA Sports is no longer operating in an off campus site.

Definitions:

Endowment Value equals the market value of the endowment as of June 30 of the reporting year.

FTE- Full time equivalent

Payout from Endowment equal interest earned on endowment.

Gross Revenue Generated from Student Enrollment FTE equals revenue gain from student tuitions and fees.

Net Revenue Generated from Student Enrollment FTE equals gross revenue from enrollment headcount minus institutional supported financial aid.

Net Revenue from Auxiliary equal gross revenue generated from auxiliary enterprises minus debt services and other financial obligations.

Enrollment in Fall Semester Lecture and Seminar Courses

Total enrollment, number of sections offered, and average section size are reported by course level for fall semester lecture and seminar classes. Courses offered through Academic Programs Abroad and Continuing Education are excluded. Source: fall semester 14th class day course file.

Lower Division Undergraduate Courses: Courses typically associated with the first and second years of college study; courses numbered 0001 through 2999.

Upper Division Undergraduate Courses: Courses typically associated with the third and fourth years of college study; courses numbered 3000 through 4999.

Graduate/Professional Courses: Courses typically associated with first professional or post-baccalaureate study; courses numbered 5000 through 9999.

Fall Teaching Activity

Full Time Equivalent (FTE) faculty: Faculty appointed at 100% effort are 1 FTE. Faculty appointed at 50% effort are 0.5 FTE.

Full Time Equivalent (FTE) graduate assistants: Typical appointment for a graduate assistant is 50% effort or 0.5 FTE.

Full Time Equivalent (FTE) faculty assigned to classes include (1) faculty who are tenured or on tenure track appointment, (2) faculty on annual appointment, and (3) graduate assistants. Only classes taught as part of the normal salary (on load) are included. Only unrestricted instruction, research, and public service funds are used in calculation of FTE. Source: fall semester faculty assignment file.

Organized class sections: Regularly scheduled classes meeting in classroom or similar facilities at stated times; lecture, laboratory, and seminar instruction; excludes independent study classes. Source: fall semester faculty assignment file.

Louisiana State University Agricultural Center

Executive Summary

The LSU AgCenter is the epicenter of agricultural and natural resource research and extension for the LSU system and the state. The data provided in this report cover the period 2023-24 and provide a limited but important view of the scope of the AgCenter's core activities. LSU is currently ranked 16th in Agricultural Sciences research expenditures by the National Science Foundation's Higher Education Research and Development (HERD) report from November 2024. That accomplishment speaks volumes about scale and scope of the AgCenter's activities, and places us among a small group of the most impactful and accomplished university-based research organizations in the country.

Of particular note in these data are that research awards and expenditures are trending upward, and the significant jump in awards in particular will generate increases in expenditures in subsequent years. FY 2023-2024 produced new all-time highs in Total Research and Dollar Amount of Restricted Expenditures. We anticipate that this will be reflected by an improved ranking in Agricultural Science research expenditures in the November 2025 NSF HERD report. The congealing of well-defined research focal areas, along with recruitment of new talent in these areas portends well for the future of the AgCenter program. Likewise, the AgCenter intellectual property program, historically the strongest among all higher ed institutions in the state, remains very strong with increases in patents filed, licenses and options executed, and active licensing agreements. As predicted last year, licensing revenue has turned around with the recent licensing of newly developed technologies by the faculty.

The overall value of the endowments continues to trend upwards as well. This is important because these resources are used to offset the cost of attracting and retaining talent, which is a constant focus of our attention given our interest in ascending in the research rankings.

Overall, the key indicators provided in this report reveal a powerful organization that has momentum and is poised to elevate its impact in the coming years.

LSU AgCenter MISSION:

The overall mission of the LSU Agricultural Center is to enhance the quality of life for people through research and educational programs that develop the best use of natural resources, conserve and protect the environment, enhance development of existing and new agricultural and related enterprises, develop human and community resources, and fulfill the acts of authorization and mandates of state and federal legislative bodies.

Executive Summary

Executive Summary: LSUA 2025 – Unprecedented Growth, Academic Excellence, and Student Success

Louisiana State University of Alexandria (LSUA) continues its extraordinary trajectory as the fastest-growing public university in Louisiana, surpassing key institutional benchmarks and setting new records in enrollment, retention, and academic achievement. Through strategic innovation, a commitment to student success, and unwavering community support, LSUA has emerged as a leader in higher education, providing students with unparalleled opportunities for personal and professional growth.

Metric 1: Degrees Conferred

LSUA's 2024 graduating class represents the largest in the university's history, with 504 students receiving degrees in the Fall semester alone—a 17% increase over the previous record of 430 graduates. With the inclusion of summer graduates, LSUA has awarded 1,129 degrees in 2024, marking an impressive 30% year-over-year increase. This historic milestone underscores LSUA's commitment to workforce development and the success of programs such as Nursing, Psychology, and Business Administration, which continue to produce highly skilled graduates ready to contribute to Louisiana's economy.

Metric 2: Enrollment Trends

LSUA has shattered enrollment records, with 6,904 students enrolled in Spring 2025—a 28% increase from the prior year and the fastest growth rate among Louisiana's universities. Fall 2024 enrollment reached 6,815 students, representing a 33.5% year-over-year increase, far exceeding the university's original 2025 target of 5,000 students. This surge includes the largest freshman class since 2001 (581 students, +22.3%) and significant growth in online education (+56.7%) and on-campus enrollment (+13.4%). LSUA's student body now represents all 50 states, all 64 Louisiana parishes, and 25 countries, highlighting the university's expanding reach and reputation.

Metric 3: Retention and Graduation Rates

Student success remains a top priority at LSUA, as evidenced by its remarkable 90% freshman retention rate, with 9 out of 10 first-time students continuing their education into the spring semester. This retention rate is a direct result of LSUA's personalized academic support, strong student engagement, and faculty mentorship. Graduation rates continue to climb, with the latest cohort achieving a record 100% first-time pass rate on the American Registry of Radiologic Technologists (ARRT) exam, well above the national average of 83.5%. These achievements reflect LSUA's unwavering commitment to academic excellence and student achievement.

Metric 5: Tuition & Fees

Despite rapid growth, LSUA remains committed to affordability. The university continues to offer one of the most cost-effective bachelor's degrees in Louisiana, Texas, and Mississippi, ensuring that students receive a high-quality education without excessive financial burden. The combination of affordability and high return on investment has contributed to LSUA's increasing popularity, especially among first-generation and non-traditional students.

The high-cost tuition in fee increase starting Fall 2025 will be beneficial to the university in that with the increased enrollment, coupled with this tuition increase, will lead to an increase in critical revenue to support the growing institution.

With the largest freshman class in over 20 years, FTF revenues increased by 37% to \$3,298,413.

