

FACULTY SENATE RESOLUTION 91-02

WHEREAS increases in racial hostility and religious intolerance threaten the well-being of the State of Louisiana, and

WHEREAS such hostilities jeopardize the disinterested pursuit of knowledge to which higher education is committed, and

WHEREAS the promulgation of racist and Nazi ideas, however veiled, precipitates violence and has already endangered the safety and well-being of students and faculty on the LSU campus;

THEREFORE BE IT RESOLVED that the Faculty Senate of Louisiana State University urges its faculty, staff, and students, as well as the general population of the state, to reflect upon these concerns as they prepare to vote in the upcoming election.
