# Barred Owls

## What's the gist?

- Hearing any owls??? How about an owl that makes the sound, “Who cooks for you?”
- Owls may visit your backyard in search of food like mice, snakes, lizards, frogs, squirrels, and insects.
- The Barred owl can have a wingspan of up to 43 inches!
- Owls are nocturnal so during the day they spend their time in the tree canopy and will hunt at night.