Metric 6: Research

LSUA is expanding its research capabilities, reinforcing its role as a center of academic inquiry and innovation. With new investments in faculty-led research and student engagement in applied studies, LSUA is committed to regional workforce development and industry collaboration. While research is not in the missing of the university, new grants have allowed for a 100%+ increase in research dollars – dedicated to ungraduated research. These initiatives across disciplines—particularly in healthcare, business, and technology—are enhancing LSUA's reputation as a hub for knowledge creation and economic impact in central Louisiana.

Foundation

LSUA's momentum is further strengthened by its deep ties to the community and philanthropic support. The university's Foundation continues to play a crucial role in providing financial assistance to students, supporting campus initiatives, and driving strategic growth. With a focus on affordability, scholarship funding, and alumni engagement, LSUA remains dedicated to ensuring that students from all backgrounds have access to transformative educational opportunities.

LSUA MISSION:

As the only state-supported undergraduate university in Louisiana, LSUA's mission is to provide a broad spectrum of affordable undergraduate degrees in a robust academic environment that challenges students to excel and creates proactive and reciprocal relationships that meet the needs of the diverse student body and community that it serves.

Variables Description

Headcount Enrollment Undergraduate – Total number of full-time and part-time students enrolled in courses for undergraduate credit.
Headcount Enrollment Graduate – Total number of full-time and part-time students enrolled in courses for graduate credit.
Full-Time Equivalent (FTE) – The calculation of FTE can vary by institution. However, FTE enrollment reported for this metric should reconcile to FTE data you report to the Louisiana BoR, SREB and IPEDS for your campus.
Full-Time Student Undergraduate - a student enrolled for 15 or more semester credits or 30 or more contact hours a week each term. (IPEDS)
Dual Enrollment - A student who is enrolled in high school but who is also enrolled, simultaneously, in a postsecondary institution are considered dual enrolled.
Science Technology Engineering and Mathematics (STEM) - STEM enrollment is calculated based on STEM CIP codes.
Educations, Nursing, Allied Health - Use the CIP codes as defined by IPEDS for these disciplines to determine the number of students enrolled and graduates in these field of study.

Metric VI. The following metrics will identify teaching and research productivity per FTE

Definitions:

Direct Expenditures for Instructions: Total Direct Instructional Expenditures include data in certain functional areas - instruction, research, and public service. Direct expenditure data reflect costs incurred for personnel compensation, supplies, and services used in the conduct of each of these functional areas. They include acquisition costs of capital assets such as equipment and library books to the extent that funds are budgeted for the use of departments for instruction, research, and public service. Similar to the Delaware Study, exclude centrally allocated computing costs and centrally supported computer labs, and graduate student tuition remission and fee waivers.

Instruction: Instruction includes general academic instruction, occupational and vocational instruction, community education, preparatory and adult basic education, and remedial and tutorial instruction conducted by the teaching faculty for the institution's students. Departmental research and service **which are not separately budgeted** should be included under instruction. In other words, department research which is externally funded should be excluded from instructional expenditures, as should any departmental funds which were expended for the purpose of matching external research funds as part of a contractual or grant obligation. EXCLUDE expenditures for academic administration where the primary function is administration. For example, exclude deans, but include department chairs.)

Disaggregate total direct instructional expenditures for the institution into the following categories:

Salaries: Report all wages paid to support the instructional function in a given department or program during the fiscal year. While these will largely be faculty salaries, be sure to include clerical (e.g., department secretary), professionals (e.g., lab technicians), Graduate student stipends (but not tuition waivers), and any other personnel who support the teaching function and whose salaries and wages are paid **from the institution's instructional budget**.

Benefits: Report expenditures for benefits associated with the personnel for whom salaries and wages were reported on the previous entry. If you cannot separate benefits from salaries, but benefits are included in the salary figure you have entered, indicate "Included in Salaries" in the data field. Some institutions book benefits centrally and do not disaggregate to the department level. If you can compute the appropriate benefit amount for the department/program, please do so and enter the data. If you cannot do so, leave the benefit amount as zero and we will impute a cost factor based upon the current benefit rate for your institution, as published in *Academe*. If no rate is available, we will use a default value of 28%.

Other Than Personnel Costs: This category includes non-personnel items such as travel, supplies and expense, non-capital equipment purchases, etc., that are typically part of an instructional department or program's cost of doing business. *Excluded* from this category are items such as central computing costs, centrally allocated computing labs, graduate student tuition remission and fee waivers, etc.

Research: This category includes all funds expended for activities specifically organized to produce research outcomes and commissioned by an agency either external to the institution or **separately budgeted** by an organizational unit within the institution. Report total research expenditures only. It is not necessary to disaggregate costs for this category.

Public Service: Report all funds **separately budgeted** specifically for public service and expended for activities established primarily to provide non-instructional services beneficial to groups external to the institution. Examples include cooperative extension and community outreach projects. Report total service expenditures only. It is not necessary to disaggregate costs for this category.

**Louisiana State University Eunice
Metric Data**

April 25, 2025

Louisiana State University Eunice

Metric I Degrees Awarded: Degrees awarded continue to show a significant and upward trend, with the exception of degrees awarded in STEM. The decrease in STEM is directly attributable to the facilities in the Science Building, which **was constructed in 1967**. While LSUE students have a high interest in STEM, students in those majors transfer before the completion of the degree, and do so successfully, rather than complete in poor quality classrooms and labs. In general, Associate degrees were up 4.7% and Certificates were up over 500% (50 to 289) Allied Health programs experienced a **22.9% increase**, as well as the **total number of degrees awarded to Louisiana Residents up 58.7%** and Associate degrees up **4.7%**.

Metric II Enrollment: Total Undergraduate Enrollment grew from 3,623 in Fall 2023 to 3,670 in Fall 2024 an increase of 47 students. For First-Time Degree Seeking Freshman there were across the board increases in full-time and part-time enrollment for in-state and non-resident students. Continuing Degree Seeking Student enrollment increased by 1.2%. There was a notable increase in enrollment by Black or African American students. TOPS recipients decreased for this year, however it has been increasing since 2018-2019 to 2021-22. It is noteworthy that Louisiana four-year regional and major university systems, dramatically altered and relaxed admission criteria for 2022-2023. Institutional concerns are as follows: the current state of the Science building has labs and classrooms that were **new in 1967**. These vastly under resourced facilities are contributing to a loss of students in STEM majors. While the increases in Dual Enrollment are positive, the state of this facility makes students less inclined to stay longer, save more on tuition costs, and move on to other four-year colleges and universities. LSUE is seeking funding to transform the current Science Building into a STEAM Innovation Center.

Metric III Student Success: The overall success rates for all courses taken by all students dipped slightly from 74.7% in AY 2022-2023 to 74.1% in AY 2023-2024; however, the overall success rate of 74.1% was above the 14-year longitudinal success rate of 73.8%. In addition, the individual course withdrawals increased slightly from 9.9% in AY 2022-2023 to 10.1% in AY 2023-2024; the 10.1% being below the 14-year longitudinal success rate of 10.4%. Percentage of Program Students in Good Academic Standing increased 69% to 82%, a five year high. The percentage of Students who dropped due to poor academic performance remained at 6%. The Mean GPA for Program Students dropped slightly from 2.149 to 2.068. Student Progress dropped slightly for students earning up to 24 credit hours, over the previous year but is higher than 2021-22 and all reporting years of 2015-2016 to 2022-2023. Employer Satisfaction rates for Nursing and Allied Health Programs is at 100%.

Metric V Revenue: Total Gross Revenue increased by 8% to \$3,766,074 from the prior year and Net Revenue for First Time Full-time Freshman increased by 7.7%. Market Value of Endowment rose 7.5%. On another positive note, Auxiliary enterprises increased by 1504.3% and State Appropriations per FTE rose by 49.7%.

Metric VI Instruction Productivity: Total number of sections taught by full time faculty decreased by 5.7% due to an increase in class size and by current openings for full-time faculty. Total class sections taught by part-time adjunct faculty rose 11.1%. Direct Instructional Expenditures dropped by 3.9%. LSUE's ability to continue to do more with less raises serious institutional concerns.

LSUE MISSION:

Louisiana State University at Eunice, a member of the Louisiana State University System, is a comprehensive, open admissions institution of higher education. The University is dedicated to high quality, low-cost education and is committed to academic excellence and the dignity and worth of the individual. To this end, Louisiana State University at Eunice offers associate degrees, certificates and continuing education programs as well as transfer curricula. Its curricula span the liberal arts, sciences, business and technology, pre-professional and professional areas for the benefit of a diverse population. All who can benefit from its resources deserve the opportunity to pursue the goal of lifelong learning and to expand their knowledge and skills at LSUE.

- In fulfillment of this mission, Louisiana State University at Eunice strives to achieve the following:
- Encourage traditional and nontraditional populations to take advantage of educational opportunities.
- Create a learning environment which facilitates the integration of knowledge and the development of the whole person.
- Provide a general education which requires all students to master the skills and competencies necessary for lifelong learning.
- Provide programs which parallel four-year college and university courses, including special honors courses, which are directly transferable.
- Prepare students to meet employment opportunities as determined by regional needs.
- Prepare programs of developmental studies which will upgrade student skills to the levels necessary for successful college experience.
- Provide necessary support services to help students realize their maximum potential.
- Create and offer programs of Continuing/Adult Education and community service which respond to the needs of the area.

List of STEM/SMART CIP code/s: The following list of CIP codes is to serve as a guide but it is not intended to be inclusive of all possibilities. We recognize that some campuses have degree programs centered in schools or colleges that might dictate a different CIP code. The campus should make the appropriate adjustment. In addition, the CIP codes used by the campus should correlate to the Board of Regents. If there is a discrepancy and the campus applies the IPEDS CIP code, then the campus should identify this with a footnote.

Note: Beginning with Fall 2014 reporting cycle, 14th day degree-seeking transfer enrollment includes fall and continuing summer transfers. This methodology used to report 2008-09 through 2015-16 data in December 2015.

Metric II. The following metrics will provide the campus enrollment trends.

List of STEM/SMART CIP code/s:

The following list of CIP codes is to serve as a guide but it is not intended to be inclusive of all possibilities. We recognize that some campuses have degree programs centered in schools or colleges that might dictate a different CIP code. The campus should make the appropriate adjustment. In addition, the CIP codes used by the campus should correlate to the Board of Regents. If there is a discrepancy and the campus applies the IPEDS CIP code, then the campus should identify this with a footnote.

Variables Description

Headcount Enrollment Undergraduate – Total number of full-time and part-time students enrolled in courses for undergraduate credit.

Headcount Enrollment Graduate – Total number of full-time and part-time students enrolled in courses for graduate credit.

Full-Time Equivalent (FTE) – The calculation of FTE can vary by institution. However, FTE enrollment reported for this metric should reconcile to FTE data you report to the Louisiana BoR, SREB and IPEDS for your campus.

Full-Time Student Undergraduate - a student enrolled for 15 or more semester credits or 30 or more contact hours a week each term. (IPEDS)

Dual Enrollment - A student who is enrolled in high school but who is also enrolled, simultaneously, in a postsecondary institution are considered dual enrolled.

Science Technology Engineering and Mathematics (STEM) - STEM enrollment is calculated based on STEM CIP codes.

Educations, Nursing, Allied Health - Use the CIP codes as defined by IPEDS for these disciplines to determine the number of students enrolled and graduates in these field of study.

Endowment Value equals the market value of of the endowment as of June 30 of the reporting year.

FTE Full time equivalent

Payout from Endowment equal interest earned on endowment.

Gross Revenue Generated from Student Enrollment FTE equals revenue gain from student tuitions and fees.

Net Revenue Generated from Student Enrollment FTE equals gross revenue from enrollment headcount minus institutional supported financial aid.

Net Revenue from Auxiliary equal gross revenue generated from auxiliary enterprises minus debt services and other financial obligations.

Definitions:

Direct Expenditures for Instructions: Total Direct Instructional Expenditures include data in certain functional areas - instruction, research, and public service. Direct expenditure data reflect costs incurred for personnel compensation, supplies, and services used in the conduct of each of these functional areas. They include acquisition costs of capital assets such as equipment and library books to the extent that funds are budgeted for the use of departments for instruction, research, and public service. Similar to the Delaware Study, exclude centrally allocated computing costs and centrally supported computer labs, and graduate student tuition remission and fee waivers.

Instruction: Instruction includes general academic instruction, occupational and vocational instruction, community education, preparatory and adult basic education, and remedial and tutorial instruction conducted by the teaching faculty for the institution's students. Departmental research and service **which are not separately budgeted** should be included under instruction. In other words, department research which is externally funded should be excluded from instructional expenditures, as should any departmental funds which were expended for the purpose of matching external research funds as part of a contractual or grant obligation. EXCLUDE expenditures for academic administration where the primary function is administration. For example, exclude deans, but include department chairs.)

Disaggregate total direct instructional expenditures for the institution into the following categories:

Salaries: Report all wages paid to support the instructional function in a given department or program during the fiscal year. While these will largely be faculty salaries, be sure to include clerical (e.g., department secretary), professionals (e.g., lab technicians), Graduate student stipends (but not tuition waivers), and any other personnel who support the teaching function and whose salaries and wages are paid **from the institution's instructional budget**.

Benefits: Report expenditures for benefits associated with the personnel for whom salaries and wages were reported on the previous entry. If you cannot separate benefits from salaries, but benefits are included in the salary figure you have entered, indicate "Included in Salaries" in the data field. Some institutions book benefits centrally and do not disaggregate to the department level. If you can compute the appropriate benefit amount for the department/program, please do so and enter the data. If you cannot do so, leave the benefit amount as zero and we will impute a cost factor based upon the current benefit rate for your institution, as published in *Academe*. If no rate is available, we will use a default value of 28%.

Louisiana State University Eunice

Metric VI. The following metrics will identify teaching and research productivity per FTE faculty.

Other Than Personnel Costs: This category includes non-personnel items such as travel, supplies and expense, non-capital equipment purchases, etc., that are typically part of an instructional department or program's cost of doing business. *Excluded* from this category are items such as central computing costs, centrally allocated computing labs, graduate student tuition remission and fee waivers, etc.

Research: This category includes all funds expended for activities specifically organized to produce research outcomes and commissioned by an agency either external to the institution or **separately budgeted** by an organizational unit within the institution. Report total research expenditures only. It is not necessary to disaggregate costs for this category.

Public Service: Report all funds **separately budgeted** specifically for public service and expended for activities established primarily to provide non-instructional services beneficial to groups external to the institution. Examples include cooperative extension and community outreach projects. Report total service expenditures only. It is not necessary to disaggregate costs for this category.

Louisiana State University Shreveport

Executive Summary

LSU Shreveport Performance Metrics

2/1/2024

LSU Shreveport saw increases in several key metrics for the current reporting cycle including overall enrollment, graduation rates, and market value of endowments. Fall enrollment hit its second-highest total ever. The number of degrees awarded fell back from last year's all-time high, while the six-year graduation rate showed a modest increase. Second-year retention was down, while third-year retention showed a sharp increase.

Metric I - Degrees Awarded

LSUS awarded 3,573 degrees in 2022-23 and has awarded over 16,000 degrees in the last five years. The number of degrees awarded in STEM categories rose markedly, while the number of specialist awards also increased. The number of bachelor's, master's, and doctoral degrees fell compared to last year.

Metric II - Enrollment

Fall enrollment grew by 11.6% to 9,736. Undergraduate enrollment was up 3.4% over last year, and graduate level enrollment increased by 14.9%. Enrollment of first-time, degree-seeking freshmen was down 6.9%, while enrollment of new transfer students increased 14.4%. High school dual enrollment was up by 24.5%.

Metric III - Student Success

The six-year graduation rate showed a small increase compared to the previous year, growing to 33.2%. Second year retention for first-time, full-time freshmen fell back closer to the historical average. However, third year retention jumped up by 7.5 percentage points. Similarly, second year retention for LA community college transfers was down, while third year retention was up.

Metric IV - Research Expenditures

To be populated.

Metric V - Technology Transfer

To be populated.

Metric VI - Revenues

The market value of endowments grew 7.5% for the most recent reporting period. Net revenue from first-time, full-time freshmen showed a similar increase. State appropriations per FTE jumped by 15.9%.

Metric VII - Faculty Productivity

SCH enrollment in Fall 2022 was relatively flat compared the previous year. The number of SCH's taught per tenure/tenure track faculty and per non-tenure/non-tenure track faculty both increased. The number of tenure/tenure track faculty assigned to classes was down 14.5%.

Benchmark with Peers

LSUS receives significantly lower state appropriations per FTE student than its peer institutions. As a consequence, LSUS relies on higher tuition and fees per FTE student than its peers. LSUS's combined total of tuition, fees, and state appropriations per FTE student also trails those of its peers.

LSUS MISSION:

The mission of LSUS is to:

Educate a diverse population of graduate and undergraduate students by promoting critical thought and student development through creative techniques and active learning.

Engage in regional and global thought leadership through community collaboration and service.

Innovate and foster opportunities to enhance the application of knowledge and intellectual discovery through faculty and student research and creative endeavors.

List of STEM/SMART CIP code/s: The following list of CIP codes is to serve as a guide but it is not intended to be inclusive of all possibilities. We recognize that some campuses have degree programs centered in schools or colleges that might dictate a different CIP code. The campus should make the appropriate adjustment. In addition, the CIP codes used by the campus should correlate to the Board of Regents. If there is a discrepancy and the campus applies the IPEDS CIP code, then the campus should identify this with a footnote.

Variables Description

Headcount Enrollment Undergraduate – Total number of full-time and part-time students enrolled in courses for undergraduate credit.
Headcount Enrollment Graduate – Total number of full-time and part-time students enrolled in courses for graduate credit.
Full-Time Equivalent (FTE) – The calculation of FTE can vary by institution. However, FTE enrollment reported for this metric should reconcile to FTE data you report to the Louisiana BoR, SREB and IPEDS for your campus.
Full-Time Student Undergraduate - a student enrolled for 15 or more semester credits or 30 or more contact hours a week each term. (IPEDS)
Dual Enrollment - A student who is enrolled in high school but who is also enrolled, simultaneously, in a postsecondary institution are considered dual enrolled.
Science Technology Engineering and Mathematics (STEM) - STEM enrollment is calculated based on STEM CIP codes.
Educations, Nursing, Allied Health - Use the CIP codes as defined by IPEDS for these disciplines to determine the number of students enrolled and graduates in these field of study.

Metric VI. The following metrics will identify the tuition and fee revenues, and, other revenue resources.

Endowment Value equals the market value of the endowment as of June 30 of the reporting year.

FTE Full time equivalent

Payout from Endowment equal interest earned on endowment.

Gross Revenue Generated from Student Enrollment FTE equals revenue gain from student tuitions and fees.

Net Revenue Generated from Student Enrollment FTE equals gross revenue from enrollment headcount minus institutional supported financial aid.

Net Revenue from Auxiliary equal gross revenue generated from auxiliary enterprises minus debt services and other financial obligations. Reporting Operating revenues = Gross revenues less Coast of goods sold for all auxiliaries (Athletics, University Center, Bookstore, Food Service).

Metric VII. The following metrics will identify teaching and research productivity per FTE faculty.

Definitions:

Direct Expenditures for Instructions: Total Direct Instructional Expenditures include data in certain functional areas - instruction, research, and public service. Direct expenditure data reflect costs incurred for personnel compensation, supplies, and services used in the conduct of each of these functional areas. They include acquisition costs of capital assets such as equipment and library books to the extent that funds are budgeted for the use of departments for instruction, research, and public service. Similar to the Delaware Study, exclude centrally allocated computing costs and centrally supported computer labs, and graduate student tuition remission and fee waivers.

Instruction: Instruction includes general academic instruction, occupational and vocational instruction, community education, preparatory and adult basic education, and remedial and tutorial instruction conducted by the teaching faculty for the institution's students. Departmental research and service **which are not separately budgeted** should be included under instruction. In other words, department research which is externally funded should be excluded from instructional expenditures, as should any departmental funds which were expended for the purpose of matching external research funds as part of a contractual or grant obligation. EXCLUDE expenditures for academic administration where the primary function is administration. For example, exclude deans, but include department chairs.)

Disaggregate total direct instructional expenditures for the institution into the following categories:

Salaries: Report all wages paid to support the instructional function in a given department or program during the fiscal year. While these will largely be faculty salaries, be sure to include clerical (e.g., department secretary), professionals (e.g., lab technicians), Graduate student stipends (but not tuition waivers), and any other personnel who support the teaching function and whose salaries and wages are paid **from the institution's instructional budget**.

Benefits: Report expenditures for benefits associated with the personnel for whom salaries and wages were reported on the previous entry. If you cannot separate benefits from salaries, but benefits are included in the salary figure you have entered, indicate "Included in Salaries" in the data field. Some institutions book benefits centrally and do not disaggregate to the department level. If you can compute the appropriate benefit amount for the department/program, please do so and enter the data. If you cannot do so, leave the benefit amount as zero and we will impute a cost factor based upon the current benefit rate for your institution, as published in *Academe*. If no rate is available, we will use a default value of 28%.

Other Than Personnel Costs: This category includes non-personnel items such as travel, supplies and expense, non-capital equipment purchases, etc., that are typically part of an instructional department or program's cost of doing business. *Excluded* from this category are items such as central computing costs, centrally allocated computing labs, graduate student tuition remission and fee waivers, etc.

Research: This category includes all funds expended for activities specifically organized to produce research outcomes and commissioned by an agency either external to the institution or **separately budgeted** by an organizational unit within the institution. Report total research expenditures only. It is not necessary to disaggregate costs for this category.

Public Service: Report all funds **separately budgeted** specifically for public service and expended for activities established primarily to provide non-instructional services beneficial to groups external to the institution. Examples include cooperative extension and community outreach projects. Report total service expenditures only. It is not necessary to disaggregate costs for this category.

Louisiana State University Health Sciences Center - New Orleans

Executive Summary

LSU Health Sciences Center at New Orleans educational programs prepare students for careers as health care professionals and scientists. The Health Sciences Center disseminates and advances knowledge through State and national programs of basic and clinical research, resulting in publications, technology transfer, and related economic enhancements to meet the changing needs of the State of Louisiana and the nation. LSUHSC-NO provides vital public service through direct patient care, including care of indigent and uninsured patients. Health care services are provided through LSUHSC-NO clinics in allied health, dentistry, medicine, nursing, and in numerous affiliated hospitals and clinics throughout Louisiana. LSUHSC-NO provides referral services, continuing education, and information relevant to the public health of the citizens of Louisiana. In addition, LSUHSC-NO works cooperatively with two Area Health Education Centers (AHECs), whose programs focus on improving the number and distribution of health care providers in underserved rural and urban areas of Louisiana and on supporting existing rural health care providers through continuing education programs.

LSU Health Sciences Center at New Orleans welcomes the opportunity to provide information concerning our student enrollment, graduation rates, faculty teaching and research productivity, and revenue resources. The information below is grouped by metric.

Metric I – Degrees Awarded

- There have been considerable increases in the number of degrees awarded in Allied Health and Nursing during the period of 2006-07 to 2023-24. This is a positive result from efforts to increase the healthcare workforce.
- LSUHSC-NO continues to achieve consistently strong graduation rates.

Metric II – Enrollment Trends

- Enrollment as of the 14th Class Day shows a steady upward trajectory across all our programs, while Graduate Studies remain stable.
- LSUHSC-NO is driving growth in the healthcare workforce by launching new programs and intensifying recruitment efforts.

Metric III – Retention, Graduation, Licensure

- Historical retention rates match what was reported on the annual reports required under the LA Grad Act and vary by academic program. The majority of programs were at least 92% or higher.
- LSUHSC-NO students achieve exceptional licensure exam passage rates, consistently ranging from an impressive 85% to a perfect 100%.

Metric IV – Effectiveness of Campus Research and Technology

- Total research expenditures increased 16% from the previous year while federal research expenditures decreased by almost 2%.
- LSUHSC-NO continues to emphasize faculty obtaining sponsored research funding and has increased investment in institutional research in recent years.

Louisiana State University Health Sciences Center - New Orleans

Executive Summary

Metric V-Technology Transfer Data

- Data populated from the annual AUTM survey.

Metric VI – Revenue Resources

- With steady enrollment and unchanged tuition and fees, LSUHSC-NO's tuition and fee revenues have remained relatively flat in recent years and are being used to offset previous declines in state general fund support.
- LSUHSC-NO does not have any true freshmen.
- Despite recent increases in State Appropriations per FTE, LSUHSC-NO is still facing a significant 50% decline from the peak levels seen in 2007-2008.
- Net Revenue Generated from auxiliary enterprises show a \$4 million deficit in FY 2023 due to the payoff of our bond. Due to rising food and labor costs, cafeteria operations have been facing financial challenges. Auxiliary administration is actively pursuing strategies to enhance operational efficiency while continuing to provide essential services to our student body.

Metric VII – Teaching and Research Productivity

- Instructional and Public Service expenditures reflect data provided to IPEDS. Personnel costs as a percentage of direct instructional expenses have increased in recent years primarily due to merit increases implemented to remain competitive and to recognize the valuable contributions of our faculty.
- Tenured and tenure track faculty full-time equivalent (FTE) numbers have declined in the past few years. Public Service expenditures Per FTE T/TT Faculty have increased drastically in the past few years due to the fair market value transactions with our partner hospitals.

National Benchmarks

- Data is included comparing the performance of our medical students on the USMLE examinations to medical students nationally and our medical school's rank among medical schools nationally in NIH funding. Beginning with 2021-22, the USMLE Step 1 score transitioned to Pass/Fail only.

HSCNO MISSION:

We educate the future health professions workforce, lead advancement in research and scholarship, provide exceptional and equitable health care, and partner and advocate to build healthy communities.

LSUHSC-NO is comprised of the Schools of Allied Health Professions, Dentistry, Graduate Studies, Medicine, Nursing, and Public Health.

Variables Description

Headcount Enrollment Undergraduate – Total number of full-time and part-time students enrolled in courses for undergraduate credit.

Headcount Enrollment Graduate – Total number of full-time and part-time students enrolled in courses for graduate credit.

Full-Time Equivalent (FTE) – The calculation of FTE can vary by institution. However, FTE enrollment reported for this metric should reconcile to FTE data you report to the Louisiana BoR, SREB and IPEDS for your campus.

Full-Time Student Undergraduate - a student enrolled for 12 or more semester credits or 24 or more contact hours a week each term. (IPEDS)

Dual Enrollment- A student who is enrolled in high school but who is also enrolled, simultaneously, in a postsecondary institution are considered dual enrolled.

Science Technology Engineering and Mathematics (STEM): STEM enrollment is calculated based on STEM CIP codes.

Educations, Nursing, Allied Health - Use the CIP codes as defined by IPEDS for these disciplines to determine the number of students enrolled and graduates in these fields of study.

Note that Research Expenditures data should match data your campus reported to NSF. Beginning in 2008, this data should follow the following guidelines.

Track all expenditures back to the original source. For example, if funds come from the State DOTD, but originated with the federal government those expenditures should be reported as federal. There should be a CFDA number attached to these grants indicating that the original source was federal.

Report all clinical trials as research. Please note that not all clinical trials are done by Tenured or Tenured Track (T/TT) faculty (see c).

Compute under-and unreimbursed indirect costs according to the instructions.

Report NIH "k" and other research training awards as federal. Note, Do Not report all training grants, **only those that are for research training.**

Definitions:

Direct Expenditures for Instructions: Total Direct Instructional Expenditures include data in certain functional areas - instruction, research, and public service. Direct expenditure data reflect costs incurred for personnel compensation, supplies, and services used in the conduct of each of these functional areas. They include acquisition costs of capital assets such as equipment and library books to the extent that funds are budgeted for the use of departments for instruction, research, and public service. Similar to the Delaware Study, exclude centrally allocated computing costs and centrally supported computer labs, and graduate student tuition remission and fee waivers.

Instruction: Instruction includes general academic instruction, occupational and vocational instruction, community education, preparatory and adult basic education, and remedial and tutorial instruction conducted by the teaching faculty for the institution's students. Departmental research and service **which are not separately budgeted** should be included under instruction. In other words, department research which is externally funded should be excluded from instructional expenditures, as should any departmental funds which were expended for the purpose of matching external research funds as part of a contractual or grant obligation. EXCLUDE expenditures for academic administration where the primary function is administration. For example, exclude deans, but include department chairs.)

Disaggregate total direct instructional expenditures for the institution into the following categories:

Salaries: Report all wages paid to support the instructional function in a given department or program during the fiscal year. While these will largely be faculty salaries, be sure to include clerical (e.g., department secretary), professionals (e.g., lab technicians), Graduate student stipends (but not tuition waivers), and any other personnel who support the teaching function and whose salaries and wages are paid **from the institution's instructional budget**.

Benefits: Report expenditures for benefits associated with the personnel for whom salaries and wages were reported on the previous entry. If you cannot separate benefits from salaries, but benefits are included in the salary figure you have entered, indicate "Included in Salaries" in the data field. Some institutions book benefits centrally and do not disaggregate to the department level. If you can compute the appropriate benefit amount for the department/program, please do so and enter the data. If you cannot do so, leave the benefit amount as zero and we will impute a cost factor based upon the current benefit rate for your institution, as published in Academe. If no rate is available, we will use a default value of 28%.

Other Than Personnel Costs: This category includes non-personnel items such as travel, supplies and expense, non-capital equipment purchases, etc., that are typically part of an instructional department or program's cost of doing business. *Excluded* from this category are items such as central computing costs, centrally allocated computing labs, graduate student tuition remission and fee waivers, etc.

Research: This category includes all funds expended for activities specifically organized to produce research outcomes and commissioned by an agency either external to the institution or **separately budgeted** by an organizational unit within the institution. Report total research expenditures only. It is not necessary to disaggregate costs for this category.

Public Service: Report all funds **separately budgeted** specifically for public service and expended for activities established primarily to provide non-instructional services beneficial to groups external to the institution. Examples include cooperative extension and community outreach projects. Report total service expenditures only. It is not necessary to disaggregate costs for this category.

Louisiana State University Health Sciences Center Shreveport

Executive Summary

Introduction

Louisiana State University Health Sciences Center at Shreveport (LSUHSC-S) is dedicated to advancing health through education, research, and patient care. The institution offers a wide range of educational and training programs in the health professions and biomedical sciences, from baccalaureate to post-doctoral levels, enrolling over 1,100 students and training more than 600 postgraduate learners. LSUHSC-S includes the School of Medicine, the School of Allied Health Professions, and the School of Graduate Studies, with comprehensive clinical programs that enhance healthcare in Louisiana while supporting its educational mission. The institution is also at the forefront of innovative biomedical research, focusing on translational aspects that address healthcare challenges and contribute to advancing scientific and medical knowledge.

Metric I: Completions

From 2018-2019 to 2023-2024, the institution consistently awarded between 251 and 279 degrees annually, with 267 degrees conferred in 2023-2024 across its diverse programs, most of which operate under capped enrollment. The Doctor of Medicine (MD) program saw the greatest uptick, increasing from 119 degrees in 2018-2019 to approximately 140 degrees over the last three years. Master's programs also saw a modest increase, rising from 72 degrees in 2018-2019 to 78 in 2023-2024. This overall growth has been driven by new program offerings, expanded MD class sizes, and adaptive curricula designed to support student progress and success.

Metric II: Enrollment

In fall 2024, total enrollment reached an all-time high of 1,103 students, up from 1,045 the previous year. The School of Allied Health Professions saw a modest increase in undergraduate enrollment to 21 students, while graduate enrollment grew to 355 students, up from 333 in 2023. The School of Graduate Studies experienced a rise in headcount, climbing to 103 from 86, driven by the growth of the Master of Science in Medical Sciences program and the launch of the new PhD Program in Pathology and Translational Biology. The School of Medicine maintained consistent enrollment levels, with 624 students in fall 2024, reflecting strong retention and academic success.

Metric III: Student Success

From 2018-2019 to 2024-2025, enrollment has steadily increased, with fall headcount rising from 889 to 1,103 and spring headcount showing a similar trend. Credit hour production has also grown, accompanied by a steady increase in Full-Time Equivalent (FTE) student counts. Credit hours per FTE have remained largely stable.

From 2018-19 to 2023-24, LSUHSC-S medical students have achieved competitive first-time pass rates on the USMLE Step exams. For USMLE Step 1, pass rates have ranged from 84% to 100%, generally close to national rates of 91% to 98% during the same period. For USMLE Step 2 CK, students have demonstrated exceptional performance, with pass rates ranging from 99% to 100%, surpassing national benchmarks.

To support student performance on licensure exams, the School of Medicine offers personalized academic assistance through dedicated learning specialists, including one-on-one counseling and tailored plans for USMLE Step 1 and 2 CK prep. Additionally, junior students are paired with upperclassmen mentors for guidance on study strategies, time management, and exam prep. Students also have access to digital resources like UWorld, AccessMedicine, AMBOSS, and Pathoma. Furthermore, the Student Counseling Center provides mental health services to build resilience and address setbacks.

Louisiana State University Health Sciences Center Shreveport

Executive Summary

The School of Allied Health Professions (SAHP) has demonstrated strong and consistent performance on licensure exams across its various programs from 2018-19 to 2023-24:

- Cardiopulmonary Science-RRT: 100% pass rate every year, surpassing the national average.
- Communications Disorders-PRAXIS: Achieved 100% pass rate for all years.
- Occupational Therapy-NBCOT: Pass rates typically above 90%, with no test takers in 2023-24 due to program transition from master's to doctoral levels.
- Physical Therapy-NPTE: Pass rates typically above 90%, almost always exceeding national levels.
- Physician Assistant-PANCE: Pass rates at or above 95%, exceeding national rates.
- Medical Technology-BOC Exam: Pass rates often 100% and none lower than 93%, exceeding national rates.

The SAHP employs various strategies to sustain or enhance licensure exam pass rates, including early identification of students needing remediation, personalized counseling, study groups, practice exams, clinical skill development, and faculty-led interactive teaching during clinical rotations. Additionally, the school's Learning Specialist and the Student Counseling Center provide essential academic support and mental health services, enhancing students' performance and well-being.

Metric IV: Campus Research

In recent, LSUHSC-S has made notable advancements in research, supported by federal agencies, private organizations, foundations, and the pharmaceutical industry, with impressive growth in total research funding. This progress is reflected in the institution's eight specialized research centers, which focus on critical areas such as cancer, cardiovascular and neurological diseases, and inflammatory disorders. New centers focused on emerging viral threats and substance use disorder are also making substantial progress. LSUHSC-S also continues to be at the forefront of clinical trials, contributing to the development of new treatments and therapies across various medical disciplines.

To strengthen its research efforts, LSUHSC-S has restructured its research leadership roles. The Vice Chancellor for Research Administration oversees research operations, including grant and contract management, regulatory compliance, financial oversight, reporting, and policy development. The Senior Associate Dean for Clinical Research leads clinical research initiatives, while the Associate Dean for Basic and Translational Research advances scientific discovery through departmental collaboration, funding support, compliance, and faculty development.

Looking ahead, LSUHSC-S is addressing its expanding research needs by developing new research space at a neighboring property, ideally suited for these activities, with the support of the LSU Health Shreveport Foundation.

Metric V: Technology Transfer

In 2023-24, the Office for Innovation and Commercialization at LSUHSC-S made strides in strengthening its intellectual property portfolio, industry engagement, and commercialization efforts, despite resource constraints and administrative challenges. The office processed 15 new disclosures, filed 28 patent applications, and secured 8 first-in-family applications, highlighting a robust and active research pipeline. Additionally, 8 patents were issued, covering a diverse range of biomedical innovations, including cancer treatments, therapies for neurodegenerative disorders, vascular disease treatments, and advancements in medical devices. Notably, LSUHSC-S expanded its global patent portfolio with issued patents in Canada and the European Patent Office (EPO).

Louisiana State University Health Sciences Center Shreveport

Executive Summary

In industry engagement, LSUHSC-S forged valuable partnerships, executing agreements with Pfizer Inc., the National Research Council of Canada, and Recludix Pharma, Inc. The agreement with Recludix Pharma alone, which includes an option to license specific technologies, generated \$104,838 in revenue, with an additional \$262,096 expected over the research period. Total licensing income for 2023-24 reached \$242,131, with notable contributions from royalty agreements with Life Technologies and New England Biolabs.

Looking ahead, the institution will focus on expanding industry partnerships, increasing faculty education on commercialization pathways, and exploring alternative funding sources like LIFT2 grants to bridge the gap between early-stage discoveries and commercialization. Additionally, the institution will continue to support staffing needs of Office for Innovation and Commercialization and will strategically manage legal costs to enhance efficiency and ensure long-term sustainability.

Metric VI: Revenue Sources

The institution's financial performance in 2023-2024 highlights a robust financial position with continued growth in endowment assets and stable revenue generation from tuition and auxiliary enterprises, providing a solid foundation for future investments and initiatives. The total endowment value reached \$233.9 million, an increase from \$217.6 million in 2022-2023. The total assets of the institution's foundation stood at \$310.0 million, up from \$286.3 million in the prior year. Additionally, the number of Board of Regents Support Funds increased from 3 to 5, with a corresponding increase in total value to \$3.1 million. Revenue generated from tuition and fees remained steady, totaling \$24.8 million in gross revenue and \$22.1 million in net revenue, with slight year-over-year increases. Net revenue from auxiliary enterprises generated a strong positive revenue stream of \$767,597.

Metric VII: Teaching Productivity

In 2023-24, LSUHSC-S maintained a strong faculty base of 594. Faculty members balance a wide range of responsibilities, including patient care, research, scholarly contributions, and education. Teaching productivity is challenging to quantify due to the multifaceted nature of their work, as faculty members balance didactic, clinical, laboratory, and small group teaching with their clinical and research responsibilities. Despite these competing demands, the faculty continue to deliver steady student credit hours and supervise residents and fellows.

The institution demonstrates a solid financial foundation, supported by growth and stability across key revenue streams. Notably, LSUHSC-S experienced growth in state appropriations at \$91.1 million and tuition and fees at \$24.8 million. Additionally, the practice plan remained strong, contributing \$268.6 million, and federal grants and contracts remained steady at \$20.9 million.

LSUHSC-S MISSION:

The primary mission of Louisiana State University Health Sciences Center at Shreveport (LSUHSC-S) is to teach, heal, and discover in order to advance the well-being of the State, region, and beyond. LSUHSC-S encompasses the Schools of Medicine, Graduate Studies, and Allied Health Professions in Shreveport.

To implement its mission, LSUHSC-S is committed to:

- Prepare learners for careers in health care service, teaching and research using state-of-the-art curricula, methods, and facilities.
- Provide a growing, diverse regional patient population with state-of-the-art clinical care, including a range of tertiary special services.
- Achieve distinction and international recognition for basic science and clinical research programs that contribute to the body of knowledge and practice of science and medicine.
- Utilize research and knowledge to support economic growth and prosperity of the region and State by engaging in productive partnerships with the private sector.
- Foster a culture of diversity and inclusion that promotes mutual respect for all.

² In 2009-10, the Physician Assistant Program transitioned from bachelor's to master's beginning with in summer 2010; therefore, no new bachelor's students will be enrolled after 2008-09.

³ In 2009, the NCA and BOR certifications merged and are now known as the Board of Certification (BOC).

⁴ USMLE Step 2 CS was not administered in 2019-20 due to COVID-19 and discontinued going forward

⁵ Beginning in 2014, NBCOT no longer provides national average pass rate

⁶ No NBCOT test takers this year due to the Occupational Therapy (OT) Program's transition from a Master's to a Doctoral program in May 2022

Note that Research Expenditures data should match data your campus reported to NSF. Beginning in 2008, this data should follow the following guidelines.

Track all expenditures back to the original source. For example, if funds come from the State DOTD, but originated with the federal government those expenditures should be reported as federal. There should be a CFDA number attached to these grants indicating that the original source was federal.

Report all clinical trials as research. Please note that not all clinical trials are done by Tenured or Tenured Track (T/TT) faculty (see c).

Compute under-and unreimbursed indirect costs according to the instructions.

Report NIH "k" and other research training awards as federal. Note, Do Not report all training grants, only those that are for research training.

² LSUHSC-S does not enroll first-time freshmen

³ Due to the complexity and overlap of health science center functions including instruction, patient care, and research, state appropriation specific to student FTE is difficult to determine and provide an accurate value for comparison.

* Per an agreement between LSUHSC-S and the LSUHS Foundation, endowment funds are managed by the Foundation.

Endowment Value equals the market value of of the endowment as of June 30 of the reporting year.

FTE Full time equivalent

Payout from Endowment equal interest earned on endowment.

Gross Revenue Generated from Student Enrollment FTE equals revenue gain from student tuitions and fees.

Net Revenue Generated from Student Enrollment FTE equals gross revenue from enrollment headcount minus institutional supported financial aid.

Net Revenue from Auxiliary equal gross revenue generated from auxiliary enterprises minus debt services and other financial obligations.

Metric VII: Teaching Productivity

Definitions:

Direct Expenditures for Instructions: Total Direct Instructional Expenditures include data in certain functional areas - instruction, research, and public service. Direct expenditure data reflect costs incurred for personnel compensation, supplies, and services used in the conduct of each of these functional areas. They include acquisition costs of capital assets such as equipment and library books to the extent that funds are budgeted for the use of departments for instruction, research, and public service. Similar to the Delaware Study, exclude centrally allocated computing costs and centrally supported computer labs, and graduate student tuition remission and fee waivers.

Instruction: Instruction includes general academic instruction, occupational and vocational instruction, community education, preparatory and adult basic education, and remedial and tutorial instruction conducted by the teaching faculty for the institution's students. Departmental research and service **which are not separately budgeted** should be included under instruction. In other words, department research which is externally funded should be excluded from instructional expenditures, as should any departmental funds which were expended for the purpose of matching external research funds as part of a contractual or grant obligation. EXCLUDE expenditures for academic administration where the primary function is administration. For example, exclude deans, but include department chairs.)

Disaggregate total direct instructional expenditures for the institution into the following categories:

Salaries: Report all wages paid to support the instructional function in a given department or program during the fiscal year. While these will largely be faculty salaries, be sure to include clerical (e.g., department secretary), professionals (e.g., lab technicians), Graduate student stipends (but not tuition waivers), and any other personnel who support the teaching function and whose salaries and wages are paid **from the institution's instructional budget**.

Benefits: Report expenditures for benefits associated with the personnel for whom salaries and wages were reported on the previous entry. If you cannot separate benefits from salaries, but benefits are included in the salary figure you have entered, indicate "Included in Salaries" in the data field. Some institutions book benefits centrally and do not disaggregate to the department level. If you can compute the appropriate benefit amount for the department/program, please do so and enter the data. If you cannot do so, leave the benefit amount as zero and we will impute a cost factor based upon the current benefit rate for your institution, as published in *Academe*. If no rate is available, we will use a default value of 28%.

Other Than Personnel Costs: This category includes non-personnel items such as travel, supplies and expense, non-capital equipment purchases, etc., that are typically part of an instructional department or program's cost of doing business. *Excluded* from this category are items such as central computing costs, centrally allocated computing labs, graduate student tuition remission and fee waivers, etc.

Research: This category includes all funds expended for activities specifically organized to produce research outcomes and commissioned by an agency either external to the institution or **separately budgeted** by an organizational unit within the institution. Report total research expenditures only. It is not necessary to disaggregate costs for this category.

Public Service: Report all funds **separately budgeted** specifically for public service and expended for activities established primarily to provide non-instructional services beneficial to groups external to the institution. Examples include cooperative extension and community outreach projects. Report total service expenditures only. It is not necessary to disaggregate costs for this category.

Pennington Biomedical Research Center

Executive Summary

Metric IV - Research Expenditures

Researchers at the Pennington Biomedical Research Center continued to perform well in 2024. The total amount of faculty research, the research dollars per FTE, and the total gifts, grants, and contract funding have all increased. However, the total number of clinical trials or proposals funded and the total number of gifts, grants, and contract proposals submitted to potential sponsors have decreased in 2024. Pennington Biomedical has focused on rebuilding a faculty base that was significantly eroded during lean budget times from 2009-2019. As we recruit new faculty, we understand that it takes time for newly hired researchers to submit proposals and have those awarded in significant amounts.

Pennington Biomedical's business model requires a stable base level of support to return grants and contracts on an order of \$813,000 per faculty. It will become increasingly difficult to sustain our excellent levels of grant and contract funding without a stable base. Nevertheless, we are pleased with the 2024 success in total faculty research.

Metric V - Technology Transfer

Although the metric for number of patents filed has decreased, all of the metrics related to licensing have increased over the prior year.

Metric VI - Revenues

Total endowment value, payout from endowment, foundation assets, state appropriations per FTE, and net revenue generated from auxiliary enterprises all increased in 2024.

MISSION:

LSU's Pennington Biomedical Research Center puts science to work for a healthier Louisiana. A world research leader right here in Louisiana, we have the vision of leading the world in promoting metabolic health and eliminating metabolic disease through scientific discoveries that create solutions from cells to society. Our mission is to discover the triggers of obesity and diet-related diseases and improve the health of all people through Research, Treatment & Prevention, Scientific Education, and Implementation & Outreach.

Endowment Value equals the market value of of the endowment as of June 30 of the reporting year.

FTE- Full time equivalent

Payout from Endowment equal interest earned on endowment.

Gross Revenue Generated from Student Enrollment FTE equals revenue gain from student tuitions and fees.

Net Revenue Generated from Student Enrollment FTE equals gross revenue from enrollment headcount minus institutional supported financial aid.

Net Revenue from Auxiliary equal gross revenue generated from auxiliary enterprises minus debt services and other financial obligations.

Additional Footnotes from Foundations:

Pennington Medical Foundation (PMF):

1. PMF is on a calendar year basis (not fiscal year basis). Therefore, data provided by PMF is for calendar year 2006, 2007, 2008, 2009, 2010, 2011, 2012, 2013, 2014, 2016, 2017, 2018, 2019, 2020, and 2021.
2. The figures above are not all inclusive annual support from the PMF to the PBRC. The numbers above only represent direct support payments from the PMF to the PBRC. It does not include payments made to other third party entities, which support PBRC, and in comparison is a significant source of support to PBRC.

Pennington Biomedical Research Foundation (PBRF):

It does not include payments made to other third party entities, which support PBRC, and in comparison is a significant source of support to PBRC.
3. Total payout from endowment equals amount expended (private and state) by the Foundation for the endowed chair and professorship program. Note, this amount is also included in the total annual giving number since the Foundation's endowment payout is paid directly to PBRC each year.

"Total Endowment Value" above does not include investments of the Pennington Medical Foundation, since it does not technically have a donor restricted permanent endowment.
